LEGISLATIVE COUNSEL'S DIGEST

SB 174, Strickland. Public safety and welfare.

Existing law provides that a person shall not engage in specified transactions relating to explosives without having received a permit from the appropriate issuing authority. Existing law forbids the authority to inquire with the Department of Justice for a determination of whether the applicant meets specified criteria and should be granted or denied a permit. Existing law forbids the department to disclose the contents of a person's records to any unauthorized person.

This bill would provide that if an applicant becomes ineligible to hold a permit, the Department of Justice shall provide to the issuing authority any subsequent arrest and conviction information supporting that ineligibility.

Existing law, the Sex Offender Registration Act, provides that every person who is required to register as a sex offender who is living as a transient is required to register for the rest of his or her life, as specified. Any person required to register under the act who willfully violates any requirement of the act is guilty of a misdemeanor or a felony, as specified.

This bill would provide that if a transient convicted as a sex offender in another jurisdiction enters the state, he or she shall register within 5 working days of coming into California with the chief of police of the city in which he or she is present or the sheriff of the county if he or she is present in an unincorporated area or city that has no police department. This bill would impose a state-mandated program on local government by expanding the scope of an existing crime and requiring additional administration by local agencies.

Existing law requires the Department of Justice to make reports to the Legislature regarding specified provisions of the Sex Offender Registration Act.

This bill would delete those reporting provisions.

Existing law specifies persons who are peace officers whose authority extends to any place in the state.

This bill would state that the Chief Assistant Inspector General, Deputy Inspector General In Charge, Senior Assistant Inspector General, and Special Assistant Inspector General are included within the group of persons who are peace officers whose authority extends to any place in the state.

Existing law includes a county jail within the term “treatment facility” for purposes of administering antipsychotic medication pursuant to a court order, as specified. Under existing law, that provision is repealed as of January 1, 2010, unless another statute deletes or extends that date.

This bill would extend that repeal date to January 1, 2015.

Existing law establishes the Office of the Inspector General for the purpose of conducting audits and investigations of the Department of Corrections and Rehabilitation, as specified. Under existing law, the Department of Corrections and Rehabilitation is required to establish a certification program for investigators under the jurisdiction of the Inspector General, in consultation with the Commission on Correctional Peace Officer Standards and Training and the Inspector General, as specified. Existing law generally regulates the employment requirements and training requirements for investigators under the jurisdiction of the Office of the Inspector General.

This bill would, instead, require the Inspector General to establish a certification program for peace officers under the jurisdiction of the Inspector General. This bill would require that the peace officer training course shall be consistent with the standard course used by the Commission on Peace Officer Standards and Training, as specified. This bill would also require peace officers under the jurisdiction of the Inspector General who conduct investigations for the Inspector General to complete an investigation training consistent with standard courses used by other major law enforcement investigative offices, as specified. This bill would require all peace officers under the jurisdiction of the Inspector General to successfully pass a psychological screening exam before becoming employed with the Office of the Inspector General, as specified.

Existing law excludes certain books, papers, records, and correspondence of the Office of the Inspector General from disclosure requirements for public records. Existing law also excludes those books, papers, records, and correspondence from the requirements of certain civil subpoenas, as specified.

This bill would, in addition, exclude any papers, correspondence, memoranda, electronic communications, or other documents pertaining to contemporaneous public oversight by the Inspector General from those requirements. This bill would also exclude all of the specified books, papers, records, and correspondence from the disclosure requirements relating to proceedings relating to an adverse action taken against a state civil servant, as specified.

This bill would also make various technical, nonsubstantive, and clarifying changes to provisions related to the Office of the Inspector General, as specified.

Existing law requires a person applying to be a fingerprint roller to have his or her application notarized.

This bill would delete this requirement.

Existing law requires the Department of Justice to provide to the Governor a printed annual report containing criminal statistics, as specified.

This bill would delete the requirement that the report be printed.

Existing law authorizes a person to make a deposit and declare his or her intent to plead not guilty to an infraction for which the person has received a written notice to appear, as specified.

This bill would state that a deposit of bail made pursuant to that provision does not constitute entry of a plea or a court appearance and that the plea must be made in court at the time of arraignment.

This bill would also make various technical, nonsubstantive, and clarifying changes to provisions related to, among other things, junk dealers, real estate fraud, sex offenders and their victims, criminal offender records and juvenile police records, and weapons.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

SECTION 1. Section 21606.5 of the Business and Professions Code is amended to read:

21606.5. Every junk dealer or recycler shall, during normal business hours, allow periodic inspection of any premises maintained and any junk thereon for the purpose of determining compliance with the recordkeeping requirements of this article, and shall during those hours produce his or her records of sales and purchases, except as provided in subparagraph (B) of paragraph (6) of subdivision (a) of Section 21608.5, and all property purchased incident to those transactions which is in the possession of the junk dealer or recycler for inspection by any of the following persons:

(a) An officer holding a warrant authorizing him or her to search for personal property.

(b) A person appointed by the sheriff of a county or appointed by the head of the police department of a city.

(c) An officer holding a court order directing him or her to examine the records or property.

(d) The amendments to this section made by the act adding this subdivision shall become operative on December 1, 2008.

SEC. 2. Section 1670.7 of the Civil Code is amended to read:

1670.7. Any provision of a contract that purports to allow a deduction from a person's wages for the cost of emigrating and transporting that person to the United States is void as against public policy.

SEC. 3. Section 1219 of the Code of Civil Procedure is amended to read:

1219. (a) Except as provided in subdivision (b), when the contempt consists of the omission to perform an act which is yet in the power of the person to perform, he or she may be imprisoned until he or she has performed it, and in that case the act shall be specified in the warrant of commitment.

(b) Notwithstanding any other law, no court may imprison or otherwise confine or place in custody the victim of a sexual assault or domestic violence crime for contempt when the contempt consists of refusing to testify concerning that sexual assault or domestic violence crime.

(c) As used in this section, the following terms have the following meanings:

(1) "Sexual assault" means any act made punishable by Section 261, 262, 264.1, 285, 286, 288, 288a, or 289 of the Penal Code.

(2) "Domestic violence" means "domestic violence" as defined in Section 6211 of the Family Code.

SEC. 4. Section 27388 of the Government Code is amended to read:

27388. (a) In addition to any other recording fees specified in this code, upon the adoption of a resolution by the county board of supervisors, a fee of up to three dollars (\$3) shall be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded within that county, except those expressly exempted from payment of recording fees. "Real estate instrument" is defined for the purpose of this section as a deed of trust, an assignment of deed of trust, a reconveyance, a request for notice, a notice of default, a substitution of trustee, a notice of trustee sale, and a notice of rescission of declaration of default. "Real estate instrument" does not include any deed, instrument, or writing subject to the imposition of a documentary transfer tax as defined in Section 11911 of the Revenue and Taxation Code, nor any document required to facilitate the transfer subject to the documentary transfer tax. The fees, after deduction of any actual and necessary administrative costs incurred by the county in carrying out this section, shall be paid quarterly to the county auditor or director of finance, to be placed in the Real Estate Fraud Prosecution Trust Fund. The amount deducted for administrative costs shall not exceed 10 percent of the fees paid pursuant to this section.

(b) Money placed in the Real Estate Fraud Prosecution Trust Fund shall be expended to fund programs to enhance the capacity of local police and prosecutors to deter, investigate, and prosecute real estate fraud crimes. After deduction of the actual and necessary administrative costs referred to in subdivision (a), 60 percent of the funds shall be distributed to district

attorneys subject to review pursuant to subdivision (d), and 40 percent of the funds shall be distributed to local law enforcement agencies within the county in accordance with subdivision (c). In those counties where the investigation of real estate fraud is done exclusively by the district attorney, after deduction of the actual and necessary administrative costs referred to in subdivision (a), 100 percent of the funds shall be distributed to the district attorney, subject to review pursuant to subdivision (d). The funds so distributed shall be expended for the exclusive purpose of deterring, investigating, and prosecuting real estate fraud crimes.

(c) The county auditor or director of finance shall distribute funds in the Real Estate Fraud Prosecution Trust Fund to eligible law enforcement agencies within the county pursuant to subdivision (b), as determined by a Real Estate Fraud Prosecution Trust Fund Committee composed of the district attorney, the county chief administrative officer, the chief officer responsible for consumer protection within the county, and the chief law enforcement officer of one law enforcement agency receiving funding from the Real Estate Fraud Prosecution Trust Fund, the latter being selected by a majority of the other three members of the committee. The chief law enforcement officer shall be a nonvoting member of the committee and shall serve a one-year term, which may be renewed. Members may appoint representatives of their offices to serve on the committee. If a county lacks a chief officer responsible for consumer protection, the county board of supervisors may appoint an appropriate representative to serve on the committee. The committee shall establish and publish deadlines and written procedures for local law enforcement agencies within the county to apply for the use of funds and shall review applications and make determinations by majority vote as to the award of funds using the following criteria:

(1) Each law enforcement agency that seeks funds shall submit a written application to the committee setting forth in detail the agency's proposed use of the funds.

(2) In order to qualify for receipt of funds, each law enforcement agency submitting an application shall provide written evidence that the agency either:

(A) Has a unit, division, or section devoted to the investigation or prosecution of real estate fraud, or both, and the unit, division, or section has been in existence for at least one year prior to the application date.

(B) Has on a regular basis, during the three years immediately preceding the application date, accepted for investigation or prosecution, or both, and assigned to specific persons employed by the agency, cases of suspected real estate fraud, and actively investigated and prosecuted those cases.

(3) The committee's determination to award funds to a law enforcement agency shall be based on, but not be limited to, (A) the number of real estate fraud cases filed in the prior year; (B) the number of real estate fraud cases investigated in the prior year; (C) the number of victims involved in the cases filed; and (D) the total aggregated monetary loss suffered by victims, including individuals, associations, institutions, or corporations, as a result

of the real estate fraud cases filed, and those under active investigation by that law enforcement agency.

(4) Each law enforcement agency that, pursuant to this section, has been awarded funds in the previous year, upon reapplication for funds to the committee in each successive year, in addition to any information the committee may require in paragraph (3), shall be required to submit a detailed accounting of funds received and expended in the prior year. The accounting shall include (A) the amount of funds received and expended; (B) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (C) the number of filed complaints, investigations, arrests, and convictions that resulted from the expenditure of the funds; and (D) other relevant information the committee may reasonably require.

(d) The county board of supervisors shall annually review the effectiveness of the district attorney in deterring, investigating, and prosecuting real estate fraud crimes based upon information provided by the district attorney in an annual report. The district attorney shall submit the annual report to the board and to the Legislative Analyst's Office on or before September 1 of each year. The Legislative Analyst's Office shall compile the results and report to the Legislature, detailing both:

(1) Facts, based upon, but not limited to, (A) the number of real estate fraud cases filed in the prior year; (B) the number of real estate fraud cases investigated in the prior year; (C) the number of victims involved in the cases filed; (D) the number of convictions obtained in the prior year; and (E) the total aggregated monetary loss suffered by victims, including individuals, associations, institutions, corporations, and other relevant public entities, according to the number of cases filed, investigations, prosecutions, and convictions obtained.

(2) An accounting of funds received and expended in the prior year, which shall include (A) the amount of funds received and expended; (B) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (C) the number of filed complaints, investigations, prosecutions, and convictions that resulted from the expenditure of funds; and (D) other relevant information provided at the discretion of the district attorney.

(e) A county in which a district attorney fails to submit an annual report to the Legislative Analyst's Office pursuant to the requirements of subdivision (d) shall not expend funds held in that county's Real Estate Fraud Prosecution Trust Fund until the district attorney has submitted an annual report for the county's most recent full fiscal year.

(f) Annual reports submitted to the Legislative Analyst's Office pursuant to subdivision (d) shall be made in a standard form and manner determined by the Legislative Analyst's Office, in consultation with participating law enforcement agencies.

(g) The intent of the Legislature in enacting this section is to have an impact on real estate fraud involving the largest number of victims. To the extent possible, an emphasis should be placed on fraud against individuals

whose residences are in danger of, or are in, foreclosure as defined in subdivision (b) of Section 1695.1 of the Civil Code. Case filing decisions continue to be at the discretion of the prosecutor.

(h) A district attorney's office or a local enforcement agency that has undertaken investigations and prosecutions that will continue into a subsequent program year may receive nonexpended funds from the previous fiscal year subsequent to the annual submission of information detailing the accounting of funds received and expended in the prior year.

(i) No money collected pursuant to this section shall be expended to offset a reduction in any other source of funds. Funds from the Real Estate Fraud Prosecution Trust Fund shall be used only in connection with criminal investigations or prosecutions involving recorded real estate documents.

SEC. 5. Section 12101 of the Health and Safety Code is amended to read:

12101. (a) No person shall do any one of the following without first having made application for and received a permit in accordance with this section:

- (1) Manufacture explosives.
- (2) Sell, furnish, or give away explosives.
- (3) Receive, store, or possess explosives.
- (4) Transport explosives.
- (5) Use explosives.
- (6) Operate a terminal for handling explosives.
- (7) Park or leave standing any vehicle carrying explosives, except when parked or left standing in or at a safe stopping place designated as such by the Department of the California Highway Patrol under Division 14 (commencing with Section 31600) of the Vehicle Code.

(b) Application for a permit shall be made to the appropriate issuing authority.

(c) (1) A permit shall be obtained from the issuing authority having the responsibility in the area where the activity, as specified in subdivision (a), is to be conducted.

(2) If the person holding a valid permit for the use or storage of explosives desires to purchase or receive explosives in a jurisdiction other than that of intended use or storage, the person shall first present the permit to the issuing authority in the jurisdiction of purchase or receipt for endorsement. The issuing authority may include any reasonable restrictions or conditions which the authority finds necessary for the prevention of fire and explosion, the preservation of life, safety, or the control and security of explosives within the authority's jurisdiction. If, for any reason, the issuing authority refuses to endorse the permit previously issued in the area of intended use or storage, the authority shall immediately notify both the issuing authority who issued the permit and the Department of Justice of the fact of the refusal and the reasons for the refusal.

(3) Every person who sells, gives away, delivers, or otherwise disposes of explosives to another person shall first be satisfied that the person receiving the explosives has a permit valid for that purpose. When the permit

to receive explosives indicates that the intended storage or use of the explosives is other than in that area in which the permittee receives the explosives, the person who sells, gives away, delivers, or otherwise disposes of the explosives shall ensure that the permit has been properly endorsed by a local issuing authority and, further, shall immediately send a copy of the record of sale to the issuing authority who originally issued the permit in the area of intended storage or use. The issuing authority in the area in which the explosives are received or sold shall not issue a permit for the possession, use, or storage of explosives in an area not within the authority's jurisdiction.

(d) In the event any person desires to receive explosives for use in an area outside of this state, a permit to receive the explosives shall be obtained from the State Fire Marshal.

(e) A permit may include any restrictions or conditions which the issuing authority finds necessary for the prevention of fire and explosion, the preservation of life, safety, or the control and security of explosives.

(f) A permit shall remain valid only until the time when the act or acts authorized by the permit are performed, but in no event shall the permit remain valid for a period longer than one year from the date of issuance of the permit.

(g) Any valid permit which authorizes the performance of any act shall not constitute authorization for the performance of any act not stipulated in the permit.

(h) An issuing authority shall not issue a permit authorizing the transportation of explosives pursuant to this section if the display of placards for that transportation is required by Section 27903 of the Vehicle Code, unless the driver possesses a license for the transportation of hazardous materials issued pursuant to Division 14.1 (commencing with Section 32000) of the Vehicle Code, or the explosives are a hazardous waste or extremely hazardous waste, as defined in Sections 25117 and 25115 of the Health and Safety Code, and the transporter is currently registered as a hazardous waste hauler pursuant to Section 25163 of the Health and Safety Code.

(i) An issuing authority shall not issue a permit pursuant to this section authorizing the handling or storage of division 1.1, 1.2, or 1.3 explosives in a building, unless the building has caution placards which meet the standards established pursuant to subdivision (g) of Section 12081.

(j) (1) A permit shall not be issued to a person who meets any of the following criteria:

(A) He or she has been convicted of a felony.

(B) He or she is addicted to a narcotic drug.

(C) He or she is in a class prohibited by state or federal law from possessing, receiving, owning, or purchasing a firearm.

(2) For purposes of determining whether a person meets any of the criteria set forth in this subdivision, the issuing authority shall obtain two sets of fingerprints on prescribed cards from all persons applying for a permit under this section and shall submit these cards to the Department of Justice. The Department of Justice shall utilize the fingerprint cards to make inquiries

both within this state and to the Federal Bureau of Investigation regarding the criminal history of the applicant identified on the fingerprint card.

This paragraph does not apply to any person possessing a current certificate of eligibility issued pursuant to paragraph (4) of subdivision (a) of Section 12071 or to any holder of a dangerous weapons permit or license issued pursuant to Section 12095, 12230, 12250, 12286, or 12305 of the Penal Code.

(k) An issuing authority shall inquire with the Department of Justice for the purposes of determining whether a person who is applying for a permit meets any of the criteria specified in subdivision (j). The Department of Justice shall determine whether a person who is applying for a permit meets any of the criteria specified in subdivision (j) and shall either grant or deny clearance for a permit to be issued pursuant to the determination. The Department of Justice shall not disclose the contents of a person's records to any person who is not authorized to receive the information in order to ensure confidentiality. If an applicant becomes ineligible to hold a permit, the Department of Justice shall provide to the issuing authority any subsequent arrest and conviction information supporting that ineligibility.

SEC. 6. Section 290.011 of the Penal Code is amended to read:

290.011. Every person who is required to register pursuant to the Act who is living as a transient shall be required to register for the rest of his or her life as follows:

(a) He or she shall register, or reregister if the person has previously registered, within five working days from release from incarceration, placement or commitment, or release on probation, pursuant to subdivision (b) of Section 290, except that if the person previously registered as a transient less than 30 days from the date of his or her release from incarceration, he or she does not need to reregister as a transient until his or her next required 30-day update of registration. If a transient convicted in another jurisdiction enters the state, he or she shall register within five working days of coming into California with the chief of police of the city in which he or she is present or the sheriff of the county if he or she is present in an unincorporated area or city that has no police department. If a transient is not physically present in any one jurisdiction for five consecutive working days, he or she shall register in the jurisdiction in which he or she is physically present on the fifth working day following release, pursuant to subdivision (b) of Section 290. Beginning on or before the 30th day following initial registration upon release, a transient shall reregister no less than once every 30 days thereafter. A transient shall register with the chief of police of the city in which he or she is physically present within that 30-day period, or the sheriff of the county if he or she is physically present in an unincorporated area or city that has no police department, and additionally, with the chief of police of a campus of the University of California, the California State University, or community college if he or she is physically present upon the campus or in any of its facilities. A transient shall reregister no less than once every 30 days regardless of the length of time he or she has been physically present in the particular

jurisdiction in which he or she reregisters. If a transient fails to reregister within any 30-day period, he or she may be prosecuted in any jurisdiction in which he or she is physically present.

(b) A transient who moves to a residence shall have five working days within which to register at that address, in accordance with subdivision (b) of Section 290. A person registered at a residence address in accordance with that provision who becomes transient shall have five working days within which to reregister as a transient in accordance with subdivision (a).

(c) Beginning on his or her first birthday following registration, a transient shall register annually, within five working days of his or her birthday, to update his or her registration with the entities described in subdivision (a). A transient shall register in whichever jurisdiction he or she is physically present on that date. At the 30-day updates and the annual update, a transient shall provide current information as required on the Department of Justice annual update form, including the information described in paragraphs (1) to (3), inclusive of subdivision (a) of Section 290.015, and the information specified in subdivision (d).

(d) A transient shall, upon registration and reregistration, provide current information as required on the Department of Justice registration forms, and shall also list the places where he or she sleeps, eats, works, frequents, and engages in leisure activities. If a transient changes or adds to the places listed on the form during the 30-day period, he or she does not need to report the new place or places until the next required reregistration.

(e) Failure to comply with the requirement of reregistering every 30 days following initial registration pursuant to subdivision (a) shall be punished in accordance with subdivision (g) of Section 290.018. Failure to comply with any other requirement of this section shall be punished in accordance with either subdivision (a) or (b) of Section 290.018.

(f) A transient who moves out of state shall inform, in person, the chief of police in the city in which he or she is physically present, or the sheriff of the county if he or she is physically present in an unincorporated area or city that has no police department, within five working days, of his or her move out of state. The transient shall inform that registering agency of his or her planned destination, residence or transient location out of state, and any plans he or she has to return to California, if known. The law enforcement agency shall, within three days after receipt of this information, forward a copy of the change of location information to the Department of Justice. The department shall forward appropriate registration data to the law enforcement agency having local jurisdiction of the new place of residence or location.

(g) For purposes of the act, “transient” means a person who has no residence. “Residence” means one or more addresses at which a person regularly resides, regardless of the number of days or nights spent there, such as a shelter or structure that can be located by a street address, including, but not limited to, houses, apartment buildings, motels, hotels, homeless shelters, and recreational and other vehicles.

(h) The transient registrant's duty to update his or her registration no less than every 30 days shall begin with his or her second transient update following the date this section became effective.

SEC. 7. Section 290.4 of the Penal Code is amended to read:

290.4. (a) The department shall operate a service through which members of the public may provide a list of at least six persons on a form approved by the Department of Justice and inquire whether any of those persons is required to register as a sex offender and is subject to public notification. The Department of Justice shall respond with information on any person as to whom information may be available to the public via the Internet Web site as provided in Section 290.46, to the extent that information may be disclosed pursuant to Section 290.46. The Department of Justice may establish a fee for requests, including all actual and reasonable costs associated with the service.

(b) The income from the operation of the service specified in subdivision (a) shall be deposited in the Sexual Predator Public Information Account within the Department of Justice for the purpose of the implementation of this section by the Department of Justice.

The moneys in the account shall consist of income from the operation of the service authorized by subdivision (a), and any other funds made available to the account by the Legislature. Moneys in the account shall be available to the Department of Justice upon appropriation by the Legislature for the purpose specified in subdivision (a).

(c) (1) Any person who uses information disclosed pursuant to this section to commit a felony shall be punished, in addition and consecutive to, any other punishment, by a five-year term of imprisonment in the state prison.

(2) Any person who, without authorization, uses information disclosed pursuant to this section to commit a misdemeanor shall be subject to, in addition to any other penalty or fine imposed, a fine of not less than five hundred dollars (\$500) and not more than one thousand dollars (\$1,000).

(d) (1) A person is authorized to use information disclosed pursuant to this section only to protect a person at risk.

(2) Except as authorized under paragraph (1) or any other provision of law, use of any information that is disclosed pursuant to this section for purposes relating to any of the following is prohibited:

- (A) Health insurance.
- (B) Insurance.
- (C) Loans.
- (D) Credit.
- (E) Employment.
- (F) Education, scholarships, or fellowships.
- (G) Housing or accommodations.
- (H) Benefits, privileges, or services provided by any business establishment.

(3) This section shall not affect authorized access to, or use of, information pursuant to, among other provisions, Sections 11105 and

11105.3 of this code, Section 226.55 of the Civil Code, Sections 777.5 and 14409.2 of the Financial Code, Sections 1522.01 and 1596.871 of the Health and Safety Code, and Section 432.7 of the Labor Code.

(4) (A) Any use of information disclosed pursuant to this section for purposes other than those provided by paragraph (1) or in violation of paragraph (2) shall make the user liable for the actual damages, and any amount that may be determined by a jury or a court sitting without a jury, not exceeding three times the amount of actual damage, and not less than two hundred fifty dollars (\$250), and attorney's fees, exemplary damages, or a civil penalty not exceeding twenty-five thousand dollars (\$25,000).

(B) Whenever there is reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of misuse of the service specified in subdivision (a), in violation of paragraph (2), the Attorney General, any district attorney, or city attorney, or any person aggrieved by the misuse of the service is authorized to bring a civil action in the appropriate court requesting preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order against the person or group of persons responsible for the pattern or practice of misuse. The foregoing remedies shall be independent of any other remedies or procedures that may be available to an aggrieved party under other provisions of law, including Part 2 (commencing with Section 43) of Division 1 of the Civil Code.

(e) The Department of Justice and its employees shall be immune from liability for good faith conduct under this section.

(f) The public notification provisions of this section are applicable to every person described in subdivision (a), without regard to when his or her crimes were committed or his or her duty to register pursuant to Section 290 arose, and to every offense subject to public notification pursuant to Section 290.46, regardless of when it was committed.

SEC. 8. Section 290.46 of the Penal Code, as amended by Section 1.5 of Chapter 599 of the Statutes of 2008, is amended to read:

290.46. (a) (1) On or before the dates specified in this section, the Department of Justice shall make available information concerning persons who are required to register pursuant to Section 290 to the public via an Internet Web site as specified in this section. The department shall update the Internet Web site on an ongoing basis. All information identifying the victim by name, birth date, address, or relationship to the registrant shall be excluded from the Internet Web site. The name or address of the person's employer and the listed person's criminal history other than the specific crimes for which the person is required to register shall not be included on the Internet Web site. The Internet Web site shall be translated into languages other than English as determined by the department.

(2) (A) On or before July 1, 2010, the Department of Justice shall make available to the public, via an Internet Web site as specified in this section, as to any person described in subdivision (b), (c), or (d), the following information:

(i) The year of conviction of his or her most recent offense requiring registration pursuant to Section 290.

(ii) The year he or she was released from incarceration for that offense.

(iii) Whether he or she was subsequently incarcerated for any other felony, if that fact is reported to the department. If the department has no information about a subsequent incarceration for any felony, that fact shall be noted on the Internet Web site.

However, no year of conviction shall be made available to the public unless the department also is able to make available the corresponding year of release of incarceration for that offense, and the required notation regarding any subsequent felony.

(B) (i) Any state facility that releases from incarceration a person who was incarcerated because of a crime for which he or she is required to register as a sex offender pursuant to Section 290 shall, within 30 days of release, provide the year of release for his or her most recent offense requiring registration to the Department of Justice in a manner and format approved by the department.

If the department determines that the person meets the requirements of this subdivision, the department shall grant the exclusion and no information concerning the person shall be made available via the Internet Web site described in this section. He or she bears the burden of proving the facts that make him or her eligible for exclusion from the Internet Web site. (ii) An offense for which the offender is on probation at the time of his or her application, provided that the offender submits to the department a certified copy of a probation report, presentencing report, report prepared pursuant to Section 288.1, or other official court document that clearly demonstrates that the offender was the victim's parent, stepparent, sibling, or grandparent and that the crime did not involve either oral copulation or penetration of the vagina or rectum of either the victim or the offender by the penis of the other or by any foreign object.

(iv) For the purposes of this subparagraph, "successfully completed probation" means that during the period of probation the offender neither received additional county jail or state prison time for a violation of probation nor was convicted of another offense resulting in a sentence to county jail or state prison.

(3) If the department determines that a person who was granted an exclusion under a former version of this subdivision would not qualify for an exclusion under the current version of this subdivision, the department

(2) The law enforcement entity may make available by way of an Internet Web site the information described in subdivision (c) if it determines that the public disclosure of the information about a specific offender by way of the entity's Internet Web site is necessary to ensure the public safety based upon information available to the entity concerning that specific offender.

(3) The information that may be provided pursuant to this subdivision may include the information specified in subdivision (b) of Section 290.45. However, that offender's address may not be disclosed unless he or she is a person whose address is on the Department of Justice's Internet Web site pursuant to subdivision (b) or (c).

(h) For purposes of this section, "offense" includes the statutory predecessors of that offense, or any offense committed in another jurisdiction that, if committed or attempted to be committed in this state, would have been punishable in this state as an offense listed in subdivision (c) of Section 290.

(i) Notwithstanding Section 6254.5 of the Government Code, disclosure of information pursuant to this section is not a waiver of exemptions under Chapter 3.5 (commencing with Section 6250) of Title 1 of Division 7 of the Government Code and does not affect other statutory restrictions on disclosure in other situations.

(j) (1) Any person who uses information disclosed pursuant to this section to commit a misdemeanor shall be subject to, in addition to any other penalty or fine imposed, a fine of not less than ten thousand dollars (\$10,000) and not more than fifty thousand dollars (\$50,000).

(2) Any person who uses information disclosed pursuant to this section to commit a felony shall be punished, in addition and consecutive to any other punishment, by a five-year term of imprisonment in the state prison.

(k) Any person who is required to register pursuant to Section 290 who enters an Internet Web site established pursuant to this section shall be punished by a fine not exceeding one thousand dollars (\$1,000), imprisonment in a county jail for a period not to exceed six months, or by both that fine and imprisonment.

(l) (1) A person is authorized to use information disclosed pursuant to this section only to protect a person at risk.

(2) Except as authorized under paragraph (1) or any other provision of law, use of any information that is disclosed pursuant to this section for purposes relating to any of the following is prohibited:

(A) Health insurance.

(B) Insurance.

(C) Loans.

(D) Credit.

(E) Employment.

(F) Education, scholarships, or fellowships.

(G) Housing or accommodations.

(H) Benefits, privileges, or services provided by any business establishment.

(4) (A) Any use of information disclosed pursuant to this section for purposes other than those provided by paragraph (1) or in violation of paragraph (2) shall make the user liable for the actual damages, and any amount that may be determined by a jury or a court sitting without a jury, not exceeding three times the amount of actual damage, and not less than two hundred fifty dollars (\$250), and attorney's fees, exemplary damages, or a civil penalty not exceeding twenty-five thousand dollars (\$25,000).

(B) Whenever there is reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of misuse of the information available via an Internet Web site established pursuant to this section in violation of paragraph (2), the Attorney General, any district attorney, or city attorney, or any person aggrieved by the misuse is authorized to bring a civil action in the appropriate court requesting preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order against the person or group of persons responsible for the pattern or practice of misuse. The foregoing remedies shall be independent of any other remedies or procedures that may be available to an aggrieved party under other provisions of law, including Part 2 (commencing with Section 43) of Division 1 of the Civil Code.

(m) The public notification provisions of this section are applicable to every person described in this section, without regard to when his or her crimes were committed or his or her duty to register pursuant to Section 290 arose, and to every offense described in this section, regardless of when it was committed.

(n) A designated law enforcement entity and its employees shall be immune from liability for good faith conduct under this section.

(o) The Attorney General, in collaboration with local law enforcement and others knowledgeable about sex offenders, shall develop strategies to assist members of the public in understanding and using publicly available information about registered sex offenders to further public safety. These strategies may include, but are not limited to, a hotline for community inquiries, neighborhood and business guidelines for how to respond to information posted on this Internet Web site, and any other resource that promotes public education about these offenders.

It is not the purpose of these communications to address disciplinary action or grievance procedures that may routinely occur. If it appears that the facts of the case could lead to punitive action, the Inspector General shall be subject to Sections 3303, 3307, 3307.5, 3308, and 3309 of the Government Code as if the Inspector General were the employer, except that the Inspector General shall not be subject to the provisions of any memorandum of understanding or other agreement entered into between the employing entity and the employee or the employee's representative that is in conflict with, or adds to the requirements of, Sections 3303, 3307, 3307.5, 3308, and 3309 of the Government Code.

The person serving this process may receive compensation as is allowed by the Inspector General, or his or her designee, not to exceed the fees prescribed by law for similar service.

SEC. 20. Section 6128 of the Penal Code is amended to read:

6128. (a) The Office of the Inspector General may receive communications from any individual, including those employed by any department, board, or authority who believes he or she may have information that may describe an improper governmental activity, as that term is defined in subdivision (b) of Section 8547.2 of the Government Code. It is not the purpose of these communications to redress any single disciplinary action or grievance that may routinely occur.

(b) In order to properly respond to any allegation of improper governmental activity, the Inspector General shall establish a toll-free public telephone number for the purpose of identifying any alleged wrongdoing by an employee of the Department of Corrections and Rehabilitation. This telephone number shall be posted by department in clear view of all employees and the public. When appropriate, the Inspector General shall initiate an investigation or audit of any alleged improper governmental activity. However, any request to conduct an investigation shall be in writing.

(c) All identifying information, and any personal papers or correspondence from any person who initiated the investigation shall not

be disclosed, except in those cases where the Inspector General determines that disclosure of the information is necessary in the interests of justice.

SEC. 21. Section 6129 of the Penal Code is amended to read:

6129. (a) (1) For purposes of this section, “employee” means any person employed by the Department of Corrections and Rehabilitation.

(2) For purposes of this section, “retaliation” means intentionally engaging in acts of reprisal, retaliation, threats, coercion, or similar acts against another employee who has done any of the following:

(A) Has disclosed or is disclosing to any employee at a supervisory or managerial level, what the employee, in good faith, believes to be improper governmental activities.

(B) Has cooperated or is cooperating with any investigation of improper governmental activities.

(C) Has refused to obey an illegal order or directive.

(b) (1) Upon receiving a complaint of retaliation from an employee against a member of management at the Department of Corrections and Rehabilitation, the Inspector General shall commence an inquiry into the complaint and conduct a formal investigation where a legally cognizable cause of action is presented. All investigations conducted pursuant to this section shall be performed in accordance with Sections 6126.5 and 6127.3. The Inspector General may refer all other matters for investigation by the appropriate employing entity, subject to investigative oversight by the Inspector General. In a case in which the employing entity declines to investigate the complaint, it shall, within 30 days of receipt of the referral by the Inspector General, notify the Inspector General of its decision. The Inspector General shall thereafter, conduct his or her own inquiry into the complaint. If, after reviewing the complaint, the Inspector General determines that a legally cognizable cause of action has not been presented by the complaint, the Inspector General shall thereafter notify the complaining employee and the State Personnel Board that a formal investigation is not warranted.

(2) When investigating a complaint, in determining whether retaliation has occurred, the Inspector General or the employing entity shall consider, among other things, whether any of the following either actually occurred or were threatened:

(A) Unwarranted or unjustified staff changes.

(B) Unwarranted or unjustified letters of reprimand or other disciplinary actions, or unsatisfactory evaluations.

(C) Unwarranted or unjustified formal or informal investigations.

(D) Engaging in acts, or encouraging or permitting other employees to engage in acts, that are unprofessional, or foster a hostile work environment.

(E) Engaging in acts, or encouraging or permitting other employees to engage in acts, that are contrary to the rules, regulations, or policies of the workplace.

(3) In a case in which the complaining employee has also filed a retaliation complaint with the State Personnel Board pursuant to Sections 8547.8 and 19683 of the Government Code, the State Personnel Board shall

have the discretion to toll any investigation, hearing, or other proceeding that would otherwise be conducted by the State Personnel Board in response to that complaint, pending either the completion of the Inspector General's or the employing entity's investigation, or until the complaint is rejected or otherwise dismissed by the Inspector General or the employing entity. An employee, however, may not be required to first file a retaliation complaint with the Inspector General prior to filing a complaint with the State Personnel Board.

(A) In a case in which the complaining employee has filed a retaliation complaint with the Inspector General but not with the State Personnel Board, the limitation period for filing a retaliation complaint with the State Personnel Board shall be tolled until the time the Inspector General or the employing entity either issues its investigative report to the State Personnel Board, or until the complaint is rejected or otherwise dismissed by the Inspector General or the employing entity.

(B) In order to facilitate coordination of efforts between the Inspector General and the State Personnel Board, the Inspector General shall notify the State Personnel Board of the identity of any employee who has filed a retaliation complaint with the Inspector General, and the State Personnel Board shall notify the Inspector General of the identity of any employee who has filed a retaliation complaint with the State Personnel Board.

(c) (1) In a case in which the Inspector General determines, as a result of his or her own investigation, that an employee has been subjected to acts of reprisal, retaliation, threats, or similar acts in violation of this section, the Inspector General shall provide a copy of the investigative report, together with all other underlying investigative materials the Inspector General determines to be relevant, to the appropriate director or chair who shall take appropriate corrective action. In a case in which the Inspector General determines, based on an independent review of the investigation conducted by the employing entity, that an employee has been subjected to acts of reprisal, retaliation, threats, or similar acts in violation of this section, the Inspector General shall submit a written recommendation to the appropriate director or chair who shall take appropriate corrective action. If the hiring authority initiates disciplinary action as defined in Section 19570 of the Government Code, it shall provide the subject with all materials required by law.

(2) The Inspector General shall publish a quarterly summary of investigations, with personal identifying information removed, including, but not limited to, the conduct investigated, any recommended discipline, and any discipline actually imposed.

(3) Any employee at any rank and file, supervisory, or managerial level, who intentionally engages in acts of reprisal, retaliation, threats, coercion, or similar acts against another employee, pursuant to paragraph (2) of subdivision (a), shall be disciplined by the employing entity by adverse action as provided in Section 19572 of the Government Code. The disciplinary action shall require, at a minimum, a suspension for not less than 30 days without pay, except in a case in which the employing entity

determines that a lesser penalty is warranted. In that case, the employing entity shall, within 30 days of receipt of the investigative report, provide written justification for that decision to the Inspector General. The employing entity shall also, within 30 days of receipt of the written report, notify the Inspector General in writing as to what steps, if any, it has taken to remedy the retaliatory conduct found to have been committed by any of its employees.

(d) (1) In an instance in which the appropriate director or chair declines to take adverse action against any employee found by the Inspector General to have engaged in acts of reprisal, retaliation, threats, or similar acts in violation of this section, the director or chair shall notify the Inspector General of that fact in writing within 30 days of receipt of the investigative report from the Inspector General, and shall notify the Inspector General of the specific reasons why the director or chair declined to invoke adverse action proceedings against the employee.

(2) The Inspector General shall, thereafter, with the written consent of the complaining employee, forward an unredacted copy of the investigative report, together with all other underlying investigative materials the Inspector General deems to be relevant, to the State Personnel Board so that the complaining employee can request leave to file charges against the employee found to have engaged in acts of reprisal, retaliation, threats, or similar acts, in accordance with the provisions of Section 19583.5 of the Government Code. If the State Personnel Board accepts the complaint, the board shall provide the charged and complaining parties with a copy of all relevant materials.

(3) In addition to all other penalties provided by law, including Section 8547.8 of the Government Code or any other penalties that the sanctioning authority may determine to be appropriate, any state employee at any rank and file, supervisory, or managerial level found by the State Personnel Board to have intentionally engaged in acts of reprisal, retaliation, threats, or coercion shall be suspended for not less than 30 days without pay, and shall be liable in an action for damages brought against him or her by the injured party. If the State Personnel Board determines that a lesser period of suspension is warranted, the reasons for that determination must be justified in writing in the decision.

(e) Nothing in this section shall prohibit the employing entity from exercising its authority to terminate, suspend, or discipline an employee who engages in conduct prohibited by this section.

SEC. 22. Section 6131 of the Penal Code is amended to read:

6131. (a) Upon the completion of any audit conducted by the Inspector General, he or she shall prepare a written report, which shall be disclosed, along with all underlying materials the Inspector General deems appropriate, to the Governor, the Secretary of the Department of Corrections and Rehabilitation, the appropriate director, chair, or law enforcement agency, and the Legislature. Copies of all those written reports shall be posted on the Inspector General's Web site within 10 days of being disclosed to the above-listed entities or persons.

(b) Upon the completion of any investigation conducted by the Inspector General, he or she shall prepare a complete written report, which shall be held as confidential and disclosed in confidence, along with all underlying investigative materials the Inspector General deems appropriate, to the Governor, the Secretary of the Department of Corrections and Rehabilitation, and the appropriate director, chair, or law enforcement agency.

(c) Upon the completion of any investigation conducted by the Inspector General, he or she shall also prepare and issue on a quarterly basis, a public investigative report that includes all investigations completed in the previous quarter. The public investigative report shall differ from the complete investigative report in the respect that the Inspector General shall have the discretion to redact or otherwise protect the names of individuals, specific locations, or other facts that, if not redacted, might hinder prosecution related to the investigation, or where disclosure of the information is otherwise prohibited by law, and to decline to produce any of the underlying investigative materials. In a case where allegations were deemed to be unfounded, all applicable identifying information shall be redacted. The public investigative report shall be made available to the public upon request and on a quarterly basis as follows:

(1) In those cases where an investigation is referred only for disciplinary action before the State Personnel Board or for other administrative proceedings, the employing entity shall, within 10 days of receipt of the State Personnel Board's order rendered in other administrative proceedings, provide the Inspector General with a copy of the order. The Inspector General shall attach the order to the public investigative report on its Web site and provide copies of the report and order to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

(2) In those cases where the employing entity and the employee against whom disciplinary action has been taken enter into a settlement agreement concerning the disciplinary action, the employing entity shall, within 10 days of the settlement agreement becoming final, notify the Inspector General in writing of that fact and shall describe what disciplinary action, if any, was ultimately imposed on the employee. The Inspector General shall include the settlement information in the public investigative report on its Web site and provide copies of the report to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

(3) In those cases where the employing entity declines to pursue disciplinary action against an employee, the employing entity shall, within 10 days of its decision, notify the Inspector General in writing of its decision not to pursue disciplinary action, setting forth the reasons for its decision. The Inspector General shall include the decision and rationale in the public investigative report on its Web site and provide copies of the report to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

(4) In those cases where an investigation has been referred for possible criminal prosecution, and the applicable local law enforcement agency or the Attorney General has decided to commence criminal proceedings against an employee, the report shall be made public at a time deemed appropriate by the Inspector General after consultation with the local law enforcement agency or the Attorney General, but in all cases no later than when discovery has been provided to the defendant in the criminal proceedings. The Inspector General shall thereafter post the public investigative report on its Web site and provide copies of the report to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

(5) In those cases where the local law enforcement agency or the Attorney General declines to commence criminal proceedings against an employee, the local law enforcement agency or the Attorney General shall, within 30 days of reaching that decision, notify the Inspector General of that fact. The Inspector General shall include the decision in the public investigative report on its Web site and provide copies of the report to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

(6) In those cases where an investigation has been referred for neither disciplinary action or other administrative proceedings, nor for criminal prosecution, the Inspector General shall include the decision not to refer the matter in the public investigative report on its Web site and provide copies of the report to the Legislature, as well as to any complaining employee and any employee who was the subject of the investigation.

SEC. 30. Section 40519 of the Vehicle Code is amended to read:

40519. (a) Any person who has received a written notice to appear for an infraction may, prior to the time at which the person is required to appear, make a deposit and declare the intention to plead not guilty to the clerk of the court named in the notice to appear. The deposit shall be in the amount of bail established pursuant to Section 1269b of the Penal Code, together with any assessment required by Section 42006 of this code or Section 1464 of the Penal Code, for the offense charged, and shall be used for the purpose of guaranteeing the appearance of the defendant at the time and place scheduled by the clerk for arraignment and for trial, and to apply toward

the payment of any fine or assessment prescribed by the court in the event of conviction. The case shall thereupon be set for arraignment and trial on the same date, unless the defendant requests separate arraignment. A deposit of bail under this section does not constitute entry of a plea or a court appearance. A plea of not guilty under this section must be made in court at the arraignment.

(b) Any person who has received a written notice to appear may, prior to the time at which the person is required to appear, plead not guilty in writing in lieu of appearing in person. The written plea shall be directed to the court named in the notice to appear and, if mailed, shall be sent by certified or registered mail postmarked not later than five days prior to the day upon which appearance is required. The written plea and request to the court or city agency shall be accompanied by a deposit consisting of the amount of bail established pursuant to Section 1269b of the Penal Code, together with any assessment required by Section 42006 of this code or Section 1464 of the Penal Code, for that offense, which amount shall be used for the purpose of guaranteeing the appearance of the defendant at the time and place set by the court for trial and to apply toward the payment of any fine or assessment prescribed by the court in the event of conviction. Upon receipt of the plea and deposit, the case shall be set for arraignment and trial on the same date, unless the defendant requests separate arraignment. Thereafter, the case shall be conducted in the same manner as if the defendant had appeared in person, had made his or her plea in open court, and had deposited that sum as bail. The court or the clerk of the court shall notify the accused of the time and place of trial by first-class mail postmarked at least 10 days prior to the time set for the trial. Any person using this procedure shall be deemed to have waived the right to be tried within the statutory period.

(c) Any person using the procedure set forth in subdivision (a) or (b) shall be deemed to have given a written promise to appear at the time designated by the court for trial, and failure to appear at the trial shall constitute a misdemeanor.

SEC. 31. Section 827.9 of the Welfare and Institutions Code is amended to read:

827.9. (a) It is the intent of the Legislature to reaffirm its belief that records or information gathered by law enforcement agencies relating to the taking of a minor into custody, temporary custody, or detention (juvenile police records) should be confidential. Confidentiality is necessary to protect those persons from being denied various opportunities, to further the rehabilitative efforts of the juvenile justice system, and to prevent the lifelong stigma that results from having a juvenile police record. Although these records generally should remain confidential, the Legislature recognizes that certain circumstances require the release of juvenile police records to specified persons and entities. The purpose of this section is to clarify the persons and entities entitled to receive a complete copy of a juvenile police record, to specify the persons or entities entitled to receive copies of juvenile police records with certain identifying information about other minors

removed from the record, and to provide procedures for others to request a copy of a juvenile police record. This section does not govern the release of police records involving a minor who is the witness to or victim of a crime who is protected by other laws including, but not limited to, Section 841.5 of the Penal Code, Section 11167 et seq. of the Penal Code, and Section 6254 of the Government Code.

(b) Except as provided in Sections 389 and 781 of this code or Section 1203.45 of the Penal Code, a law enforcement agency shall release, upon request, a complete copy of a juvenile police record, as defined in subdivision (m), without notice or consent from the person who is the subject of the juvenile police record to the following persons or entities:

(1) Other law enforcement agencies including the office of the Attorney General of California, any district attorney, the Department of Corrections and Rehabilitation, including the Division of Juvenile Justice, and any peace officer as specified in subdivision (a) of Section 830.1 of the Penal Code.

(2) School district police.

(3) Child protective agencies as defined in Section 11165.9 of the Penal Code.

(4) The attorney representing the juvenile who is the subject of the juvenile police record in a criminal or juvenile proceeding.

(5) The Department of Motor Vehicles.

(c) Except as provided in Sections 389 and 781 of this code or Section 1203.45 of the Penal Code, law enforcement agencies shall release, upon request, a copy of a juvenile police record to the following persons and entities only if identifying information pertaining to any other juvenile, within the meaning of subdivision (n), has been removed from the record:

(1) The person who is the subject of the juvenile police record.

(2) The parents or guardian of a minor who is the subject of the juvenile police record.

(3) An attorney for a parent or guardian of a minor who is the subject of the juvenile police record.

(d) (1) (A) If a person or entity listed in subdivision (c) seeks to obtain a complete copy of a juvenile police record that contains identifying information concerning the taking into custody or detention of any other juvenile, within the meaning of subdivision (n), who is not a dependent child or a ward of the juvenile court, that person or entity shall submit a completed Petition to Obtain Report of Law Enforcement Agency, as developed pursuant to subdivision (i), to the appropriate law enforcement agency. The law enforcement agency shall send a notice to the following persons that a Petition to Obtain Report of Law Enforcement Agency has been submitted to the agency:

(i) The juvenile about whom information is sought.

(ii) The parents or guardian of any minor described in subparagraph (i). The law enforcement agency shall make reasonable efforts to obtain the address of the parents or guardian.

(B) For purposes of responding to a request submitted pursuant to this subdivision, a law enforcement agency may check the Juvenile Automated

Index or may contact the juvenile court to determine whether a person is a dependent child or a ward of the juvenile court and whether parental rights have been terminated or the juvenile has been emancipated.

(C) The notice sent pursuant to this subdivision shall include the following information:

(i) The identity of the person or entity requesting a copy of the juvenile police record.

(ii) A copy of the completed Petition to Obtain Report of Law Enforcement Agency.

(iii) The time period for submitting an objection to the law enforcement agency, which shall be 20 days if notice is provided by mail or confirmed fax, or 15 days if notice is provided by personal service.

(iv) The means to submit an objection.

A law enforcement agency shall issue notice pursuant to this section within 20 days of the request. If no objections are filed, the law enforcement agency shall release the juvenile police record within 15 days of the expiration of the objection period.

(D) If any objections to the disclosure of the other juvenile's information are submitted to the law enforcement agency, the law enforcement agency shall send the completed Petition to Obtain Report of Law Enforcement Agency, the objections, and a copy of the requested juvenile police record to the presiding judge of the juvenile court or, in counties with no presiding judge of the juvenile court, the judge of the juvenile court or his or her designee, to obtain authorization from the court to release a complete copy of the juvenile police record.

(2) If a person or entity listed in subdivision (c) seeks to obtain a complete copy of a juvenile police record that contains identifying information concerning the taking into custody or detention of any other juvenile, within the meaning of subdivision (n), who is a dependent child or a ward of the juvenile court, that person or entity shall submit a Petition to Obtain Report of Law Enforcement Agency, as developed pursuant to subdivision (i), to the appropriate law enforcement agency. The law enforcement agency shall send that Petition to Obtain Report of Law Enforcement Agency and a completed petition for authorization to release the information to that person or entity along with a complete copy of the requested juvenile police record to the presiding judge of the juvenile court, or, in counties with no presiding judge of the juvenile court, the judge of the juvenile court or his or her designees. The juvenile court shall provide notice of the petition for authorization to the following persons:

(A) If the person who would be identified if the information is released is a minor who is a dependent child of the juvenile court, notice of the petition shall be provided to the following persons:

(i) The minor.

(ii) The attorney of record for the minor.

(iii) The parents or guardian of the minor, unless parental rights have been terminated.

(iv) The child protective agency responsible for the minor.

(v) The attorney representing the child protective agency responsible for the minor.

(B) If the person who would be identified if the information is released is a ward of the juvenile court, notice of the petition shall be provided to the following:

(i) The ward.

(ii) The attorney of record for the ward.

(iii) The parents or guardian of the ward if the ward is under 18 years of age, unless parental rights have been terminated.

(iv) The district attorney.

(v) The probation department.

(e) Except as otherwise provided in this section or in Sections 389 and 781 of this code or Section 1203.45 of the Penal Code, law enforcement agencies shall release copies of juvenile police records to any other person designated by court order upon the filing of a Petition to Obtain Report of Law Enforcement Agency with the juvenile court. The petition shall be filed with the presiding judge of the juvenile court, or, in counties with no presiding judge of the juvenile court, the judge of the juvenile court or his or her designee, in the county where the juvenile police record is maintained.

(f) (1) After considering the petition and any objections submitted to the juvenile court pursuant to paragraph (1) or (2) of subdivision (d), the court shall determine whether the law enforcement agency may release a complete copy of the juvenile police record to the person or entity that submitted the request.

(2) In determining whether to authorize the release of a juvenile police record, the court shall balance the interests of the juvenile who is the subject of the record, the petitioner, and the public. The juvenile court may issue orders prohibiting or limiting the release of information contained in the juvenile police record. The court may also deny the existence of a juvenile police record where the record is properly sealed or the juvenile who is the subject of the record has properly denied its existence.

(3) Prior to authorizing the release of any juvenile police record, the juvenile court shall ensure that notice and an opportunity to file an objection to the release of the record has been provided to the juvenile who is the subject of the record or who would be identified if the information is released, that person's parents or guardian if he or she is under 18 years of age, and any additional person or entity described in subdivision (d), as applicable. The period for filing an objection shall be 20 days from the date notice is given if notice is provided by mail or confirmed fax and 15 days from the date notice is given if notice is provided by personal service. If review of the petition is urgent, the petitioner may file a motion with the presiding judge of the juvenile court showing good cause why the objection period should be shortened. The court shall issue a ruling on the completed petition within 15 days of the expiration of the objection period.

(g) Any out-of-state entity comparable to the California entities listed in paragraphs (1) to (5), inclusive, of subdivision (b) shall file a petition with the presiding judge of the juvenile court in the county where the juvenile

police record is maintained in order to receive a copy of a juvenile police record. A petition from that entity may be granted on an ex parte basis.

(h) Nothing in this section shall require the release of confidential victim or witness information protected by other laws including, but not limited to, Section 841.5 of the Penal Code, Section 11167 et seq. of the Penal Code, and Section 6254 of the Government Code.

(i) The Judicial Council, in consultation with the California Law Enforcement Association of Record Supervisors (CLEARs), shall develop forms for distribution by law enforcement agencies to the public to implement this section. Those forms shall include, but are not limited to, the Petition to Obtain Report of Law Enforcement Agency. The material for the public shall include information about the persons who are entitled to a copy of the juvenile police record and the specific procedures for requesting a copy of the record if a petition is necessary. The Judicial Council shall provide law enforcement agencies with suggested forms for compliance with the notice provisions set forth in subdivision (d).

(j) Any information received pursuant to subdivisions (a) to (e), inclusive, and (g) of this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated. An intentional violation of the confidentiality provisions of this section is a misdemeanor, punishable by a fine not to exceed five hundred dollars (\$500).

(k) A court shall consider any information relating to the taking of a minor into custody, if the information is not contained in a record which has been sealed, for purposes of determining whether an adjudication of the commission of a crime as a minor warrants a finding that there are circumstances in aggravation pursuant to Section 1170 of the Penal Code or to deny probation.

(l) When a law enforcement agency has been notified pursuant to Section 1155 that a minor has escaped from a secure detention facility, the law enforcement agency shall release the name of, and any descriptive information about, the minor to a person who specifically requests this information. The law enforcement agency may release the information on the minor without a request to do so if it finds that release of the information would be necessary to assist in recapturing the minor or that it would be necessary to protect the public from substantial physical harm.

(m) For purposes of this section, a “juvenile police record” refers to records or information relating to the taking of a minor into custody, temporary custody, or detention.

(n) For purposes of this section, with respect to a juvenile police record, “any other juvenile” refers to additional minors who were taken into custody or temporary custody, or detained and who also could be considered a subject of the juvenile police record.

(o) An evaluation of the efficacy of the procedures for the release of police records containing information about minors as described in this section shall be conducted by the juvenile court and law enforcement in Los Angeles County and the results of that evaluation shall be reported to the Legislature on or before December 31, 2006.

(p) This section shall only apply to Los Angeles County.

SEC. 32. Section 1767.35 of the Welfare and Institutions Code is amended to read:

1767.35. Commencing on September 1, 2007, any parolee under the jurisdiction of the Division of Juvenile Parole Operations shall be returned to custody upon the suspension, cancellation, or revocation of parole as follows:

(a) To the custody of the Division of Juvenile Facilities if the parolee is under the jurisdiction of the division for the commission of an offense described in subdivision (b) of Section 707 or an offense described in subdivision (c) of Section 290.008 of the Penal Code.

(b) To the county of commitment if the parolee is under the jurisdiction of the division for the commission of an offense not described in subdivision (b) of Section 707 or subdivision (c) of Section 290.008 of the Penal Code. If a ward subject to this subdivision is detained by the Division of Juvenile Parole Operations for the purpose of initiating proceedings to suspend, cancel, or revoke the ward's parole, the division shall notify the court and probation department of the committing county within 48 hours of the ward's detention that the ward is subject to parole violation proceedings. Within 15 days of a parole violation notice from the division, the committing court shall conduct a reentry disposition hearing for the ward. Pending the hearing, the ward may be detained by the division, provided that the division shall deliver the ward to the custody of the probation department in the county of commitment not more than three judicial days nor less than two judicial days prior to the reentry disposition hearing. At the hearing, at which the ward shall be entitled to representation by counsel, the court shall consider the alleged violation of parole, the risks and needs presented by the ward, and the reentry disposition programs and sanctions that are available for the ward, and enter a disposition order consistent with these considerations and the protection of the public. The ward shall be fully informed by the court of the terms, conditions, responsibilities, and sanctions that are relevant to the reentry plan that is adopted by the court. Upon delivery to the custody of the probation department for local proceedings under this subdivision, the Division of Juvenile Facilities and the Board of Parole Hearings shall have no further jurisdiction or parole supervision responsibility for a ward subject to this subdivision. The procedure of the reentry disposition hearing, including the detention status of the ward in the event continuances are ordered by the court, shall be consistent with the rules, rights, and procedures applicable to delinquency disposition hearings, as described in Article 17 (commencing with Section 675) of Chapter 2 of Part 1 of Division 2.

SEC. 33. Section 6603.5 of the Welfare and Institutions Code is amended to read:

The repeal, or repeal and addition, of any article, chapter, part, title, or division of any code by this act shall not become operative if any section of any other act, other than Assembly Bill 1164, that is enacted by the Legislature during the 2009 calendar year and takes effect on or before January 1, 2010, amends, amends and renumbers, adds, repeals and adds, or repeals any section contained in that article, chapter, part, title, or division.

SEC. 35. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
