

AMENDED IN ASSEMBLY APRIL 24, 2012

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1878

Introduced by Assembly Member Beth Gaines
(Principal coauthor: Assembly Member Wagner)
(Coauthors: Assembly Members Bill Berryhill and Olsen)
(Coauthors: Senators Gaines and La Malfa)

February 22, 2012

An act to add Section 55.4 to the Civil Code, and to amend Section 4452 of the Government Code, relating to disability access.

LEGISLATIVE COUNSEL'S DIGEST

AB 1878, as amended, Beth Gaines. Disability access: liability.

Under existing law, a person, firm, or corporation that interferes with the access rights of a disabled individual is liable for the actual damages of each offense and any amount determined by a judge or jury of up to 3 times the amount of the actual damages, but in no case less than \$1,000. Existing law requires the State Architect to develop and submit for approval and adoption building standards for making buildings, structures, sidewalks, curbs, and related facilities accessible to, and usable by, persons with disabilities.

This bill would establish notice requirements for an alleged aggrieved party to follow before bringing an action against a microbusiness, as defined, for an alleged violation of the above-described provisions. The bill would require that party to provide specified notice to the owner of the property, agent, or other responsible party where the alleged violation occurred. Further, this bill would require the owner, agent, or other responsible party to respond within 30 days with a description of the improvements to be made or with a rebuttal to the allegations. If

the owner, agent, or other responsible party elects to fix the alleged violation, the bill would provide 120 days to apply for any necessary permits and to remedy the alleged violation. The provisions of the bill would not apply to claims for recovery of special damages for an injury in fact, and the bill would require a court or jury to consider previous or pending actual damage awards received or prayed for by the alleged aggrieved party for the same or similar injury.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 55.4 is added to the Civil Code, to read:
2 55.4. (a) Notwithstanding any other provision of law, prior to
3 filing a claim under Section 51, 52, 54, 54.1, or 54.3, or Section
4 4450 or 4452 of the Government Code against a microbusiness as
5 defined in Section 14837 of the Government Code, the alleged
6 aggrieved party shall notify the owner of the property, agent, or
7 other responsible party where the alleged violation occurred by
8 personal service, in accordance with applicable state or federal
9 laws, or certified mail, of all alleged special access violations for
10 which a claim may be filed by the alleged aggrieved party. That
11 notice shall contain the following language:

12
13 “This letter is to inform you that the property located at (address
14 of property), for which you are the property owner, agent, or other
15 responsible party, may be in violation of federal and/or state special
16 access laws pursuant to (expressly cite the federal and/or California
17 statute of which the property is believed to be in violation) and
18 caused harm to (list the name of the alleged aggrieved party).

19 Specifically, the possible violation(s) has/have been identified
20 as follows: (Notice must identify the specific facts that constitute
21 the alleged violation, including the date on which the alleged
22 violation occurred and identification of the location of the alleged
23 violation with sufficient detail, so that the location can be identified
24 by the property owner, agent, or other responsible party).

25 Under Section 55.4 of the California Civil Code, you have 30
26 days to respond to this notice by certified mail or personal service.
27 Your response must be addressed to (give address where personal

1 service may be received or certified mail may be sent). California
2 law allows you to respond in one of three ways:

3 (1) You may expressly state that improvements will be made
4 to bring the premises into compliance with applicable special
5 access laws. If you respond in this fashion, you have a maximum
6 of 120 days to make these improvements or repairs and to apply
7 for the appropriate permits necessary to make these improvements
8 or repairs. The 120-day period shall begin on the date your response
9 to this notice is received at the address given above. If the
10 improvements or repairs necessary to bring the property into
11 compliance with federal and state special access laws are not
12 completed in 120 days, and if you have not applied for the
13 appropriate permits necessary to make the necessary improvement
14 or repairs during that 120-day period, a lawsuit may be brought
15 against you.

16 (2) You may challenge the validity of the alleged violations. If
17 you respond in this fashion, a lawsuit may be brought against you
18 immediately.

19 (3) If the violations listed above are the same or similar to
20 previous violations that you believe have been corrected, you may
21 respond by stating that the necessary repairs have been made to
22 bring the property into compliance with federal and state special
23 access laws. You must also attach evidence that verifies those
24 improvements.

25 If you have any questions about this notice or your rights under
26 federal or California law, please contact your legal counsel.”

27

28 (b) Beginning with the date of notice, the property owner, agent,
29 or other responsible party where the alleged violation occurred
30 shall have 30 days to respond by certified mail or personal service
31 to the alleged aggrieved party. That response shall communicate
32 any of the following:

33 (1) Expressly state that improvements will be made to bring the
34 premises into compliance with applicable laws. A response in this
35 fashion by the property owner, agent, or other responsible party
36 where the alleged violation occurred shall not be considered an
37 admission of guilt and is inadmissible in any future claims based
38 on the same facts filed against the property owner, agent, or other
39 responsible party.

1 (2) Challenge the validity of the alleged violation. If the property
2 owner, agent, or other responsible party where the alleged violation
3 occurred so responds, the alleged aggrieved party may file a claim,
4 subject to any applicable statutes of limitations, any time after
5 receipt of notice as prescribed in this section.

6 (3) State that the alleged violations identified by the alleged
7 aggrieved party have been corrected to comply with applicable
8 state and federal special access laws. The property owner, agent,
9 or other responsible party where the alleged violation occurred
10 shall also attach evidence that verifies those improvements.

11 (c) If the property owner, agent, or responsible party where the
12 alleged violation occurred responds in the manner described in
13 paragraph (1) of subdivision (b), the property owner, agent, or
14 responsible party where the alleged violation occurred shall have
15 120 days to remedy the alleged violation and to apply for the
16 appropriate permits necessary to remedy the alleged violation. The
17 120-day period shall begin on the date the alleged aggrieved party
18 receives a response, pursuant to subdivision (b), from the owner,
19 agent, or responsible party where the alleged violation occurred.

20 (d) If, at the end of the 120-day period, the property owner,
21 agent, or responsible party where the alleged violation occurred
22 has not made the improvements described in paragraph (1) of
23 subdivision (b) or applied for the appropriate permits necessary
24 to remedy the violation, and fails to provide satisfactory
25 explanation as to why those repairs were not yet completed and
26 why the appropriate permits have not been sought, the alleged
27 aggrieved party may file a claim.

28 (e) If the property owner, agent, or other responsible party where
29 the alleged violation occurred has made the improvements
30 described in paragraph (1) of subdivision (b), or has applied for
31 the appropriate permits necessary to remedy the violation, no
32 current or future alleged aggrieved party shall receive any damages
33 or attorney's fees, other than special damages, for any claim arising
34 out of the same or similar facts that served as a basis for the alleged
35 violation.

36 (f) This section applies to all claims for damages or fees, other
37 than those praying for special damages arising out of injuries in
38 fact. This section shall not be construed to limit claims for recovery
39 of special damages filed by any person who suffers an injury in
40 fact because they were denied full and equal access to an

1 accommodation as required by Section 51, 52, 54, 54.1, or 54.3,
2 or Section 4450 or 4452 of the Government Code.

3 (g) In making a determination of the amount of damages
4 awarded to a successful plaintiff, a court or jury shall consider
5 previous or pending actual damage awards received or prayed for
6 by that plaintiff for the same or similar injury.
