## CHAPTER \_\_\_\_\_

An act to add Section 23394.7 to the Business and Professions Code, relating to alcoholic beverages.

## LEGISLATIVE COUNSEL'S DIGEST

AB 1060, De La Torre. Alcoholic beverage licenses: self-service checkouts.

The Alcoholic Beverage Control Act, administered by the Department of Alcoholic Beverage Control, regulates the sale and distribution of alcoholic beverages and the granting of licenses for the manufacture, distribution, and sale of alcoholic beverages within the state.

This bill would prohibit off-sale licensees from selling alcoholic beverages using a self-service checkout system. This bill makes findings and declarations regarding the effects of allowing alcoholic beverages to be sold using self-service checkouts.

The Alcoholic Beverage Control Act provides that a violation of any of its provisions for which another penalty or punishment is not specifically provided is a misdemeanor. This bill would expand existing crimes by imposing additional duties on a licensee under the act, thus, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

SECTION 1. The Legislature finds and declares that allowing customers to purchase alcoholic beverages through self-service checkouts:

- (a) Facilitates the purchase of alcoholic beverages by minors.

(b) Permits customers who are in an advanced state of intoxication to purchase additional alcoholic beverages, in violation of state law.

(c) Allows for greater theft of alcoholic beverages, thereby depriving the state of tax revenues.

SEC. 2. Section 23394.7 is added to the Business and Professions Code, to read:

23394.7. (a) No privileges under an off-sale license shall be exercised by the licensee at any checkstand, where the customer is able to scan and purchase alcoholic beverages using a point-of-sale system with limited or no assistance from an employee of the licensee.

(b) For purposes of this section, “point-of-sale” system means any computer or electronic system used by a retail establishment such as, but not limited to, Universal Product Code scanners, price lookup codes, or an electronic price lookup system as a means for determining the price of the item being purchased by a consumer.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
