#### LEGISLATIVE COUNSEL'S DIGEST

SB 1935, Costa. Commercial coaches: commercial modulars.

The Mobilehomes-Manufactured Housing Act of 1980, authorizes the Department of Housing and Community Development to adopt regulations for the construction of commercial coaches and special purpose commercial coaches. A knowing violation of the act or regulations issued pursuant to it is punishable as a misdemeanor. The act defines a special purpose commercial coach as a vehicle with or without motive power, designed for human occupancy, for industrial, professional, or commercial purposes, that is not required to be moved under a permit.

This bill would provide that the definition of a commercial coach and special purpose commercial coach means the same as commercial modular and special purpose commercial modular, respectively, and applies to all statutory references of these terms.

*The people of the State of California do enact as follows:*

SECTION 1. Section 18001.8 of the Health and Safety Code is amended to read:

18001.8. "Commercial modular" means a structure transportable in one or more sections, designed and equipped for human occupancy for industrial, professional, or commercial purposes, which is required to be moved under permit, and shall include a trailer coach as defined in Section 635 of the Vehicle Code. "Commercial coach" has the same meaning as "commercial modular" as that term is defined in this section.

SEC. 2. Section 18012.5 of the Health and Safety Code is amended to read:

18012.5. "Special purpose commercial modular" means a vehicle with or without motive power, designed and equipped for human occupancy for industrial, professional, or commercial purposes, which is not required to be moved under permit, and shall include a trailer

coach. “Special purpose commercial coach” has the same meaning as “special purpose commercial modular” as that term is defined in this section.

SEC. 3. Section 18015.1 is added to the Health and Safety Code, to read:

18015.1. All statutory references to “commercial coach” and to “special purpose commercial coach” are hereby deemed to refer to “commercial modular” and to “special purpose commercial modular,” respectively.
