

AMENDED IN ASSEMBLY JUNE 19, 2001

AMENDED IN SENATE APRIL 18, 2001

SENATE BILL

No. 47

Introduced by Senator Bowen

December 8, 2000

An act to amend Sections 335 , 337, and 341.2 of the Public Utilities Code, relating to public utilities.

LEGISLATIVE COUNSEL'S DIGEST

SB 47, as amended, Bowen. Electrical restructuring: Oversight Board: Independent System Operator.

The existing restructuring of the electrical services industry provides for the authorization of direct transactions between electricity suppliers and end use customers and for the establishment of an Independent System Operator and a Power Exchange. An Electricity Oversight Board is also established to oversee the Independent System Operator and the Power Exchange. Under existing law, the Oversight Board has the exclusive right to decline to confirm the appointments of members of the governing board of the Independent System Operator. Under existing law, the existing Independent System Operator governing board is required to be replaced, within a specified period of time, by a 5-member independent governing board of directors appointed by the Governor for one-year terms. Existing law requires that a member of the independent governing board of the Independent System Operator not be affiliated with any actual or potential market participant administered by the Independent System Operator.

This bill would delete the Electricity Oversight Board's exclusive right to decline to confirm the appointments of members of the

governing board of the Independent System Operator. This bill would require the Independent System Operator governing board appointed by the Governor to be confirmed by the Senate. The bill would require these appointments to be for 3-year terms, with initial appointments of one member for a one-year term, 2 members for a 2-year term, and 2 members for a 3-year term. ~~The bill would specify that a member of the governing board of the Power Exchange is not considered to be affiliated with a market participant solely as a consequence of service on the governing board of the Power Exchange.~~

The bill would make a conforming change in existing law.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
