SENATE BILL

No. 232

Introduced by Senators Ducheny and Florez

February 14, 2007

An act to amend ~~Sections 99201 and~~ *Section* 99206 of the Education Code, relating to instructional strategies.

LEGISLATIVE COUNSEL'S DIGEST

SB 232, as amended, Ducheny. Instructional strategies: subject matter projects.

Existing law provides for the establishment and maintenance of 6 subject matter projects by the Regents of the University of California with the approval of the Concurrence Committee. Existing law provides that these subject matter projects are to create opportunities for researchers, higher education faculty, and elementary and secondary school faculty to work together to identify exemplary teaching practices, examine and develop research on learning, knowledge, and educational materials, and to provide support to teachers to develop and enhance content knowledge and pedagogical skills. Under existing law, these projects become inoperative on June 30, 2007, and are repealed on January 1, 2008.

This bill would ~~add The California Arts Project, the California Foreign Language Project, and the California Physical Education-Health Project to the subject matter projects authorized under existing law. The bill would extend the inoperative date of the projects on which those projects become inoperative to June 30, 2014, and the repeal date to January 1, 2015, thus extending the existence of these programs projects by 7 years.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
