

Introduced by Senator Denham
(Principal coauthor: Assembly Member Caballero)

February 21, 2007

An act relating to water.

LEGISLATIVE COUNSEL'S DIGEST

SB 455, as introduced, Denham. City of Soledad: wastewater treatment plant.

Under existing law, the State Water Resources Control Board and the California regional water quality control boards prescribe waste discharge requirements for publicly owned treatment works and other dischargers in accordance with the federal Clean Water Act and the Porter-Cologne Water Quality Control Act.

This bill would declare legislative intent to enact legislation to provide funds to enable the City of Soledad to continue to treat and dispose of wastewater that is generated by the Salinas Valley State Prison and the city.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to provide adequate funds to address the waste discharge
- 3 requirements that apply to the wastewater treatment plant operated
- 4 by the City of Soledad. It is the intent of the Legislature to enact
- 5 legislation to provide these funds to enable the city to continue to

- 1 treat and dispose of the wastewater that is generated by the Salinas
- 2 Valley State Prison and the city.
