AMENDED IN ASSEMBLY APRIL 16, 2009

AMENDED IN ASSEMBLY APRIL 13, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 254

Introduced by Assembly Member Jeffries
(Coauthor: Assembly Member Bill Berryhill)
(Coauthors: Senators Cox and Runner)

February 11, 2009

An act to amend Section 23301 of, and to add Section 23301.5 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 254, as amended, Jeffries. Emergency vehicles: payment of tolls: exemptions.

~~Under~~

(1) *Under* existing law, a vehicle that enters into or upon a vehicular crossing immediately becomes liable for tolls and other charges prescribed by the California Transportation Commission.

Under existing law, it is unlawful to refuse to pay, or to evade or attempt to evade the payment of, tolls or other charges on any vehicular crossing, as defined, or toll highway. *A violation of those provisions is a crime.*

This bill would exempt authorized emergency vehicles, as defined, from payment of a toll or charge on a vehicular crossing or toll highway, or high-occupancy toll (HOT) lane and any related fines, under specified

conditions, including, but not limited to, when the vehicle is being driven while responding to or returning from an urgent or emergency call, ~~participating~~ engaged in an urgent or emergency response, or engaging in a fire station coverage assignment directly related to an emergency response.

The bill would require, upon information and belief of the toll operator that an authorized emergency vehicle is not in compliance with these provisions, the fire chief, police chief, county sheriff, head of the public agency, or his or her designee, upon the written request of the owner or operator of the toll facility, to provide or otherwise make accessible to the toll operator the dispatch records or log books relevant to the time period when the vehicle was in use on the toll highway or vehicular crossing. By imposing new duties on local entities, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 23301 of the Vehicle Code is amended
- 2 to read:
- 3 23301. Except as provided in Section 23301.5, each vehicle
- 4 that enters into or upon a vehicular crossing immediately becomes
- 5 liable for those tolls and other charges as may from time to time
- 6 be prescribed by the California Transportation Commission.
- 7 SEC. 2. Section 23301.5 is added to the Vehicle Code, to read:
- 8 23301.5. (a) An authorized emergency vehicle is exempt from
- 9 any requirement to pay a toll or other charge on a vehicular
- 10 crossing ~~or~~, toll highway, or high-occupancy toll (HOT) lane,

1 including the requirements of Section 23301, if all of the following
2 conditions are satisfied:

3 (1) The authorized emergency vehicle is properly displaying an
4 exempt California license plate, and is properly identified or
5 marked as an authorized emergency vehicle, including, but not
6 limited to, displaying an external surface-mounted red warning
7 light, blue warning light, or both, and displaying public agency
8 identification, including, but not limited to, “Fire Department,”
9 “Sheriff,” or “Police.”

10 (2) (A) The vehicle is being driven while responding to or
11 returning from an urgent or emergency call, ~~participating~~ *engaged*
12 in an urgent or emergency response, or engaging in a fire station
13 coverage assignment directly related to an emergency response.

14 (B) *For purposes of this paragraph, an “urgent” response or*
15 *call means an incident or circumstance that requires an immediate*
16 *response to a public safety-related incident, but does not warrant*
17 *the use of emergency warning lights. “Urgent” does not include*
18 *any personal use, commuting, training, or administrative uses.*

19 (3) The driver of the vehicle determines that the use of the toll
20 facility shall likely improve the availability or response and arrival
21 time of the authorized emergency vehicle and its delivery of
22 essential public safety services.

23 (b) If the operator of a toll facility elects to send a bill or invoice
24 to the public agency for the use of the toll facility by an authorized
25 emergency vehicle, exempt pursuant to subdivision (a), the fire
26 chief, police chief, county sheriff, head of the public agency, or
27 his or her designee, is authorized to certify in writing that the
28 authorized emergency vehicle *was responding to or returning from*
29 *an emergency call or response and is exempt from the payment*
30 *of the toll or other charge in accordance with this section. The*
31 *letter shall be accepted by the toll operator in lieu of payment and*
32 *is a public document.*

33 ~~(e) This section shall not prohibit a toll operator and a local~~
34 ~~emergency service provider from entering into an agreement, or~~
35 ~~a toll operator, from having a policy, that meets or exceeds the~~
36 ~~conditions of this section.~~

37 (c) *An authorized emergency vehicle that does not comply with*
38 *this section is not exempt from the requirement to pay a toll or*
39 *other charge on a toll highway, vehicular crossing, or*
40 *high-occupancy (HOT) lane. Upon information and belief of the*

1 toll operator that an authorized emergency vehicle is not in
2 compliance with this section, the fire chief, police chief, county
3 sheriff, head of the public agency, or his or her designee, upon the
4 written request of the owner or operator of the toll facility, shall
5 provide or otherwise make accessible to the toll operator the
6 dispatch records or log books relevant to the time period when
7 the vehicle was in use on the toll highway, vehicular crossing, or
8 high-occupancy (HOT) lane.

9 (d) Nothing in this section shall prohibit or amend an agreement
10 entered into between the owner or operator of a toll facility and
11 a local emergency service provider that establishes mutually
12 agreed upon terms for the use of the toll facility by the emergency
13 services provider. This section shall not prohibit the owner or
14 operator of a toll facility from having a policy that meets or exceeds
15 this section. If at any time an emergency service provider or the
16 owner or operator of a toll facility opts to terminate an agreement
17 regarding the payment and processing of tolls or other charges,
18 this section shall apply to the emergency service provider and the
19 toll facility. An agreement between an emergency service provider
20 and the owner or operator of a toll facility does not exempt other
21 emergency service providers not named in the original agreement
22 and the toll facility from the requirements of this section when
23 those other emergency service providers use a toll facility in the
24 jurisdiction of the owner or operator of the toll facility.

25 ~~(d)~~

26 (e) Sections 23302 and 23302.5 do not apply to authorized
27 emergency vehicles exempt pursuant to this section.

28 (f) As used in this section, "toll facility" includes a toll road,
29 high-occupancy toll (HOT) lane, toll bridge, toll highway, a
30 vehicular crossing for which payment of a toll or charge is
31 required, or any other toll facility.

32 SEC. 3. No reimbursement is required by this act pursuant to
33 Section 6 of Article XIII B of the California Constitution for certain
34 costs that may be incurred by a local agency or school district
35 because, in that regard, this act creates a new crime or infraction,
36 eliminates a crime or infraction, or changes the penalty for a crime
37 or infraction, within the meaning of Section 17556 of the
38 Government Code, or changes the definition of a crime within the
39 meaning of Section 6 of Article XIII B of the California
40 Constitution.

1 *However, if the Commission on State Mandates determines that*
2 *this act contains other costs mandated by the state, reimbursement*
3 *to local agencies and school districts for those costs shall be made*
4 *pursuant to Part 7 (commencing with Section 17500) of Division*
5 *4 of Title 2 of the Government Code.*
