[Approved by Governor August 5, 2009. Filed with

#### LEGISLATIVE COUNSEL'S DIGEST

AB 767, Ammiano. Housing and Emergency Shelter Trust Fund of 2006: reversion of funds.

The Housing and Emergency Shelter Trust Fund Act of 2006 authorizes the issuance of bonds in the amount of \$2,850,000,000 pursuant to the State General Obligation Bond Law. One billion five hundred million dollars of proceeds from the sale of these bonds is required to be deposited in the Affordable Housing Account and a specified amount of money in the account are to be transferred to the Housing Rehabilitation Loan Fund, expended under the Multifamily Housing Program, and the Building Equity and Growth in Neighborhoods Fund, to be used for the Building Equity and Growth in Neighborhoods Program. Existing law requires that any funds not encumbered for these purposes within 30 months of availability revert for general use in the Multifamily Housing Program and CalHome Program, respectively.

This bill would require that funds transferred to the Housing Rehabilitation Loan Fund that are not encumbered by July 31, 2011, revert for general use unless the Department of Housing and Community Development determines that the funds should revert sooner due to diminished demand. The bill would also require that funds transferred to the Building Equity and Growth in Neighborhoods Fund that are not encumbered by November 17, 2011, revert for general use unless the department determines that the funds should revert sooner due to diminished demand.

This bill would declare that it is to take effect immediately as an urgency statute.

*The people of the State of California do enact as follows:*

SECTION 1. Section 53545 of the Health and Safety Code is amended to read:

53545. The Housing and Emergency Shelter Trust Fund of 2006 is hereby created in the State Treasury. The Legislature intends that the proceeds of bonds deposited in the fund shall be used to fund the housing-related programs described in this chapter over the course of the

next decade. The proceeds of bonds issued and sold pursuant to this part for the purposes specified in this chapter shall be allocated in the following manner:

(a) (1) One billion five hundred million dollars (\$1,500,000,000) to be deposited in the Affordable Housing Account, which is hereby created in the fund. Notwithstanding Section 13340 of the Government Code, the money in the account shall be continuously appropriated in accordance with the following schedule:

(A) (i) Three hundred forty-five million dollars (\$345,000,000) shall be transferred to the Housing Rehabilitation Loan Fund to be expended for the Multifamily Housing Program authorized by Chapter 6.7 (commencing with Section 50675) of Part 2. The priorities specified in Section 50675.13 shall apply to the expenditure of funds pursuant to this clause.

(ii) Fifty million dollars (\$50,000,000) shall be transferred to the Housing Rehabilitation Loan Fund to be expended under the Multifamily Housing Program authorized by Chapter 6.7 (commencing with Section 50675) of Part 2 for housing meeting the definitions in paragraphs (2) and (3) of subdivision (e) of Section 11139.3 of the Government Code. The department may provide higher per-unit loan limits as necessary to achieve affordable housing costs to the target population. Any funds not encumbered for the purposes of this clause by July 31, 2011, shall revert for general use in the Multifamily Housing Program unless the department determines that funds should revert sooner due to diminished demand.

(B) One hundred ninety-five million dollars (\$195,000,000) shall be transferred to the Housing Rehabilitation Loan Fund to be expended for the Multifamily Housing Program authorized by Chapter 6.7 (commencing with Section 50675) of Part 2, to be used for supportive housing for individuals and households moving from emergency shelters or transitional housing or those at risk of homelessness. The Department of Housing and Community Development shall provide for higher per-unit loan limits as reasonably necessary to achieve housing costs affordable to those individuals and households. For purposes of this subparagraph, “supportive housing” means housing with no limit on length of stay, that is occupied by the target population, as defined in subdivision (d) of Section 53260, and that is linked to onsite or offsite services that assist the tenant to retain the housing, improve his or her health status, maximize his or her ability to live, and, when possible, work in the community. The criteria for selecting projects shall give priority to:

(i) Supportive housing for people with disabilities who would otherwise be at high risk of homelessness where the applications represent collaboration with programs that meet the needs of the person’s disabilities.

(ii) Projects that demonstrate funding commitments from local governments for operating subsidies or services funding, or both, for five years or longer.

(C) One hundred thirty-five million dollars (\$135,000,000) shall be transferred to the fund created by subdivision (b) of Section 50517.5 to be

(D) Three hundred million dollars (\$300,000,000) shall be transferred to the Self-Help Housing Fund created by Section 50697.1. These funds shall be available to the Department of Housing and Community Development, to be expended for the purposes of enabling households to become or remain homeowners pursuant to the CalHome Program authorized by Chapter 6 (commencing with Section 50650) of Part 2, except ten million dollars (\$10,000,000) shall be expended for construction management under the California Self-Help Housing Program pursuant to subdivision (b) of Section 50696.

These funds shall be available to the California Housing Finance Agency, to be expended for the purposes of the California Homebuyer's Downpayment Assistance Program authorized by Chapter 11 (commencing with Section 51500) of Part 3. Up to one hundred million dollars (\$100,000,000) of these funds may be expended pursuant to subdivision (b) of Section 51504.

(F) One hundred million dollars (\$100,000,000) shall be transferred to the Affordable Housing Innovation Fund, which is hereby created in the State Treasury, to be administered by the Department of Housing and Community Development. Funds shall be expended for competitive grants or loans to sponsoring entities that develop, own, lend, or invest in affordable housing and used to create pilot programs to demonstrate innovative, cost-saving approaches to creating or preserving affordable housing. Specific criteria establishing eligibility for and use of the funds shall be established in statute as approved by a  $\frac{2}{3}$  vote of each house of the Legislature. Any funds not encumbered for the purposes set forth in this subparagraph within 30 months of availability shall revert to the Self-Help Housing Fund created by Section 50697.1 and shall be available for the purposes described in subparagraph (D).

(G) One hundred twenty-five million dollars (\$125,000,000) shall be transferred to the Building Equity and Growth in Neighborhoods Fund to be used for the Building Equity and Growth in Neighborhoods (BEGIN) Program pursuant to Chapter 14.5 (commencing with Section 50860) of Part 1. Any funds not encumbered for the purposes set forth in this subparagraph by November 17, 2011, shall revert for general use in the CalHome Program unless the department determines that funds should revert sooner due to diminished demand.

in that item shall not apply. The competitive system used by the department shall incorporate priorities set by the designated local boards and their input as to the relative merits of submitted applications from within the designated local board's county in relation to those priorities. In addition, the funding limitations contained in this section shall not apply to the appropriation in that budget item.

(3) The Bureau of State Audits shall conduct periodic audits to ensure that bond proceeds are awarded in a timely fashion and in a manner consistent with the requirements of this subdivision, and that awardees of bond proceeds are using funds in compliance with applicable provisions of this subdivision. The first audit shall be conducted no later than one year from voter approval of this part.

(4) In its annual report to the Legislature, the Department of Housing and Community Development shall report how funds that were made available pursuant to this subdivision and allocated in the prior year were expended. The department shall make the report available to the public on its Internet Web site.
