
Introduced by Senator Morrow

February 19, 2003

An act to amend Section 13399.39 of the Water Code, relating to water.

LEGISLATIVE COUNSEL'S DIGEST

SB 304, as introduced, Morrow. Storm water.

Existing law, the Porter-Cologne Water Quality Control Act, requires the State Water Resources Control Board to prepare and submit to the Legislature on May 1 of each year a report that summarizes the enforcement actions undertaken in the previous calendar year regarding the discharge of storm water.

This bill would change the date on which the report is due to June 1 of each year.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 13399.39 of the Water Code is amended
2 to read:
3 13399.39. On or before May 1, 2000, and on each ~~May~~ June
4 1 thereafter, the state board shall prepare and submit a report to the
5 Legislature summarizing the enforcement actions undertaken in
6 the previous calendar year under this division with regard to storm
7 water discharge and the results of those actions. The report shall

- 1 include an assessment with regard to the extent of compliance with
- 2 requirements relating to the discharge of storm water in this state.
