An act to add Section 1129.5 to the Government Code, relating to public service.

## LEGISLATIVE COUNSEL'S DIGEST

SB 274, as introduced, Romero. Incompatible offices: elected and appointed positions.

Existing statutory law forbids a local agency officer or employee to engage in any employment, activity, or enterprise for compensation which is inconsistent, incompatible, in conflict with, or inimical to his or her duties as a local agency officer or employee or with the duties, functions, or responsibilities of his or her appointing power or the agency by which he or she is employed, except as specified. The common law forbids the simultaneous holding of 2 offices that exercise sovereign power that are incompatible, as when one office is superior to and exercises some supervisory power over the other, or has the power to remove the incumbent of the other or to audit the accounts of the other.

This bill would, except as specified, provide that service on a local appointed or elected governmental board, commission, committee, or other body shall be deemed to be inconsistent, incompatible, in conflict with, or inimical to the duties of service on another local elected or appointed governmental board, commission, committee, or other body, if either of the bodies may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other in any circumstance. It would require an elected or appointed member of one of 2 local governmental bodies in the above-described relation to resign prior to seeking election or appointment, or prior to accepting election or appointment, to the 2nd,

and would forbid the exercise of any of the powers of the first after acceding to the 2nd.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
