LEGISLATIVE COUNSEL’S DIGEST

AB 1706, Committee on Public Safety. Sex offenders: registration.

Existing law requires persons who have been convicted of specified crimes, and other persons as required by a court, to register as a sex offender. Existing law sets forth the procedure for doing so.

This bill would reorganize and renumber the provisions that set forth that procedure, and would make conforming technical changes in related provisions of law.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for

fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the

individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in their written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repairperson or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who

are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

- (i) Members are not left alone with clients.
- (ii) Members do not transport clients off the facility premises.
- (iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code, may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friends to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition of employment, residence, or presence in a community care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with

paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprint images and related information to the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State

Department of Social Services, as required by Section 1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this

paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit

as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) An applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the criminal records search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and all persons described in subdivision (b), the department may issue a license, or the foster family agency may issue a certificate of approval, if the applicant, and each person described in subdivision (b), has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure or certification, the department determines that the licensee, certified foster parent, or any person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550 and the certificate of approval revoked pursuant to subdivision (b) of Section 1534. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprint images and related information from certified home applicants and from persons specified in subdivision (b) and shall submit them directly to the Department of Justice by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice. A foster family home licensee or foster family agency shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence in the foster family home or certified family home. A foster family agency's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family agency pursuant to Section 1550. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, may result in the citation of a deficiency and immediate civil penalties of one hundred dollars (\$100) per violation. A licensee's violation of regulations adopted pursuant to Section 1522.04 may result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The State Department of Social Services may assess penalties for continued

violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance

of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision,

an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose

a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives

department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department or a county office with department-delegated licensing authority a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 2. Section 1568.09 of the Health and Safety Code is amended to read:

1568.09. It is the intent of the Legislature in enacting this section to require the electronic fingerprint images of those individuals whose contact with residents of residential care facilities for persons with a chronic, life-threatening illness may pose a risk to the residents' health and safety.

It is the intent of the Legislature, in enacting this section, to require the electronic fingerprint images of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial

presence in a residential care facility for persons with chronic, life-threatening illness.

(a) (1) Before issuing a license to any person or persons to operate or manage a residential care facility, the department shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant or any other person specified in subdivision (b) has been convicted of a crime, other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (f).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (f).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level

criminal offender record information search, in addition to the search required by this subdivision. If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and persons listed in subdivision (b), the department may issue a license if the applicant and each person described by subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to subdivision (a) of Section 1568.082. The department may also suspend the license pending an administrative hearing pursuant to subdivision (b) of Section 1568.082.

(b) In addition to the applicant, the provisions of this section shall be applicable to criminal convictions of the following persons:

(1) Adults responsible for administration or direct supervision of staff of the facility.

(2) Any person, other than a resident, residing in the facility.

(3) Any person who provides resident assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the residential care facility for persons with chronic, life-threatening illness. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed residential care facility for persons with chronic, life-threatening illness pursuant to Section 1568.092.

(4) (A) Any staff person, volunteer, or employee who has contact with the residents.

(B) A volunteer shall be exempt from the requirements of this subdivision if he or she is a relative, significant other, or close friend of a client receiving care in the facility and the volunteer does not provide direct care and supervision of residents. A volunteer who provides direct care and supervision shall be exempt if the volunteer is a resident's spouse, significant other, close friend, or family member and provides direct care and supervision to that resident only at the request of the resident. The department may define in regulations persons similar to those described in this subparagraph who may be exempt from the requirements of this subdivision.

(5) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in that capacity.

(6) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(c) (1) (A) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition of employment, residence, or presence in a residential care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (g), prior to the person's employment, residence, or initial presence in the residential care facility.

(B) These fingerprint images and related information shall be electronically submitted to the Department of Justice in a manner approved by the State Department of Social Services and the Department of Justice, for the purpose of obtaining a permanent set of fingerprints. A licensee's failure to submit fingerprint images and related information to the Department of Justice, or to comply with paragraph (1) of subdivision (g), as required in this section, shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars

(\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1568.082. The State Department of Social Services may assess civil penalties for continued violations as allowed in Section 1568.0822. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. The licensee shall maintain and make available for inspection documentation of the individual's clearance or exemption.

(2) A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1568.082. The department may assess civil penalties for continued violations as permitted by Section 1568.0822.

(3) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in this subdivision. If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprint images, notify the licensee that the fingerprint images were illegible. The Department of Justice shall notify the department, as required by Section 1522.04, and shall notify the licensee by mail within 14 days of electronic transmission of the fingerprint images to the Department of Justice, if the person has no criminal history record.

(4) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of

Social Services, on the basis of the fingerprint images submitted to the Department of Justice, that the person has been convicted of a sex offense against a minor, an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the department shall notify the licensee to act immediately to terminate the person's employment, remove the person from the residential care facility, or bar the person from entering the residential care facility. The department may subsequently grant an exemption pursuant to subdivision (f). If the conviction was for another crime, except a minor traffic violation, the licensee shall, upon notification by the department, act immediately to either (1) terminate the person's employment, remove the person from the residential care facility, or bar the person from entering the residential care facility; or (2) seek an exemption pursuant to subdivision (f). The department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of deficiency and an immediate assessment of civil penalties by the department against the licensee, in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1568.082.

(5) The department may issue an exemption on its own motion pursuant to subdivision (f) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(6) Concurrently with notifying the licensee pursuant to paragraph (4), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (f). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from

the facility after receiving notice from the department pursuant to paragraph (4).

(d) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the department is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of the sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting that person to withdraw his or her plea of guilty and to enter a plea of not guilty, setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) After review of the record, the director may grant an exemption from disqualification for a license as specified in paragraphs (1) and (4) of subdivision (a), or for employment, residence, or presence in a residential care facility as specified in paragraphs (4), (5), and (6) of subdivision (c) if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of such good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). However, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1568.092.

(g) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the department, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed stamped

envelope for this purpose, the department shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(h) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1568.092, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(i) (1) The Department of Justice shall charge a fee sufficient to cover its cost in providing services to comply with the 14-day requirement contained in subdivision (c) for provision to the department of criminal record information.

(2) Paragraph (1) shall cease to be implemented when the department adopts emergency regulations pursuant to Section 1522.04, and shall become inoperative when permanent regulations are adopted under that section.

(j) Notwithstanding any other provision of law, the department may provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in his or her written request. The department shall retain a copy of the individual's written request and the response and date provided.

SEC. 3. Section 1569.17 of the Health and Safety Code is amended to read:

1569.17. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a residential

care facility for the elderly. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with clients of residential care facilities for the elderly may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a residential care facility for the elderly.

(a) (1) Before issuing a license to any person or persons to operate or manage a residential care facility for the elderly, the department shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant or any other person specified in subdivision (b) has been convicted of a crime, other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (f).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime

other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (f).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and persons listed in subdivision (b), the department may issue a license if the applicant and each person described by subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1569.50. The department may also suspend the license pending an administrative hearing pursuant to Sections 1569.50 and 1569.51.

(b) In addition to the applicant, the provisions of this section shall apply to criminal convictions of the following persons:

(1) (A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility. Residents of unlicensed independent senior housing facilities that are located in contiguous buildings on the same property as a residential care facility for the elderly shall be exempt from these requirements.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one

copy of his or her current certification, prior to providing care, to the residential care facility for the elderly. The facility shall maintain the copy of the certification on file as long as the care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed residential care facility for the elderly pursuant to Section 1569.58.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in a similar capacity.

(F) Additional officers of the governing body of the applicant or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from requirements applicable under paragraph (1):

(A) A spouse, relative, significant other, or close friend of a client shall be exempt if this person is visiting the client or provides direct care and supervision to that client only.

(B) A volunteer to whom all of the following apply:

(i) The volunteer is at the facility during normal waking hours.

(ii) The volunteer is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(iii) The volunteer spends no more than 16 hours per week at the facility.

(iv) The volunteer does not provide clients with assistance in dressing, grooming, bathing, or personal hygiene.

(v) The volunteer is not left alone with clients in care.

(C) A third-party contractor retained by the facility if the contractor is not left alone with clients in care.

(D) A third-party contractor or other business professional retained by a client and at the facility at the request or by permission of that client. These individuals may not be left alone with other clients.

(E) Licensed or certified medical professionals are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(F) Employees of licensed home health agencies and members of licensed hospice interdisciplinary teams who have contact with a resident of a residential care facility at the request of the resident or resident's legal decisionmaker are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(G) Clergy and other spiritual caregivers who are performing services in common areas of the residential care facility, or who are advising an individual resident at the request of, or with permission of, the resident, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(H) Any person similar to those described in this subdivision, as defined by the department in regulations.

(I) Nothing in this paragraph shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(c) (1) (A) Subsequent to initial licensure, any person required to be fingerprinted pursuant to subdivision (b) shall, as a condition of employment, residence, or presence in a residential facility for the elderly, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit these fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, or to comply with paragraph (1) of subdivision (g) prior to the person's employment, residence, or initial presence in the residential care facility for the elderly.

(B) These fingerprint images and related information shall be electronically transmitted in a manner approved by the State Department of Social Services and the Department of Justice. A

licensee's failure to submit fingerprint images and related information to the Department of Justice, or to comply with paragraph (1) of subdivision (g), as required in this section, shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1569.50. The State Department of Social Services may assess civil penalties for continued violations as permitted by Section 1569.49. The licensee shall then submit these fingerprint images to the State Department of Social Services for processing. Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. The Department of Justice shall notify the department, as required by Section 1522.04, and notify the licensee by mail within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal record. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1569.50. The department may assess civil penalties for continued violations as permitted by Section 1569.49.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in this subdivision. If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date

of receipt of the fingerprint images, notify the licensee that the fingerprint images were illegible.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If the State Department of Social Services determines, on the basis of the fingerprint images submitted to the Department of Justice, that the person has been convicted of a sex offense against a minor, an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee in writing within 15 calendar days of the receipt of the notification from the Department of Justice to act immediately to terminate the person's employment, remove the person from the residential care facility for the elderly, or bar the person from entering the residential care facility for the elderly. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (f). If the conviction was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (1) terminate the person's employment, remove the person from the residential care facility for the elderly, or bar the person from entering the residential care facility for the elderly or (2) seek an exemption pursuant to subdivision (f). The department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered by the department. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of deficiency and an immediate assessment of civil penalties by the department against the licensee, in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1569.50.

(4) The department may issue an exemption on its own motion pursuant to subdivision (f) if the person's criminal history indicates that the person is of good character based on the age, seriousness,

and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (4), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (f). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (4).

(d) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the department is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of the sentence, notwithstanding a subsequent order pursuant to the provisions of Sections 1203.4 and 1203.4a of the Penal Code permitting a person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice or documents admissible in a criminal action pursuant to Section 969b of the Penal Code shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department

investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) After review of the record, the director may grant an exemption from disqualification for a license as specified in paragraphs (1) and (4) of subdivision (a), or for employment, residence, or presence in a residential care facility for the elderly as specified in paragraphs (4), (5), and (6) of subdivision (c) if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of such good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). However, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The director shall notify in writing the licensee or the applicant of his or her decision within 60 days of receipt of all information from the applicant and other sources determined necessary by the director for the rendering of a decision pursuant to this subdivision.

(3) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information

unless the department complies with the requirements of Section 1569.58.

(g) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be submitted in writing to the department, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed stamped envelope for this purpose, the department shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearances to be transferred under this section.

(h) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1569.58, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(i) Notwithstanding any other provision of law, the department may provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in his or her

written request. The department shall retain a copy of the individual's written request and the response and date provided.

SEC. 4. Section 1596.871 of the Health and Safety Code is amended to read:

1596.871. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a child care center or family child care home. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with child day care facility clients may pose a risk to the children's health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a child day care facility.

(a) (1) Before issuing a license or special permit to any person to operate or manage a day care facility, the department shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the department may charge a fee for the fingerprinting of an applicant who will serve six or fewer children or any family day care applicant for a license, or for obtaining a criminal record of an applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant or any other person specified in subdivision (b) has been convicted of a crime, other than a minor traffic violation, the

application shall be denied, unless the director grants an exemption pursuant to subdivision (f).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (f).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and persons listed in subdivision (b), the department may issue a license if the applicant and each person described by subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1596.885. The department may also suspend the license pending an administrative hearing pursuant to Section 1596.886.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a child, residing in the facility.

(C) Any person who provides care and supervision to the children.

(D) Any staff person, volunteer, or employee who has contact with the children.

(i) A volunteer providing time-limited specialized services shall be exempt from the requirements of this subdivision if this person is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption, the volunteer spends no more than 16 hours per week at the facility, and the volunteer is not left alone with children in care.

(ii) A student enrolled or participating at an accredited educational institution shall be exempt from the requirements of this subdivision if the student is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption, the facility has an agreement with the educational institution concerning the placement of the student, the student spends no more than 16 hours per week at the facility, and the student is not left alone with children in care.

(iii) A volunteer who is a relative, legal guardian, or foster parent of a client in the facility shall be exempt from the requirements of this subdivision.

(iv) A contracted repair person retained by the facility, if not left alone with children in care, shall be exempt from the requirements of this subdivision.

(v) Any person similar to those described in this subdivision, as defined by the department in regulations.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer, other person serving in like capacity, or a person designated by the chief executive officer as responsible for the operation of the facility, as designated by the applicant agency.

(F) If the applicant is a local educational agency, the president of the governing board, the school district superintendent, or a person designated to administer the operation of the facility, as designated by the local educational agency.

(G) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the

person's capability to exercise substantial influence over the operation of the facility.

(H) This section does not apply to employees of child care and development programs under contract with the State Department of Education who have completed a criminal record clearance as part of an application to the Commission on Teacher Credentialing, and who possess a current credential or permit issued by the commission, including employees of child care and development programs that serve both children subsidized under, and children not subsidized under, a State Department of Education contract. The Commission on Teacher Credentialing shall notify the department upon revocation of a current credential or permit issued to an employee of a child care and development program under contract with the State Department of Education.

(I) This section does not apply to employees of a child care and development program operated by a school district, county office of education, or community college district under contract with the State Department of Education who have completed a criminal record clearance as a condition of employment. The school district, county office of education, or community college district upon receiving information that the status of an employee's criminal record clearance has changed shall submit that information to the department.

(2) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individuals exempt from the requirements under this subdivision.

(c) (1) (A) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition of employment, residence, or presence in a child day care facility be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal conviction. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the child day care facility.

(B) These fingerprint images for the purpose of obtaining a permanent set of fingerprints shall be electronically submitted to the Department of Justice in a manner approved by the State Department of Social Services and to the Department of Justice,

or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency, and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or Section 1596.886. The State Department of Social Services may assess civil penalties for continued violations permitted by Sections 1596.99 and 1597.62. The fingerprint images and related information shall then be submitted to the department for processing. Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided in this subdivision. If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprint images, notify the licensee that the fingerprints were illegible.

(C) Documentation of the individual's clearance or exemption shall be maintained by the licensee, and shall be available for inspection. When live-scan technology is operational, as defined in Section 1522.04, the Department of Justice shall notify the department, as required by that section, and notify the licensee by mail within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal record. Any violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or Section 1596.886. The department may

assess civil penalties for continued violations, as permitted by Sections 1596.99 and 1597.62.

(2) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the department, on the basis of fingerprints submitted to the Department of Justice, that the person has been convicted of a sex offense against a minor, an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the child day care facility, or bar the person from entering the child day care facility. The department may subsequently grant an exemption pursuant to subdivision (f). If the conviction was for another crime except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (1) terminate the person's employment, remove the person from the child day care facility, or bar the person from entering the child day care facility; or (2) seek an exemption pursuant to subdivision (f). The department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of deficiency and an immediate assessment of civil penalties by the department against the licensee, in the amount of one hundred dollars (\$100) per violation, per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or 1596.886.

(3) The department may issue an exemption on its own motion pursuant to subdivision (f) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(4) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (f). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the department is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may

become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for employment, residence, or presence in a child day care facility as specified in paragraphs (3), (4), and (5) of subdivision (c) if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character so as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). However, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) or (b) of Section 451 of the Penal Code.

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1596.8897.

(g) Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprint images.

(h) (1) For the purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being

transferred to another facility licensed by a state licensing district office. The request shall be in writing to the department, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed stamped envelope for this purpose, the department shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearances to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice, only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department or a county office with department-delegated licensing authority a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(i) Notwithstanding any other provision of law, the department may provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in his or her written request. The department shall retain a copy of the individual's written request and the response and date provided.

The Department of Corrections or other responsible law enforcement agency shall collect additional specimens, samples, and print impressions from these persons as necessary to fulfill the requirements of this chapter, and transmit these specimens, samples, and print impressions to the appropriate agencies of the Department of Justice.
