

ASSEMBLY BILL

No. 602

Introduced by Assembly Member Spitzer

February 17, 2005

An act to amend Section 1812.82 of the Civil Code, relating to health studios.

LEGISLATIVE COUNSEL'S DIGEST

AB 602, as introduced, Spitzer. Health studios: bonds.

Existing law governs health studio services contracts. Among other things, existing law requires that these contracts be in writing, provides that the contracts may not exceed a 3-year term, and requires that a copy of the contract be given to the buyer at the time he or she signs the contract.

This bill would require that health studios, as defined, maintain a bond, a letter of credit, or a certificate of deposit in a specified amount prior to entering into a contract for health studio services. The bill would require health studios to make specified disclosures regarding these provisions. The bill would require that a copy of the bond, letter of credit, or certificate of deposit, be filed with the Secretary of State. The bill would also require the Secretary of State to provide a copy of this information upon request.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
