An act to add Section 6382 to the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

SB 1826, as introduced, Morrow. Sales and use tax: exemptions: emergency equipment.

The Sales and Use Tax Law imposes a tax on the gross receipts from the sale in this state of, or the storage, use, or other consumption in this state of, tangible personal property. That law provides various exemptions from that tax.

This bill would exempt from those taxes the gross receipts from sales or purchases of specified emergency equipment purchased by a local emergency service provider, as defined.

Counties and cities are authorized to impose local sales and use taxes in conformity with state sales and use taxes. Exemptions from state sales and use taxes enacted by the Legislature are incorporated into the local taxes.

Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for sales and use tax revenues lost by them pursuant to this bill.

This bill would take effect immediately as a tax levy, but its operative date would depend on its effective date.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
