

## Senate Bill No. 668

### CHAPTER 254

An act to add Section 51257.5 to the Government Code, relating to agricultural land.

[Approved by Governor September 6, 2011. Filed with  
Secretary of State September 6, 2011.]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 668, Evans. Local government: Williamson Act.

The California Land Conservation Act of 1965, otherwise known as the Williamson Act, authorizes cities and counties to enter into 10-year contracts with landowners whereby the landowner agrees to restrict the use of his or her land in exchange for a reduced property taxation rate. Under existing law, the city or county receives a subvention for the property tax revenue lost as a result of these contracts.

This bill would, until January 1, 2016, authorize a nonprofit land-trust organization, a nonprofit entity, or a public agency to enter into a contract with a landowner who has also entered into a Williamson Act contract, upon approval of the city or county that holds the Williamson Act contract, to keep that landowner's land in contract under the Williamson Act, for a period of up to 10 years in exchange for the open-space district's, land-trust organization's, or nonprofit entity's payment of all or a portion of the foregone property tax revenue to the county, where the state has failed to reimburse, or reduced the subvention to, the city or county for property tax revenues not received as a result of Williamson Act contracts.

*The people of the State of California do enact as follows:*

SECTION 1. Section 51257.5 is added to the Government Code, to read:

51257.5. (a) If the state fails to make payments to a city or county pursuant to Section 16142 or 16142.1, or if the state provides a reduced subvention, a city or county may accept contributions from a nonprofit land-trust organization, a nonprofit entity, or a public agency for specific land under a contract within the city or county to supplement foregone property tax revenues pursuant to this section.

(b) (1) A nonprofit land-trust organization, nonprofit entity, or public agency may contract with an owner of land currently under a contract pursuant to this chapter, upon approval of the contract by the city or county, for a period of up to 10 years, to keep the landowner's property under contract with the county pursuant to this chapter, in exchange for the contribution by the nonprofit land-trust organization or nonprofit entity's

payment for an equivalent period of years of all or a portion of the foregone property tax revenue to the city or county.

(2) A contract entered into pursuant to this subdivision shall be subject to any limitation in power of a nonprofit land-trust organization, nonprofit entity, or public agency.

(3) A contract entered into pursuant to this subdivision shall not authorize or require the conversion of land subject to the contract into a mitigation bank site.

(c) In implementing this section, a city or county shall not request or require additional conditions or restrictions on the land or the landowner for existing or future contracts.

(d) This section shall not be construed as a limitation on the right of a landowner to engage in other lawful contracts or transactions with respect to their land, including, but not limited to, contracts entered into pursuant to this chapter.

(e) As used in this section, “nonprofit land-trust organization” means a nonprofit land-trust organization as defined in subdivision (b) of Section 5011.7 of the Public Resources Code.

(f) No contract shall be entered into on or after January 1, 2016, unless a later enacted statute, that is enacted before January 1, 2016, deletes or extends that date.
