AMENDED IN ASSEMBLY APRIL 18, 2002

CALIFORNIA LEGISLATURE—2001–02 REGULAR SESSION

ASSEMBLY BILL

No. 1934

Introduced by Assembly Member Corbett

February 12, 2002

~~An act to amend Section 1105 of the Penal Code, and to add Sections 7910 and 7911 to the Public Utilities Code, relating~~ *An act to add Section 7910 to the Public Utilities Code, relating to telephone corporations.*

LEGISLATIVE COUNSEL'S DIGEST

AB 1934, as amended, Corbett. Telephone corporations: background security checks.

~~(1) Existing~~

Existing law permits telephone corporations to construct, own, control, operate and manage telephone lines and to provide telephone service for compensation in the state, subject to regulation by the Public Utilities Commission.

~~This bill would require telephone corporations to conduct an investigation into the background of an applicant for employment to determine whether the applicant is a threat to the security of the telecommunications system. The bill would require the investigation to include whether the applicant has a criminal background which would require the submission of fingerprints and any requested related information, to the Department of Justice to obtain summary criminal history information. The bill would require the applicant to submit~~

~~fingerprints and requested related information to the telephone corporation, to allow the telephone corporation to obtain summary criminal history information and subsequent arrest service from the Department of Justice and the Federal Bureau of Investigation. The bill would require the Department of Justice to expeditiously review the state summary criminal history information in its possession, and any summary criminal history information it obtains from the Federal Bureau of Investigation, and provide a summary criminal history information to the requesting telephone corporation. The bill would authorize the Department of Justice to charge a reasonable fee for furnishing state summary criminal history information. The bill would require that the summary criminal history information obtained from the Department of Justice be confidential.~~

~~This bill would also require every person performing service under a personal services contract to a telephone corporation, including independent contractors, vendors, and their employees, to provide the telephone corporation with the same background check, including the summary criminal history information. The bill would require the telephone corporation, independent contractor, or vendor to ensure the confidentiality of the summary criminal history information received under these provisions.~~

~~The bill would provide that its provisions do not apply to persons that do not have contact or access to critical elements of the telephone network.~~

~~Since an unauthorized disclosure of state summary criminal history information is a crime under existing provisions of law, this bill, by including telephone corporations as entities to which this prohibition is applicable, would impose a state-mandated local program by expanding the definition of a crime.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

This bill would, with certain exceptions, require telephone corporations to perform or have performed an investigation into the background of applicants for employment, certain employees, independent contractors, and vendors.

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~ *no*.
State-mandated local program: ~~yes~~ *no*.
