

ASSEMBLY BILL

No. 1861

Introduced by Assembly Member Fletcher

February 22, 2012

An act to amend Section 46300.6 of the Education Code, relating to school attendance.

LEGISLATIVE COUNSEL'S DIGEST

AB 1861, as introduced, Fletcher. School attendance: independent study pupils.

Existing law authorizes the governing board of a school district or county office of education to offer independent study to meet the educational needs of pupils in accordance with certain requirements. Existing law also prohibits the State Department of Education from apportioning funds to a local educational agency for a pupil in the independent study program if the local educational agency has provided funds or other things of value to the pupil in the independent study program, or to his or her parent or guardian, that is not provided to pupils who attend regular classes, or to their parents or guardians.

This bill would make technical, nonsubstantive changes to the latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
