January 18, 2001

An act to add Division 1.5 (commencing with Section 3300) to the Public Utilities Code, relating to electrical power.

LEGISLATIVE COUNSEL'S DIGEST

SB 6, as amended, Burton. California Consumer Power and Conservation Financing Authority.

Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including electrical corporations and other specified entities.

The Warren-Alquist State Energy Resources Conservation and Development Act requires the State Energy Resources Conservation and Development Commission (Energy Commission) to certify sufficient sites and related facilities that are required to provide a supply

of electric power sufficient to accommodate projected demand for power statewide. The Energy Commission administers existing law with respect to energy conservation.

This bill would create the California Consumer Power and Conservation Financing Authority, with powers and responsibilities as prescribed, including the issuance of revenue bonds, for the purposes of augmenting electric generating facilities and to ensure a sufficient and reliable supply of electricity, financing incentives for investment in cost-effective energy-efficient appliances and energy demand reduction, achieving a specified energy capacity reserve level, providing financing for the retrofit of inefficient electric powerplants, renewable energy and conservation, and, where appropriate, developing strategies for the authority to facilitate a dependable supply of natural gas at reasonable prices to the public. The bill would create in the State Treasury the California Consumer Power and Conservation Financing Authority Fund, and all money in the fund, upon appropriation, would be available for the support of the authority.

The bill would prohibit the authority from ~~undertaking any new projects~~ *approving any new program, financing, or project*, on or after January 1, 2007, unless authority to ~~those new projects~~ *approve such an activity* is granted by statute enacted on or before January 1, 2007.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Division 1.5 (commencing with Section 3300)
2 is added to the Public Utilities Code, to read:
