An act to amend Section 2891.1 of the Public Utilities Code, relating to telecommunications.

LEGISLATIVE COUNSEL'S DIGEST

AB 1733, as amended, Reyes. Telecommunications: selling or licensing lists of subscribers.

Under existing law, the Federal Communications Commission licenses and partially regulates providers of commercial mobile radio service, including providers of cellular radiotelephone service, broadband Personal Communications Services (PCS), and digital Specialized Mobile Radio (SMR) services (collectively, mobile telephony service providers). Under existing law, no state or local

government may regulate the entry of, or the rates charged by, any commercial mobile radio service, but is generally not prohibited from regulating the other terms and conditions of commercial mobile radio service.

Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including telephone corporations. Existing law authorizes the commission to regulate telecommunications services and rates of telephone corporations, except to the extent regulation of commercial mobile radio service is preempted by federal regulation. Existing law prohibits a telephone corporation selling or licensing lists of residential subscribers, from including the telephone number of any subscriber assigned an unpublished or unlisted access number, as defined, without his or her written waiver of this protection.

This bill would permit a subscriber to waive the above described prohibition ~~upon~~ *against* including the telephone number of a subscriber assigned an unpublished or unlisted access number. The bill would prohibit a provider of mobile telephony services, as defined, providing the name and dialing number of a subscriber for inclusion in a directory, from including the dialing number of any subscriber without first obtaining the express consent of that subscriber. The bill would establish certain requirements for the provider's form for obtaining the subscriber's express consent. A subscriber would be permitted to revoke his or her consent to inclusion in a directory and would require that the mobile telephony services provider comply with the subscriber's request to opt out within 30 days. The bill would prohibit a provider of mobile telephony services or an affiliate or agent, from publishing any directory database, or any portion or segment of a directory database. The bill would prohibit a provider of mobile telephony services or an affiliate or agent, from selling any directory database, or any portion or segment of a directory database, to a third party.

This bill would make the operation of its provisions contingent upon the enactment of SB 199.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 2891.1 of the Public Utilities Code is amended to read:

2891.1. (a) Notwithstanding Section 2891, a telephone corporation selling or licensing lists of residential subscribers shall not include the telephone number of any subscriber assigned an unlisted or unpublished access number. A subscriber may waive all or part of the protection provided by this subdivision through written notice to the telephone corporation.

(b) Notwithstanding Section 2891, a provider of mobile telephony services providing the name and dialing number of a subscriber for inclusion in any directory, shall not include the dialing number of any subscriber without first obtaining the express consent of that subscriber. The provider's form for obtaining the subscriber's express consent shall meet all of the following requirements:

(1) It shall be a separate document that is not attached to any other document.

(2) It shall be signed and dated by the subscriber.

(3) It shall be unambiguous, legible, and in a minimum 10-point type, and conspicuously disclose that, by signing, the subscriber is consenting to have the subscriber's dialing number ~~sold or licensed as part of a list of subscribers and the subscriber's dialing number may be~~ included in a publicly available directory.

(4) If under the subscriber's calling plan the subscriber may be billed for receiving unsolicited calls or text messaging from a telemarketer, the provider's form shall include a disclosure, which shall be unambiguous, legible, and in 10-point type at a minimum, that by consenting to have the subscriber's dialing number ~~sold or licensed as part of a list of subscribers or be~~ included in a publicly available directory, the subscriber may incur additional charges for receiving unsolicited calls or text messages.

(c) A subscriber who provides express prior consent pursuant to subdivision (b) may revoke that consent at any time. A provider of mobile telephony services shall comply with the subscriber's request to opt out within 30 days.

(d) A subscriber shall not be charged for making the choice to not be listed in a directory.

1 (e) A provider of mobile telephony services, or any direct or
2 indirect affiliate or agent of a provider, may not publish, in printed,
3 electronic, or other form, the contents of any directory database,
4 or any portion or segment thereof.

5 (f) A provider of mobile telephony services, or any direct or
6 indirect affiliate or agent of a provider, may not sell to a third party
7 the contents of any directory database, or any portion or segment
8 thereof.

21 (B) Any information or records provided to a private for-profit
22 agency pursuant to this subdivision shall be held in confidence by
23 that agency and by any individual employed by or associated with

37 (6) To the commission pursuant to its jurisdiction and control
38 over telephone and telegraph corporations.

1 (h) Every deliberate violation of this section is grounds for a
2 civil suit by the aggrieved subscriber against the organization or
3 corporation and its employees responsible for the violation.

4 (i) For purposes of this section, “unpublished or unlisted
5 access number” means a telephone, telex, teletex, facsimile,

7 subscriber by a telephone or telegraph corporation for the receipt
8 of communications initiated by other telephone or telegraph

11 (j) No telephone corporation, nor any official or employee
12 thereof, shall be subject to criminal or civil liability for the release
13 of customer information as authorized by this section.

14 (k) The provisions of this section are severable. If any
15 provision of this section or the application thereof to any person
16 or circumstance is held invalid, that invalidity shall not affect other
