[Approved by Governor June 27, 2012. Filed with Secretary of State June 27, 2012.]

LEGISLATIVE COUNSEL’S DIGEST

SB 1021, Committee on Budget and Fiscal Review. Public safety.
(1) Existing law establishes the Department of Corrections and Rehabilitation, and provides that the department shall be headed by a secretary who is appointed by the Governor, subject to Senate confirmation. Existing law authorizes the Governor to appoint to the department 2 undersecretaries, requires the Governor to appoint 3 chief deputy secretaries, and an assistant secretary for health care policy, all subject to Senate confirmation. Existing law also authorizes the Governor to appoint assistant secretaries for victim and survivor rights and services and for correctional safety.

This bill would reorganize the executive structure of the department in various ways, including, among others, modifying the responsibilities of the undersecretaries, removing the provisions that authorize the Governor
to appoint chief deputy secretaries and assistant secretaries, authorizing the Governor to appoint a chief for certain offices to be created by this bill, and creating certain divisions within the department and abolishing others.

(2) Existing law establishes the Board of State and Community Corrections as an entity independent of the Department of Corrections and Rehabilitation, and authorizes the board to carry out various powers and duties relating to providing advice and leadership on criminal justice issues.

This bill would authorize the Governor to appoint an executive officer of the board, subject to Senate confirmation, who would hold the office at the pleasure of the Governor. The executive officer would be the administrative head of the board and would exercise all duties and functions necessary to ensure that the responsibilities of the board are successfully discharged.

(3) Existing law requires the Secretary of the Department of Corrections and Rehabilitation to ensure compliance with the terms of any state plan, memoranda of understanding, administrative order, interagency agreements, assurances, single state agency obligations, federal statutes and regulations, and any other form of agreement or obligation that vital government activities rely upon, or are condition to, the continued receipt by the department of state or federal funds or services.

This bill would, until June 30, 2021, require money recovered by the Department of Corrections and Rehabilitation from a union paid leave settlement agreement to be credited to the fiscal year in which the recovered money is received, which would be available for expenditure by the department for the fiscal year in which the recovered money is received, upon approval of the Department of Finance. The bill would require the Department of Corrections and Rehabilitation to identify and report the total amount collected annually to the Department of Finance.

(4) Existing law requires the Department of General Services to offer for sale land that is declared excess or is declared surplus by the Legislature, and that is not needed by any state agency, to local agencies and private entities and individuals, subject to specified conditions.

This bill would authorize the Director of General Services, until January 1, 2015, to sell or lease property known as the Southern Youth Correctional Reception Center and Clinic to the County of Los Angeles at market value. After that date, if not sold or leased to the County of Los Angeles, the bill would authorize the sale or lease of that property to any other person or entity subject to a competitive bid process. The bill would provide that the proceeds of the sale or lease be expended on bond payments, as specified, and other costs, including costs for the review of the sale of the property and bond counsel.

(5) Existing law generally prohibits a person who has been retired under the Public Employees’ Retirement System from serving without reinstatement from retirement unless a specified exception applies. Existing law authorizes a retired person to serve without reinstatement upon appointment to certain positions, including, among others, member of a board, commission, or advisory committee, as specified, or in certain
circumstances, such as during an emergency to prevent stoppage of public business or because the retired employee has specialized skills needed in performing work of limited duration. Existing law prohibits those appointments from exceeding 960 hours in any fiscal year and requires that the rate of pay not be less than the minimum nor exceed the amount paid to other employees performing comparable duties.

This bill would prohibit the hourly rate of pay for an appointment of a retired person pursuant to those provisions from exceeding the maximum monthly base salary paid to other employees performing comparable duties as listed on a publicly available pay schedule divided by 173.333. The bill would also prohibit an appointee from receiving any benefit, incentive, compensation in lieu of benefits, or any other form of compensation in addition to the hourly pay rate. The bill would prohibit these appointments, including those made concurrently, as specified, from exceeding a combined total of 960 hours each fiscal year. The bill would prohibit a retired annuitant appointed pursuant to these provisions from working more than 960 hours each fiscal year regardless of whether he or she works for one or more employers.

(6) Existing law requires the Judicial Council, on or before July 1, 2011, to establish statewide, uniform fees to be paid by a party to a civil action for appearing by telephone, which shall supersede any fees paid to vendors and courts under existing agreements and procedures. Existing law, until July 1, 2013, provides that if a vendor or court later receives a fee or a portion of a fee for appearance by telephone that was previously waived, that fee shall be distributed, as specified. Existing law, until July 1, 2013, requires each vendor or court that provides for appearances by telephone to transmit $20, for each fee received for providing telephone appearance services, to the State Treasury for deposit in the Trial Court Trust Fund, except as specified. Existing law also requires these vendors to transmit, as specified, an amount equal to the total amount of revenue received by all courts for providing appearances for the 2009–10 fiscal year.

This bill would specify that the statewide, uniform fees to be paid by a party for appearing by telephone shall supersede any fees paid to vendors and courts under any previously existing agreements and procedures. The bill would delete the July 1, 2013, repeal of the provision for distribution of fees that were previously waived, and the repeal date for the $20 payment required for each fee received for providing telephone appearance services, thereby extending those provisions indefinitely.

Existing law requires each party to a civil action demanding a jury trial to deposit advance jury fees with the clerk or judge, the total amount of which may not exceed $150 for each party. Existing law requires the deposit of advance jury fees to be made at least 25 calendar days before the date initially set for trial, except that in unlawful detainer actions the fees are required to be deposited at least 5 days before the date set for trial. Existing law authorizes the refund of advance jury fees under specified circumstances, but provides for the transfer of those fees that are not refunded to the Controller for deposit into the Trial Court Trust Fund.
This bill, instead, would require each party to pay advance jury fees in the amount of $150. The bill would provide additional dates for the deposit of advance jury fees, as specified. The bill would require the court to transmit the advance jury fees to the State Treasury for deposit in the Trial Court Trust Fund within 45 calendar days after the end of the month in which the advance jury fees are deposited with the court, and would specify that advance jury fees deposited after the effective date of this measure are nonrefundable.

Existing law states the intent of the Legislature to establish a moratorium on increases in court filing fees until July 1, 2013, but imposes supplemental fees for filing first papers in connection with specified civil proceedings, until that date.

This bill would delete the repeal date for the supplemental fees, thereby extending those fees indefinitely. The bill would impose an additional supplemental fee for filing first papers in certain civil proceedings, until July 1, 2015, subject to reduction if the amount of the General Fund appropriation to the Trial Court Trust Fund is decreased from the amount appropriated in the 2013–14 fiscal year. The supplemental fees collected pursuant to these provisions would be deposited into the Trial Court Trust Fund. The bill would make other conforming changes.

Existing law requires a $550 fee to be paid on behalf of all plaintiffs, and by each defendant, intervenor, respondent, or adverse party to a civil action at the time of filing its first paper if the case is designated as a complex case or whenever the case is determined by the court to be a complex case. Existing law imposes a limitation of $10,000 on the total amount of fees collected from all defendants, intervenors, respondents, and adverse parties appearing in a complex case.

This bill would, until July 1, 2015, increase the complex case fee from $550 to $1,000, and increase the limitation on the total amount of fees collected from all defendants, intervenors, respondents, and adverse parties appearing in a complex case from $10,000 to $18,000.

Under existing law, the uniform fee for filing any specified motion, application, order to show cause, or other paper requiring a hearing subsequent to the first paper is $40. The fee for filing a motion for summary judgment or summary adjudication of issues, or for filing in the superior court an application to appear as counsel pro hac vice, is $500 until July 1, 2013, at which time those fees shall be reduced to $200 and $250, respectively. Existing law, until July 1, 2013, provides for 1⁄2 of the pro hac vice application fee to be deposited into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund and 1⁄2 into the Trial Court Trust Fund. After that date the entire fee collected for the pro hac vice application is required to be transmitted to the state for deposit into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund. Existing law also requires, until July 1, 2013, an attorney whose application to appear as counsel pro hac vice has been granted to pay an annual renewal fee of $500 for each year that the attorney maintains pro hac vice status in the case in which the application was granted. The entire
renewal fee is transmitted to the state for deposit into the Trial Court Trust Fund.

This bill would, until July 1, 2015, increase that $40 uniform filing fee to $60. The bill also would extend indefinitely the $500 fee for filing a motion for summary judgment or summary adjudication of issues, for filing in the superior court an application to appear as counsel pro hac vice, and for the annual renewal of pro hac vice status. The bill would extend indefinitely the provisions requiring 1⁄2 of the fee to appear as counsel pro hac vice to be deposited into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund and 1⁄2 into the Trial Court Trust Fund.

Existing law requires the charge of an official court reporter fee, in addition to any other fee required in civil actions or cases, for each proceeding lasting more than one hour, in an amount equal to the actual cost of providing that service per 1⁄2 day of services to the parties, on a pro rata basis, for the services of an official court reporter on the first and each succeeding judicial day those services are provided, as specified. Fees collected pursuant to this provision may be used only to pay for services of an official court reporter in civil proceedings. Existing law further requires that, whenever a daily transcript is ordered in a civil case requiring the services of more than one reporter, the party requesting the transcript must pay a fee equal to the per diem rate for pro tempore reporters in addition to any other required fee.

This bill would additionally require an official court reporter fee to be charged for each proceeding lasting less than one hour.

Existing law imposes specified fees upon filing a notice of appeal in a civil case appealed to a court of appeal, a petition for a writ within the original jurisdiction of the Supreme Court or the court of appeal, and a petition for hearing in a civil case in the Supreme Court after decision in a court of appeal. Existing law also imposes specified fees for a party other than appellant filing its first document in a civil case appealed to a court of appeal, for a party other than petitioner filing its first document in a writ proceeding within the original jurisdiction of the Supreme Court, or for a party other than petitioner filing its first document in a writ proceeding within the original jurisdiction of a court of appeal.

This bill would increase those fees, as specified.

Existing law requires the Judicial Council to retain the ultimate responsibility to adopt a budget and allocate funding for the trial courts. Under existing law, the Judicial Council may authorize a trial court to carry unexpended funds over from one fiscal year to the next, provided that the trial court meets certain trial court coordination requirements.

This bill would instead authorize a trial court to, prior to June 30, 2014, carry over unexpended funds from the court’s operating budget from the prior fiscal year and, on and after that date, to carry over unexpended funds in an amount not to exceed 1% of the court’s operating budget from the prior fiscal year. The bill would require the Judicial Council to set a preliminary allocation to trial courts in July of each fiscal year and to finalize
those allocations in January, as specified. The bill would require the Judicial Council to set aside 2% of specified funds appropriated in the annual Budget Act and to make those funds available to trial courts for unforeseen emergencies, unanticipated expenses for existing programs, or unavoidable funding shortfalls, as specified.

The bill would prohibit the Judicial Council from expending funds on the Court Case Management System without consent from the Legislature, except as specified. The bill would prohibit construing any provision of law as authorizing the Judicial Council to redirect funds for any purpose other than allocation to trial courts or as otherwise appropriated.

Existing law creates the Trial Court Trust Fund and requires that the fund be invested in the Surplus Money Investment Fund and requires that interest earned be allocated among trial courts, as specified.

This bill would delete the requirement that the interest earned be allocated among trial courts.

Existing law establishes the Immediate and Critical Needs Account of the State Court Facilities Construction Fund and limits the use of the proceeds to certain purposes.

This bill would also authorize using the proceeds for trial court operations, as defined.

Existing law establishes the Trial Court Improvement Fund and the Judicial Administrative Efficiency and Modernization Fund.

This bill would establish the State Trial Court Improvement and Modernization Fund as the successor to those funds, would require that any assets, liabilities, revenues, and expenditures of those funds be transferred to the State Trial Court Improvement and Modernization Fund, and would make other related conforming changes.

(7) Existing law, until July 1, 2013, provides that for each parking offense where a parking penalty, fine, or forfeiture is imposed, an added penalty of $3 shall be imposed in addition to the penalty, fine, or forfeiture set by the city, district, or other issuing agency. Existing law requires the county treasurer to transmit the penalty to the Treasurer for deposit in the Trial Court Trust Fund, as specified.

This bill would extend the operation of these provisions indefinitely. By extending the operation of these provisions, the bill would increase the duties of county employees and thereby impose a state-mandated local program.

Existing law, until July 1, 2013, requires an assessment of $40 to be imposed on every conviction for a criminal offense, as provided, to assist in funding court operations. As of that date, that assessment shall be reduced to $30.

This bill would delete that repeal date, thereby extending the $40 assessment indefinitely.

(8) Existing law requires the custodian of a will, within 30 days after having knowledge of the death of the testator, unless a petition for probate of the will is earlier filed, to deliver the will to the clerk of the superior court of the county in which the estate of the decedent may be administered and
to mail a copy of the will to the executor or a beneficiary, as specified. Existing law prohibits a fee from being charged for delivering the will to the clerk of the superior court.

This bill would impose a fee of $50 for delivering a will to the clerk of the superior court as required pursuant to that provision.

(9) The Superior Court Law Enforcement Act of 2002 authorizes the presiding judge of each superior court to contract with a sheriff or marshal for the necessary level of law enforcement services in the courts. The act requires a sheriff to attend all superior courts held within his or her county whenever required, as specified. Existing law requires the superior court and the sheriff or marshal to enter into an annual or multiyear memorandum of understanding specifying the agreed-upon level of court security services and their cost and terms of payment, and requires the sheriff or marshal to provide specified information to the courts by April 30 of each year, with actual court security allocations subject to the approval of the Judicial Council and the funding provided by the Legislature. Existing law requires the Controller, for the 2011–12 fiscal year, to allocate on a monthly basis a specified amount of the revenues received in the Local Revenue Fund 2011 into the Trial Court Security Account of that fund. Existing law provides that the moneys in the Trial Court Security Account shall be used exclusively to fund trial court security provided by county sheriffs, but shall not include any general county administrative costs. The Controller is required to allocate funds in that account each month to each county or city and county, as specified, to be used solely to provide security to the trial courts, and not for general county administrative expenses.

This bill would revise and recast the Superior Court Law Enforcement Act of 2002, including renaming the act as the Superior Court Security Act of 2012. The bill would provide that it implements the statutory changes necessary as a result of the realignment of superior court security funding enacted in Assembly Bill 118 (Chapter 40 of the Statutes of 2011), in which the Trial Court Security Account was established to fund court security. The bill would require the sheriff, with the approval and authorization of the board of supervisors, and on behalf of the county, to enter into an annual or multiyear memorandum of understanding with the superior court specifying an agreed-upon level of court security services and any other agreed-upon governing or operating procedures. Except as specified, the bill would provide that the sheriff is responsible for the necessary level of court security services, as established by the memorandum of understanding. The bill would specify that the court security services provided by the sheriff may include, among other things, bailiff functions, taking charge of a jury, and overseeing and escorting prisoners in holding cells. The bill prohibit a superior court from paying a sheriff for court security services and equipment, except as provided. The bill would establish a meeting process for the resolution of an impasse in the negotiation of the memorandum of understanding or disputes regarding the administration or level of services and equipment being provided to a court. The bill would require the Judicial Council to establish, by rule of court, a process that expeditiously and finally
resolves disputes that are not settled in the meeting process through a panel of court of appeal justices qualified to hear these matters.

(10) Existing law authorizes the Department of Corrections and Rehabilitation to offer a program under which female inmates, pregnant inmates, or inmates who were primary caregivers of dependent children immediately prior to incarceration and who have been committed to state prison may participate in a voluntary alternative custody program in lieu of confinement in state prison, such as confinement to a residential home, as specified, or confinement to a residential drug treatment program. Existing law also requires the department to collaborate with local law enforcement and community-based programs that administer evidence-based practices in order to prevent recidivism among individuals placed in alternative custody and assist in reentry to society.

This bill would clarify that only female inmates are eligible for the program. The bill would delete the provision requiring the department to collaborate with local law enforcement and would instead require the department to prioritize the use of evidence-based programs and services that will aid in the successful reentry of inmates into society while they take part in alternative custody. The bill would also require that case management services be provided to support rehabilitation and to track the progress and individualized treatment plan compliance of the inmate.

(11) Existing law establishes in the State Treasury the State Community Corrections Performance Incentives Fund, a continuously appropriated fund. Moneys in the fund are appropriated for purposes of providing probation revocation incentive payments and high performance grants for the implementation of a specified community corrections program consisting of a system of felony probation supervision intended to, among other goals, reduce recidivism and improve public safety. Existing law also authorizes each county to establish in the county treasury a Community Corrections Performance Incentives Fund to receive amounts allocated to the counties for purposes of funding community corrections programs pursuant to these provisions, as specified.

Existing law requires each county receiving funding pursuant to these provisions to identify and track specific outcome-based measures, as provided, and report to the Administrative Office of the Courts on the effectiveness of the community corrections program. Existing law requires the Administrative Office of the Courts, in consultation with the Chief Probation Officers of California and the Department of Corrections and Rehabilitation, to provide a quarterly statistical report to the Department of Finance containing statistical information for each county, including information regarding the number of felony filings and felony convictions.

This bill would expand the scope of the information provided in the statistical report to include information regarding the number of felons who had their probation revoked and were sent to county jail and the number of adult felony probationers sent to county jail for a conviction of a new felony offense, as specified.
Existing law requires the Director of Finance, in consultation with the Department of Corrections and Rehabilitation, the Joint Legislative Budget Committee, the Chief Probation Officers of California, and the Administrative Office of the Courts, to annually calculate, among other things, the statewide probation failure rate and a probation failure rate for each county, for purposes of calculating the probation failure reduction incentive payments and high performance grant payments to counties to support the community corrections program described above.

This bill would instead require the department, in consultation with those entities, to calculate the statewide probation failure to prison rate and a probation failure to prison rate for each county. The bill would also make conforming changes.

Existing law prohibits more than 1% of the estimated savings to the state resulting from the population of felony probationers successfully prevented from being sent to state prison, as calculated by the Department of Finance, from being appropriated for use by the Administrative Office of the Courts for the costs of implementing and administering the community corrections program described above. Existing law also requires the Department of Finance to increase the award amount, as specified, for any county whose payment in connection with that program totals less than $100,000 to no more than $100,000.

This bill would require the Department of Finance, in consultation with the Administrative Office of the Courts, to determine a funding amount not to exceed 1% of estimated savings to the state, as described above, to be appropriated for use by the Administrative Office of the Courts for the costs of implementing and administering the community corrections program described above and the 2011 Realignment Legislation addressing public safety. The bill would also require the Department of Finance to increase the award amount for any county whose payment in connection with that program totals less than $200,000 to be no more than $200,000.

(12) Existing law requires the Department of Corrections and Rehabilitation to establish and implement a community treatment program, under which a woman sentenced to state prison who has one or more children under 6 years of age, whose child is born prior to incarceration, or who is pregnant, shall be eligible for release with her children to a public or private facility in the community suitable to their needs. Existing law requires the department to deny placement in the community treatment program, except as provided, to certain women including, but not limited to, those who have been convicted of the unlawful sale or possession for sale, manufacture, or transportation of a controlled substance, as defined, if large scale and for profit, as defined by the department, and those who have been convicted of a violent felony, among others.

This bill would permit women who are convicted of planting, cultivating, harvesting, drying, or processing any marijuana or any part thereof, or convicted of possessing for sale any marijuana, to participate in the program and would require the Secretary of the Department of Corrections and Rehabilitation to consider for placement in the program inmates who have
been convicted of the unlawful sale or possession for sale, manufacture, or transportation of controlled substances, if large scale and for profit, on a case-by-case basis. The bill would also require the secretary to consider women on a case-by-case basis for placement in the program who have been convicted of a robbery or burglary, and women who are subject to a United States Immigration and Customs Enforcement hold. The bill would provide that charged offenses that did not result in conviction shall not be used to exclude an applicant from the program.

(13) Existing law authorizes a county where adequate facilities are not available for prisoners who would otherwise be confined in its county adult detention facilities to enter into an agreement with the board or boards of supervisors of one or more nearby counties whose county adult detention facilities are adequate for and are readily accessible from the first county. Existing law requires these agreements to make provision for the support of a person so committed or transferred by the county from which he or she is committed.

This bill, until July 1, 2015, would authorize the board of supervisors of a county, where, in the opinion of the county sheriff or the director of the county department of corrections, adequate facilities are not available for prisoners, to enter into an agreement with any other county whose county adult detention facilities are adequate for and accessible to the first county and would require the concurrence of the receiving county’s sheriff or the director of the county department of corrections. The bill would remove the requirement for support of the offender by the originating county. The bill would also require a county entering into an agreement with another county to report annually to the Board of State and Community Corrections on the number of offenders who otherwise would be under that county’s jurisdiction but who are now being housed in another county’s facility and the reason for needing to house the offenders outside the county.

(14) Existing law requires the Department of Corrections and Rehabilitation to have responsibility for oversight over state prisons and for the supervision of parolees.

This bill would require the department to submit, as specified, estimated expenditures for each state or contracted facility housing offenders and for the cost of supervising offenders on parole, by region, for inclusion in the annual Governor’s Budget and the May Revision thereto. The bill would require the departmental estimates, assumptions, and other supporting data to be forwarded annually to the Joint Legislative Budget Committee and the public safety policy committees and fiscal committees of the Legislature.

The bill would also require the department, as directed by the Department of Finance, to work with the appropriate budget and policy committees of the Legislature and the Legislative Analyst’s Office to establish appropriate oversight, evaluation, and accountability measures, to be adopted as part of a corrections plan, as specified. The bill would also require a periodic review, conducted by the Department of Finance’s Office of State Audits and Evaluations, that assesses the fiscal benchmarks of the plan.
(15) Existing law makes the State Department of Health Care Services (SDHCS) the designated state agency to supervise every phase of the administration of health care services and medical assistance for which grants-in-aid are received from the federal government or made by the state in order to secure full compliance with the applicable provisions of state and federal laws. Existing law requires the Department of Corrections and Rehabilitation to, among other things, seek to enter into memoranda of understanding with the Social Security Administration and the SDHCS, and federal, state, or county entities to facilitate prerelease agreements to help inmates initiate benefits claims. Existing law requires the department to reimburse county public hospitals on a quarterly basis for the nonfederal share of Medi-Cal costs incurred by the county for individuals who have been granted medical parole and the county costs for providing health care services that are not allowable under Medi-Cal but are required by the state to be furnished to eligible persons who have been granted medical parole, including public guardianship health care services. Existing law requires the department to provide, or provide reimbursement for, services associated with public guardianship of medical parolees and authorizes the department to provide supplemental reimbursements to providers. Existing law requires the department to establish contracts with appropriate medical providers in cases where medical parolees are ineligible for Medi-Cal and are unable to pay the costs of their medical care.

This bill would delete the provisions requiring the department to seek to enter into memoranda of understanding with the Social Security Administration and the SDHCS to facilitate prerelease agreements to help inmates initiate benefits claims and would instead only require the department to seek to enter into memoranda of understanding with federal, state, or county entities for those purposes. The bill would require hospitals, nursing facilities, and other providers providing services to medical parolees to invoice the department, and would require the department to reimburse those entities in accordance with contracted rates or, if there is no contract, at a rate equal to or less than the amount payable under the Medicare Fee Schedule. The bill would require the department to submit a quarterly invoice to the SDHCS for reimbursement for services provided to medical parolees eligible for Medi-Cal for claiming and reimbursement of federal Medicaid funds and would require the SDHCS to remit funds for federal financial participation to the department. The bill would require the department to directly provide, or provide reimbursement for, services associated with conservatorship for inmates who are granted medical parole who are ineligible for Medi-Cal. The bill would, to the extent allowed by federal law and to the extent federal participation is available, authorize the department or its designee to act on behalf of an inmate for the limited purposes of applying for and redetermination of Medi-Cal eligibility and sharing and maintaining records with the SDHCS.

Under existing law, the department and the SDHCS are authorized to develop a process to maximize federal financial participation in the provision of acute inpatient hospital services rendered to individuals who, but for their
in institutional status as inmates, are otherwise eligible for Medi-Cal or the Low Income Health Program (LIHP). For individuals eligible for Medi-Cal or LIHP, existing law requires the department to submit a monthly invoice to the SDHCS or to the county of last residence, as applicable, for claiming federal participation for acute inpatient hospital services.

This bill would, instead, require the submission of quarterly invoices.

(16) Existing law requires that certain mentally disordered prisoners, as a condition of parole, be treated by the State Department of Mental Health, as provided. Existing law authorizes the Department of Corrections and Rehabilitation to obtain day treatment, and to contract for crisis care services, for paroles with mental health problems.

This bill would require the Department of Corrections and Rehabilitation to provide a supportive housing program that provides wraparound services to mentally ill parolees at risk of homelessness using funding appropriated for that purpose. The program would provide that an inmate or parolee is eligible for participation if he or she has a serious mental disorder, as specified, and has been assigned a release date from state prison and is likely to become homeless upon release or is currently a homeless parolee. The bill would require providers to offer various services, including housing location services and rental subsides. The bill would require providers to report specified information to the department, including the number of participants served and the outcomes for participants. The bill would also require the department to prepare an analysis of the information and to annually submit, on or before February 1, the information and the analysis to the chairs of the Joint Legislative Budget Committee and other specified committees.

(17) Existing law authorizes the Department of Corrections and Rehabilitation to maintain and operate a comprehensive pharmacy services program for facilities under the jurisdiction of the department and to incorporate certain protocols, including a requirement for the use of generic medications, when available, unless an exception is reviewed and approved in accordance with an established nonformulary approval process.

This bill would require the program to incorporate those protocols and would require the nonformulary process to include a process whereby a prescriber may indicate on the face of the prescriptions “dispense as written” or other appropriate form for electronic prescriptions.

(18) Existing law, commencing July 1, 2012, requires the Board of State and Community Corrections to establish minimum standards for local correctional facilities. Existing law requires standards for state correctional facilities to be established by January 1, 2007. Existing law requires the board to review both of these standards biennially and make appropriate revisions. Existing law requires that the standards include standards for the treatment of persons confined in state and local correctional facilities.

This bill would delete the provision requiring the standards for state correctional facilities to be established and reviewed biennially, and would remove the requirement that the standards include standards for the treatment
of persons confined in state correctional facilities, thereby making these provisions applicable to local correctional facilities only.

(19) Existing law provides that it is the duty of the Board of State and Community Corrections to collect and maintain available information and data about state and community correctional policies, practices, capacities, and needs, and to collect and make publicly available data and information reflecting the impact of state and community correctional, juvenile justice, and gang-related policies and practices in this state, as specified.

This bill would require, on and after July 1, 2012, the board, in consultation with the Administrative Office of the Courts, the California State Association of Counties, the California Sheriffs Association, and the Chief Probation Officers of California, to support the development and implementation of specified data collection instruments to reflect the impact of Chapter 15 of the Statutes of 2011 relating to the disposition of felony offenders and postrelease community supervision, and to make any data collected available on the board’s Internet Web site. The bill would also require the Administrative Office of the Courts, commencing January 1, 2013, to collect information from trial courts regarding the implementation of that chapter, as specified. The bill would require the trial courts to provide this data twice a year to the Administrative Office of the Courts, would authorize the courts to use funds provided to them for criminal justice realignment for the purpose of collecting and providing this data, and would require the office to make the data available to the Department of Finance, the Board of State and Community Corrections, and the Joint Legislative Budget Committee by September 1, 2013, and annually thereafter.

(20) Existing law requires the Inspector General to be responsible for contemporaneous oversight of internal affairs investigations and the disciplinary process of the department, as specified.

This bill would require the Inspector General to conduct an objective, metric-oriented oversight and inspection program to periodically review delivery of specified reforms relating to the prison system, including adherence to the standardized staffing model at each institution and prison gang management.

(21) Existing law authorizes the juvenile court to retain jurisdiction over a ward of the court until the ward attains 21 years of age, or, if the person has committed certain specified offenses, until the person attains 25 years of age. Existing law requires the Juvenile Parole Board to carry out specified duties relating to the release and supervision on parole of wards from the custody of the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. Beginning July 1, 2014, existing law eliminates the power of revocation or suspension of parole as a state duty exercised by the Juvenile Parole Board, and instead requires the court to establish the conditions of the ward’s supervision and the county of commitment to supervise a ward released on parole.

This bill would end juvenile parole on January 1, 2013, instead of July 1, 2014, except as specified. By requiring county supervision of wards on parole to begin earlier, the bill would impose a state-mandated local program.
The bill would also reduce the jurisdiction of the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, to 23 years of age for all wards committed to the division on or after July 1, 2012.

Existing law requires, beginning on January 1, 2012, counties to pay an annual fee of $125,000 for each individual from that county who is committed to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, for the time that the individual remains in any institution under the division’s direct supervision, or in an institution, boarding home, foster home, or other institution in which he or she is placed by the division, on parole or otherwise, and cared for and supported at the expense of the division.

This bill would specify that the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, shall not collect, and a county shall not owe, those fees, and, beginning on July 1, 2012, would require counties to pay an annual fee of $24,000 per year for each individual committed by a juvenile court on or after July 1, 2012, to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. The bill would also require the Board of State and Community Corrections to collect and maintain information about the movement of juvenile offenders committed by a juvenile court and placed in any institution, boarding home, foster home, or other institution in which they are cared for, supervised by the division or county, or both.

Existing law authorizes the chief of the Division of Juvenile Facilities to enter into contracts with counties for the Department of Corrections and Rehabilitation, Division of Juvenile Facilities to provide housing to a ward who was in the custody of the Department of Corrections and Rehabilitation, Division of Juvenile Facilities on December 12, 2011, and whose commitment was recalled under specific circumstances.

This bill would specify that a county entering into a contract pursuant to these provisions shall not be required to reimburse the state.

(22) Existing law authorizes the Department of Corrections and Rehabilitation to extend a ward’s parole consideration date from one to not more than 12 months for a sustained serious misconduct violation if all other sanctioning options have been considered and determined to be unsuitable in light of the ward’s previous case history and the circumstances of the misconduct. Existing law authorizes the department to promulgate regulations establishing a process for granting wards who have successfully responded to disciplinary sanctions a reduction of up to 50% of any time acquired for disciplinary matters.

This bill would prohibit the department from extending a ward’s parole consideration date and would authorize the department to promulgate regulations establishing a process for granting wards who have successfully responded to disciplinary sanctions a reduction of any time acquired for disciplinary matters.

(23) Existing law establishes the California Voluntary Tattoo Removal Program to serve individuals between 14 and 24 years of age, who are in the custody of the Department of Corrections and Rehabilitation or county
probation departments, who are on parole or probation, or who are in a community-based organization serving at-risk youth, through a competitive grant process, as specified. Existing law authorizes the California Emergency Management Agency to administer this program to the extent funds are appropriated.

This bill would instead authorize the Board of State and Community Corrections to administer the program.

(24) Existing law provides for the commitment of persons who are addicted to narcotics, or who by reason of repeated use of narcotics, may be in imminent danger of becoming addicted to narcotics, to the Department of Corrections and Rehabilitation for confinement in the narcotic detention, treatment, and rehabilitation facility upon the petition of the district attorney. Existing law provides that a person may be committed following a conviction of an infraction, misdemeanor, felony, or probation revocation, or upon a report to the district attorney by anyone who believes a person is addicted to the use of narcotics, or upon an examination by a physician who determines that the person is addicted to narcotics, as provided.

Commencing July 1, 2012, this bill would provide that no new commitments may be made pursuant to these provisions. This bill would make these provisions inoperative on April 1, 2014, and would repeal these provisions on January 1, 2015.

Existing law requires a person involuntarily committed pursuant to the above provisions to be released on parole once the person has spent a period of confinement or in custody equal to that which he or she would have otherwise spent in state prison had the sentence been executed. Existing law requires that upon the termination of the period of parole the person shall be returned to the court from which he or she was committed to be discharged from the program.

This bill would require the person to be returned to the court for discharge from the program pursuant to the above provisions either at the end of parole supervision or July 1, 2013, whichever occurs sooner. If the person is serving a term of revocation or obtaining substance abuse treatment on July 1, 2013, the bill would require the person to complete the term of treatment in the California Rehabilitation Center. Beginning July 1, 2012, the bill would prohibit a person committed pursuant to the above provisions and discharged from the California Rehabilitation Center from being placed on a period of parole. Beginning July 1, 2013, the bill would require that any person on parole pursuant to the above provisions that is not serving a term of revocation or in the custody of the Department of Corrections and Rehabilitation to be discharged from parole and returned to the court that suspended execution of the person’s sentence.

(25) The bill would also make technical, clarifying, and conforming changes.

(26) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

96
This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

(27) The bill would appropriate $1,000 from the General Fund to the Department of Corrections and Rehabilitation for administration.

(28) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 367.6 of the Code of Civil Procedure, as added by Section 3 of Chapter 720 of the Statutes of 2010, is amended to read:

367.6. (a) On or before July 1, 2011, the Judicial Council shall establish statewide, uniform fees to be paid by a party for appearing by telephone, which shall supersede any fees paid to vendors and courts under any previously existing agreements and procedures. (2) An additional fee for providing services if the request is made shortly before the hearing, as defined by the Judicial Council.

(3) A fee for canceling a telephone appearance request.

(b) If a party has received a waiver of fees pursuant to Article 6 (commencing with Section 68630) of Chapter 2 of Title 8 of the Government Code, neither a vendor nor a court shall charge that party any of the fees authorized by this section, subject to the following:

(1) The vendor or court that provides the telephone appearance service shall have a lien, as provided by rule of court, on any judgment, including a judgment for costs, that the party may receive, in the amount of the fee that the party would have paid for the telephone appearance.

(2) If the vendor or court later receives a fee or a portion of a fee for appearance by telephone that was previously waived, that fee shall be distributed consistent with Section 72011 of the Government Code.

(c) The fee described in this section shall be a recoverable cost under Section 1033.5 of the Code of Civil Procedure.

SEC. 2. Section 367.6 of the Code of Civil Procedure, as added by Section 4 of Chapter 720 of the Statutes of 2010, is repealed.

SEC. 3. Section 631 of the Code of Civil Procedure is amended to read:

(b) Each party demanding a jury trial shall deposit advance jury fees with the clerk or judge. The total amount of the advance jury fees shall be one hundred fifty dollars ($150) for each party.
(c) The advance jury fee deposit shall be made on or before the date scheduled for the initial case management conference in the action. If no case management conference is scheduled in a civil action, the advance jury deposit shall be made no later than 365 calendar days after the filing of the initial complaint. If the party has not appeared before the initial case management conference or has appeared more than 365 calendar days after the filing of the initial complaint, the deposit shall be made as provided in subdivision (d).

(d) Except as otherwise provided in subdivision (c), the deposit of advance jury fees shall be made at least 25 calendar days before the date initially set for trial, except that in unlawful detainer actions the fees shall be deposited at least five days before the date set for trial.

(e) The parties demanding a jury trial shall deposit with the clerk or judge, at the beginning of the second and each succeeding day’s session, a sum equal to that day’s fees and mileage of the jury, including the fees and mileage for the trial jury panel if the trial jury has not yet been selected and sworn. If more than one party has demanded a jury, the respective amount to be paid daily by each party demanding a jury shall be determined by stipulation of the parties or by order of the court.

(f) A party waives trial by jury in any of the following ways:

(1) By failing to appear at the trial.

(2) By written consent filed with the clerk or judge.

(3) By oral consent, in open court, entered in the minutes.

(4) By failing to announce that a jury is required, at the time the cause is first set for trial, if it is set upon notice or stipulation, or within five days after notice of setting if it is set without notice or stipulation.

(6) By failing to deposit with the clerk or judge, at the beginning of the second and each succeeding day’s session, the sum provided in subdivision (e).

(g) The court may, in its discretion upon just terms, allow a trial by jury although there may have been a waiver of a trial by jury.

(h) The court shall transmit the advance jury fees to the State Treasury for deposit in the Trial Court Trust Fund within 45 calendar days after the end of the month in which the advance jury fees are deposited with the court.

(i) Advance jury fees deposited after the effective date of the act that amended this section during the 2011–12 Regular Session shall be nonrefundable.

SEC. 4. Section 631.3 of the Code of Civil Procedure is amended to read:

631.3. (a) Notwithstanding any other law, when a party to the litigation has deposited jury fees with the judge or clerk and that party waives a jury or obtains a continuance of the trial, or the case is settled, none of the deposit shall be refunded if the court finds there has been insufficient time to notify the jurors that the trial would not proceed at the time set. If the jury fees so deposited are not refunded for any of these reasons, or if a refund of jury
fees deposited with the judge or clerk has not been requested, in writing, by the depositing party within 20 business days from the date on which the jury is waived or the action is settled, dismissed, or a continuance thereof granted, the fees shall be transmitted to the Controller for deposit into the Trial Court Trust Fund.

(b) All jury fees and mileage fees that may accrue by reason of a juror serving on more than one case in the same day shall be transmitted to the Controller for deposit into the Trial Court Trust Fund. All jury fees that were deposited with the court in advance of trial pursuant to Section 631 prior to January 1, 1999, and that remain on deposit in cases that were settled, dismissed, or otherwise disposed of, and three years have passed since the date the case was settled, dismissed, or otherwise disposed of, shall be transmitted to the Controller for deposit into the Trial Court Trust Fund.

(c) Advance jury fees deposited after the effective date of the act that amended this section during the 2011–12 Regular Session shall be nonrefundable.

SEC. 16. Section 68085 of the Government Code is amended to read:

68085. (a) (1) There is hereby established the Trial Court Trust Fund, the proceeds of which shall be apportioned for the purposes authorized in this section, including apportionment to the trial courts to fund trial court operations, as defined in Section 77003.

(2) The apportionment payments shall be made by the Controller. The final payment from the Trial Court Trust Fund for each fiscal year shall be made on or before August 31 of the subsequent fiscal year.

(A) Notwithstanding any other provision of law, in order to promote statewide efficiency, the Judicial Council may authorize the direct payment or reimbursement or both of actual costs from the Trial Court Trust Fund or the State Trial Court Improvement and Modernization Fund to fund the costs of operating one or more trial courts upon the authorization of the participating courts. These paid or reimbursed costs may be for services provided to the court or courts by the Administrative Office of the Courts or payment for services or property of any kind contracted for by the court or courts or on behalf of the courts by the Administrative Office of the Courts. The amount of appropriations from the State Trial Court Improvement and Modernization Fund under this subdivision may not exceed 20 percent of the amount deposited in the State Trial Court
Improvement and Modernization Fund pursuant to subdivision (a) of Section 77205. The direct payment or reimbursement of costs from the Trial Court Trust Fund may be supported by the reduction of a participating court’s allocation from the Trial Court Trust Fund to the extent that the court’s expenditures for the program are reduced and the court is supported by the expenditure. The Judicial Council shall provide the affected trial courts with quarterly reports on expenditures from the Trial Court Trust Fund incurred as authorized by this subdivision. The Judicial Council shall establish procedures to provide for the administration of this paragraph in a way that promotes the effective, efficient, reliable, and accountable operation of the trial courts.

(B) As used in subparagraph (A), the term “costs of operating one or more trial courts” includes any expenses related to operation of the court or performance of its functions, including, but not limited to, statewide administrative and information technology infrastructure supporting the courts. The term “costs of operating one or more trial courts” is not restricted to items considered “court operations” pursuant to Section 77003, but is subject to policies, procedures, and criteria established by the Judicial Council, and may not include an item that is a cost that must otherwise be paid by the county or city and county in which the court is located.

(b) Notwithstanding any other provision of law, the fees listed in subdivision (c) shall all be deposited upon collection in a special account in the county treasury, and transmitted monthly to the State Treasury for deposit in the Trial Court Trust Fund.

(c) (1) Except as specified in subdivision (d), this section applies to all fees collected on or before December 31, 2005, pursuant to Sections 631.3, 116.230, and 403.060 of the Code of Civil Procedure and Sections 26820.4, 26823, 26826, 26826.01, 26827, 26827.4, 26830, 26832.1, 26833.1, 26835.1, 26836.1, 26837.1, 26838, 26850.1, 26851.1, 26852.1, 26853.1, 26855.4, 26862, 68086, 72055, 72056, 72056.01, and 72060.

(2) Notwithstanding any other provision of law, except as specified in subdivision (d) of this section and subdivision (a) of Section 68085.7, this section applies to all fees and fines collected on or before December 31, 2005, pursuant to Sections 116.390, 116.570, 116.760, 116.860, 177.5, 491.150, 704.750, 708.160, 724.100, 1134, 1161.2, and 1218 of the Code of Civil Procedure, Sections 26824, 26828, 26829, 26834, and 72059 of the Government Code, and subdivisions (b) and (c) of Section 166 and Section 1214.1 of the Penal Code.

(3) If any of the fees provided for in this subdivision are partially waived by court order, and the fee is to be divided between the Trial Court Trust Fund and any other fund, the amount of the partial waiver shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee.

(d) This section does not apply to that portion of a filing fee collected pursuant to Section 26820.4, 26826, 26827, 72055, or 72056 that is allocated for dispute resolution pursuant to Section 470.3 of the Business and Professions Code, the county law library pursuant to Section 6320 of the
Business and Professions Code, the Judges’ Retirement Fund pursuant to Section 26822.3, automated recordkeeping or conversion to micrographics pursuant to Sections 26863 and 68090.7, and courthouse financing pursuant to Section 76238. This section also does not apply to fees collected pursuant to subdivisions (a) and (c) of Section 27361.

(e) This section applies to all payments required to be made to the State Treasury by any county or city and county pursuant to Section 77201, 77201.1, or 77205.

(f) Notwithstanding any other provision of law, no agency may take action to change the amounts allocated to any of the funds described in subdivision (a), (b), (c), or (d).

(g) The Judicial Council shall reimburse the Controller for the actual administrative costs that will be incurred under this section. Costs reimbursed under this section shall be determined on an annual basis in consultation with the Judicial Council.

(h) Any amounts required to be transmitted by a county or city and county to the state pursuant to this section shall be remitted to the State Treasury no later than 45 days after the end of the month in which the fees were collected. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the Trial Court Trust Fund to which it is to be deposited. Any remittance that is not made by the county or city and county in accordance with this section shall be considered delinquent, and subject to the interest and penalties specified in this section.

(i) Upon receipt of any delinquent payment required pursuant to this section, the Controller shall do the following:

1. Calculate interest on the delinquent payment by multiplying the amount of the delinquent payment at a daily rate equivalent to the rate of return of money deposited in the Local Agency Investment Fund pursuant to Section 16429.1 from the date the payment was originally due to either 30 days after the date of the issuance by the Controller of the final audit report concerning the failure to pay or the date of payment by the entity responsible for the delinquent payment, whichever comes first.

2. Calculate a penalty at a daily rate equivalent to 1½ percent per month from the date 30 days after the date of the issuance by the Controller of the final audit report concerning the failure to pay.

(j) (1) Interest or penalty amounts calculated pursuant to subdivision (i) shall be paid by the county, city and county, or court to the Trial Court Trust Fund no later than 45 days after the end of the month in which the interest or penalty was calculated. Payment shall be made by the entity responsible for the error or other action that caused the failure to pay, as determined by the Controller in notice given to that party by the Controller.

2. Notwithstanding Section 77009, any interest or penalty on a delinquent payment that a court is required to make pursuant to this section and Section 24353 shall be paid from the Trial Court Operations Fund for that court.

3. The Controller may permit a county, city and county, or court to pay the interest or penalty amounts according to a payment schedule in the event
of a large interest or penalty amount that causes a hardship to the paying entity.

(4) The party responsible for the error or other action that caused the failure to pay may include, but is not limited to, the party that collected the funds who is not the party responsible for remitting the funds to the Trial Court Trust Fund, if the collecting party failed or delayed in providing the remitting party with sufficient information needed by the remitting party to distribute the funds.

(k) The Trial Court Trust Fund shall be invested in the Surplus Money Investment Fund and all interest earned shall be allocated to the Trial Court Trust Fund quarterly and shall be allocated among the courts in accordance with the requirements of subdivision (a).

(l) It is the intent of the Legislature that the revenues required to be deposited into the Trial Court Trust Fund be remitted as soon after collection by the courts as possible.

(m) Except for subdivisions (a) and (k), this section does not apply to fees and fines that are listed in subdivision (a) of Section 68085.1 that are collected on or after January 1, 2006.

(n) The changes made to subdivisions (i) and (j) of this section by the act adding this subdivision shall apply to all delinquent payments for which no final audit has been issued by the Controller prior to January 1, 2008.

(o) The Judicial Council shall not expend any of these funds on the system known as the Court Case Management System without consent from the Legislature, except for the maintenance and operation of Court Case Management System Version 2 and Version 3.

(p) This section shall remain in effect only until January 1, 2013, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2013, deletes or extends that date.

SEC. 17. Section 68085 is added to the Government Code, to read:

(2) The apportionment payments shall be made by the Controller. The final payment from the Trial Court Trust Fund for each fiscal year shall be made on or before August 31 of the subsequent fiscal year.

(A) Notwithstanding any other provision of law, in order to promote statewide efficiency, the Judicial Council may authorize the direct payment or reimbursement or both of actual costs from the Trial Court Trust Fund or the State Trial Court Improvement and Modernization Fund to fund the costs of operating one or more trial courts upon the authorization of the participating courts. These paid or reimbursed costs may be for services provided to the court or courts by the Administrative Office of the Courts or payment for services or property of any kind contracted for by the court or courts or on behalf of the courts by the Administrative Office of the Courts. The amount of appropriations from the State Trial Court Improvement and Modernization Fund under this subdivision may not
exceed 20 percent of the amount deposited in the State Trial Court Improvement and Modernization Fund pursuant to subdivision (a) of Section 77205. The direct payment or reimbursement of costs from the Trial Court Trust Fund may be supported by the reduction of a participating court’s allocation from the Trial Court Trust Fund to the extent that the court’s expenditures for the program are reduced and the court is supported by the expenditure. The Judicial Council shall provide the affected trial courts with quarterly reports on expenditures from the Trial Court Trust Fund incurred as authorized by this subdivision. The Judicial Council shall establish procedures to provide for the administration of this paragraph in a way that promotes the effective, efficient, reliable, and accountable operation of the trial courts.

(B) As used in subparagraph (A), the term “costs of operating one or more trial courts” includes any expenses related to operation of the court or performance of its functions, including, but not limited to, statewide administrative and information technology infrastructure supporting the courts. The term “costs of operating one or more trial courts” is not restricted to items considered “court operations” pursuant to Section 77003, but is subject to policies, procedures, and criteria established by the Judicial Council, and may not include an item that is a cost that must otherwise be paid by the county or city and county in which the court is located.

(b) Notwithstanding any other provision of law, the fees listed in subdivision (c) shall all be deposited upon collection in a special account in the county treasury, and transmitted monthly to the State Treasury for deposit in the Trial Court Trust Fund.

(c) (1) Except as specified in subdivision (d), this section applies to all fees collected on or before December 31, 2005, pursuant to Sections 631.3, 116.230, and 403.060 of the Code of Civil Procedure and Sections 26820.4, 26823, 26826, 26826.01, 26827, 26827.4, 26830, 26832.1, 26833.1, 26835.1, 26836.1, 26837.1, 26838, 26850.1, 26851.1, 26852.1, 26853.1, 26855.4, 26862, 68086, 72055, 72056, 72056.01, and 72060.

(2) Notwithstanding any other provision of law, except as specified in subdivision (d) of this section and subdivision (a) of Section 68085.7, this section applies to all fees and fines collected on or before December 31, 2005, pursuant to Sections 116.390, 116.570, 116.760, 116.860, 177.5, 491.150, 704.750, 708.160, 724.100, 1134, 1161.2, and 1218 of the Code of Civil Procedure, Sections 26824, 26828, 26829, 26834, and 72059 of the Government Code, and subdivisions (b) and (c) of Section 166 and Section 1214.1 of the Penal Code.

(3) If any of the fees provided for in this subdivision are partially waived by court order, and the fee is to be divided between the Trial Court Trust Fund and any other fund, the amount of the partial waiver shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee.

(d) This section does not apply to that portion of a filing fee collected pursuant to Section 26820.4, 26826, 26827, 72055, or 72056 that is allocated for dispute resolution pursuant to Section 470.3 of the Business and
Professions Code, the county law library pursuant to Section 6320 of the
Business and Professions Code, the Judges’ Retirement Fund pursuant to
Section 26822.3, automated recordkeeping or conversion to micrographics
pursuant to Sections 26863 and 68090.7, and courthouse financing pursuant
to Section 76238. This section also does not apply to fees collected pursuant
to subdivisions (a) and (c) of Section 27361.

(e) This section applies to all payments required to be made to the State
Treasury by any county or city and county pursuant to Section 77201,
77201.1, or 77205.

(f) Notwithstanding any other provision of law, no agency may take
action to change the amounts allocated to any of the funds described in
subdivision (a), (b), (c), or (d).

(g) The Judicial Council shall reimburse the Controller for the actual
administrative costs that will be incurred under this section. Costs reimbursed
under this section shall be determined on an annual basis in consultation
with the Judicial Council.

(h) Any amounts required to be transmitted by a county or city and county
to the state pursuant to this section shall be remitted to the State Treasury
no later than 45 days after the end of the month in which the fees were
collected. This remittance shall be accompanied by a remittance advice
identifying the collection month and the appropriate account in the Trial
Court Trust Fund to which it is to be deposited. Any remittance that is not
made by the county or city and county in accordance with this section shall
be considered delinquent, and subject to the interest and penalties specified
in this section.

(i) Upon receipt of any delinquent payment required pursuant to this
section, the Controller shall do the following:

(1) Calculate interest on the delinquent payment by multiplying the
amount of the delinquent payment at a daily rate equivalent to the rate of
return of money deposited in the Local Agency Investment Fund pursuant
to Section 16429.1 from the date the payment was originally due to either
30 days after the date of the issuance by the Controller of the final audit
report concerning the failure to pay or the date of payment by the entity
responsible for the delinquent payment, whichever comes first.

(2) Calculate a penalty at a daily rate equivalent to 1 1/2 percent per month
from the date 30 days after the date of the issuance by the Controller of the
final audit report concerning the failure to pay.

(j) (1) Interest or penalty amounts calculated pursuant to subdivision (i)
shall be paid by the county, city and county, or court to the Trial Court Trust
Fund no later than 45 days after the end of the month in which the interest
or penalty was calculated. Payment shall be made by the entity responsible
for the error or other action that caused the failure to pay, as determined by
the Controller in notice given to that party by the Controller.

(2) Notwithstanding Section 77009, any interest or penalty on a delinquent
payment that a court is required to make pursuant to this section and Section
24353 shall be paid from the Trial Court Operations Fund for that court.
(3) The Controller may permit a county, city and county, or court to pay the interest or penalty amounts according to a payment schedule in the event of a large interest or penalty amount that causes a hardship to the paying entity.

(4) The party responsible for the error or other action that caused the failure to pay may include, but is not limited to, the party that collected the funds who is not the party responsible for remitting the funds to the Trial Court Trust Fund, if the collecting party failed or delayed in providing the remitting party with sufficient information needed by the remitting party to distribute the funds.

(k) The Trial Court Trust Fund shall be invested in the Surplus Money Investment Fund and all interest earned shall be allocated to the Trial Court Trust Fund quarterly and shall be allocated among the courts in accordance with the requirements of subdivision (a).

(l) It is the intent of the Legislature that the revenues required to be deposited into the Trial Court Trust Fund be remitted as soon after collection by the courts as possible.

(m) Except for subdivisions (a) and (k), this section does not apply to fees and fines that are listed in subdivision (a) of Section 68085.1 that are collected on or after January 1, 2006.

(n) The changes made to subdivisions (i) and (j) of this section by the act adding this subdivision shall apply to all delinquent payments for which no final audit has been issued by the Controller prior to January 1, 2008.

(o) The Judicial Council shall not expend any of these funds on the system known as the Court Case Management System without consent from the Legislature, except for the maintenance and operation of Court Case Management System Version 2 and Version 3.

(p) Nothing in this section or any other provision of law shall be construed to authorize the Judicial Council to redirect funds from the Trial Court Trust Fund for any purpose other than for allocation to trial courts or as otherwise specifically appropriated by statute.

(q) This section shall become operative on January 1, 2013.

SEC. 18. Section 68085.1 of the Government Code, as amended by Section 4 of Chapter 457 of the Statutes of 2009, is amended to read:

(10) Section 3153 of the Family Code, if the amount is paid to the court for the cost of counsel appointed by the court to represent a child.

(b) On and after January 1, 2006, each superior court shall deposit all fees and fines listed in subdivision (a), as soon as practicable after collection and on a regular basis, into a bank account established for this purpose by the Administrative Office of the Courts. Upon direction of the Administrative Office of the Courts, the county shall deposit civil assessments under Section 1214.1 of the Penal Code and any other money it collects under the sections listed in subdivision (a) as soon as practicable after collection and on a regular basis into the bank account established for this purpose and specified by the Administrative Office of the Courts. The deposits shall be made as required by rules adopted by, and financial policies and procedures authorized by, the Judicial Council under subdivision (a) of Section 77206. Within 15 days after the end of the month in which the fees and fines are collected, each court, and each county that collects any fines or fees under subdivision (a), shall provide the Administrative Office of the Courts with a report of the fees by categories as specified by the Administrative Office of the Courts. (2) If any distribution under this subdivision is delinquent, the Administrative Office of the Courts shall add a penalty to the distribution as specified in subdivision (i).

(d) Within 45 calendar days after the end of the month in which the fees and fines listed in subdivision (a) are collected, the amounts remaining after the distributions in subdivision (c) shall be transmitted to the State Treasury for deposit in the Trial Court Trust Fund and other funds as required by law. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the Trial Court Trust Fund or other fund to which it is to be deposited. Upon the receipt of any delinquent payment required under this subdivision, the Controller shall calculate a penalty as provided under subdivision (i).

(e) From the money transmitted to the State Treasury under subdivision (d), the Controller shall make deposits as follows:

1. Into the State Court Facilities Construction Fund, the Judges’ Retirement Fund, and the Equal Access Fund, as described in subdivision (c) of Section 68085.3 and subdivision (c) of Section 68085.4.

4. Into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund, established in Section 70371.5, as described in Sections 68085.3, 68085.4, and 70657.5, and subdivision (e) of Section 70617.

5. The remainder of the money shall be deposited into the Trial Court Trust Fund.

(f) The amounts collected by each superior court under Section 116.232, subdivision (g) of Section 411.20, and subdivision (g) of Section 411.21 of the Code of Civil Procedure, Sections 304, 3112, 3153, 7851.5, and 9002 of the Family Code, subdivision (d) of Section 6103.5, subdivision (d) of Section 68511.3 and Sections 68926.1, 69953.5, 70627, 70631, 70640, 70661, 70678, and 71386 of this code, and Sections 1513.1, 1835, 1851.5, and 2343 of the Probate Code shall be added to the monthly apportionment for that court under subdivision (a) of Section 68085.

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee. If a court collects a fee that was incurred before January 1, 2006, under a provision that was the predecessor to one of the paragraphs contained in subdivision (a), the fee may be deposited as if it were collected under the paragraph of subdivision (a) that corresponds
to the predecessor of that paragraph and distributed in prorated amounts to each fund or account to which the fee in subdivision (a) must be distributed.

(h) Except as provided in Sections 470.5 and 6322.1 of the Business and Professions Code, and Sections 70622, 70624, and 70625 of this code, no agency may take action to change the amounts allocated to any of the funds described in subdivision (c), (d), or (e).

(i) The amount of the penalty on any delinquent payment under subdivision (c) or (d) shall be calculated by multiplying the amount of the delinquent payment at a daily rate equivalent to 1 1⁄2 percent per month for the number of days the payment is delinquent. The penalty shall be paid from the Trial Court Trust Fund. Penalties on delinquent payments under subdivision (d) shall be calculated only on the amounts to be distributed to the Trial Court Trust Fund and the State Court Facilities Construction Fund, and each penalty shall be distributed proportionately to the funds to which the delinquent payment was to be distributed.

(j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated. If the penalty is not paid within the specified time, the Administrative Office of the Courts may reduce the amount of a subsequent monthly allocation to the court by the amount of the penalty on the delinquent payment.

(k) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a county in transmitting fees and fines listed in subdivision (a) to the bank account established for this purpose, as described in subdivision (b), the county shall reimburse the Trial Court Trust Fund for the amount of the penalty. The penalty shall be paid by the county to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated.

(l) This section shall become inoperative on July 1, 2017, and, as of January 1, 2018, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2018, deletes or extends the dates on which it becomes inoperative and is repealed.

(c) (1) Within 45 calendar days after the end of the month in which the fees and fines listed in subdivision (a) are collected, the Administrative Office of the Courts shall make the following distributions:

(A) To the small claims advisory services, as described in subdivision (f) of Section 116.230 of the Code of Civil Procedure.
(B) To dispute resolution programs, as described in subdivision (b) of Section 68085.3 and subdivision (b) of Section 68085.4.
(C) To the county law library funds, as described in Sections 116.230 and 116.760 of the Code of Civil Procedure, subdivision (b) of Section 68085.3, subdivision (b) of Section 68085.4, and Section 70621 of this code, and Section 14607.6 of the Vehicle Code.

(2) If any distribution under this subdivision is delinquent, the Administrative Office of the Courts shall add a penalty to the distribution as specified in subdivision (i).

(d) Within 45 calendar days after the end of the month in which the fees and fines listed in subdivision (a) are collected, the amounts remaining after the distributions in subdivision (c) shall be transmitted to the State Treasury for deposit in the Trial Court Trust Fund and other funds as required by law. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the Trial Court Trust Fund or other fund to which it is to be deposited. Upon the receipt of any delinquent payment required under this subdivision, the Controller shall calculate a penalty as provided under subdivision (i).

(e) From the money transmitted to the State Treasury under subdivision (d), the Controller shall make deposits as follows:

(1) Into the State Court Facilities Construction Fund, the Judges’ Retirement Fund, and the Equal Access Fund, as described in subdivision (c) of Section 68085.3 and subdivision (c) of Section 68085.4.

(5) The remainder of the money shall be deposited into the Trial Court Trust Fund.

(f) The amounts collected by each superior court under Section 116.232, subdivision (g) of Section 411.20, and subdivision (g) of Section 411.21 of the Code of Civil Procedure, Sections 304, 3112, 3153, 7851.5, and 9002 of the Family Code, subdivision (d) of Section 6103.5, subdivision (d) of Section 68511.3 and Sections 68926.1, 69953.5, 70627, 70631, 70640, 70661, 70678, and 71386 of this code, and Sections 1513.1, 1835, 1851.5, and 2343 of the Probate Code shall be added to the monthly apportionment for that court under subdivision (a) of Section 68085.

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee. If a court collects a fee that was incurred
before January 1, 2006, under a provision that was the predecessor to one of the paragraphs contained in subdivision (a), the fee may be deposited as if it were collected under the paragraph of subdivision (a) that corresponds to the predecessor of that paragraph and distributed in prorated amounts to each fund or account to which the fee in subdivision (a) must be distributed.

(h) Except as provided in Sections 470.5 and 6322.1 of the Business and Professions Code, and Sections 70622, 70624, and 70625 of this code, no agency may take action to change the amounts allocated to any of the funds described in subdivision (c), (d), or (e).

(i) The amount of the penalty on any delinquent payment under subdivision (c) or (d) shall be calculated by multiplying the amount of the delinquent payment at a daily rate equivalent to 1 1/2 percent per month for the number of days the payment is delinquent. The penalty shall be paid from the Trial Court Trust Fund. Penalties on delinquent payments under subdivision (d) shall be calculated only on the amounts to be distributed to the Trial Court Trust Fund and the State Court Facilities Construction Fund, and each penalty shall be distributed proportionately to the funds to which the delinquent payment was to be distributed.

(j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated. If the penalty is not paid within the specified time, the Administrative Office of the Courts may reduce the amount of a subsequent monthly allocation to the court by the amount of the penalty on the delinquent payment.

(k) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a county in transmitting fees and fines listed in subdivision (a) to the bank account established for this purpose, as described in subdivision (b), the county shall reimburse the Trial Court Trust Fund for the amount of the penalty. The penalty shall be paid by the county to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated.

(l) This section shall become operative on July 1, 2017.

(5) The Judicial Council shall adopt rules to ensure all of the following:

(A) That parties are given adequate and timely notice of the availability of an official court reporter.

(B) That if an official court reporter is not available, a party may arrange for the presence of a certified shorthand reporter to serve as an official pro tempore reporter, the costs therefor recoverable as provided in paragraph (4).

SEC. 21. Section 68090.8 of the Government Code is amended to read:

68090.8. (a) (1) The Legislature finds that the management of civil and criminal cases, including traffic cases, and the accounting for funds in the trial courts requires these courts to implement appropriate levels of administrative automation.

(2) The purpose of this section is to make a fund available for the development of automated administrative systems, including automated accounting, automated data collection through case management systems, and automated case-processing systems for the trial courts, together with funds to train operating personnel, and for the maintenance and enhancement of the systems. As used in this paragraph, “automated administrative systems” does not include electronic reporting systems for use in a courtroom.

(3) Automated data collection shall provide the foundation for planning, research, and evaluation programs that are generated from within and outside of the judicial branch. This system shall be a resource to the courts, the Judicial Council and its committees, the Administrative Office of the Courts, the Legislature, the Governor, and the public. During the developmental stage and prior to the implementation of the system, the Legislature shall
make recommendations to the Judicial Council as to the breadth and level of detail of the data to be collected.

(b) Prior to making any other required distribution, the county treasurer shall transmit 2 percent of all fines, penalties, and forfeitures collected in criminal cases, including, but not limited to, moneys collected pursuant to Chapter 12 (commencing with Section 76000) of Title 8 of this code, Section 13003 of the Fish and Game Code, Section 11502 of the Health and Safety Code, and Chapter 1 (commencing with Section 1427) of Title 11 of Part 2 of the Penal Code, into the State Trial Court Improvement and Modernization Fund established pursuant to Section 77209, to be used exclusively to pay the costs of automated systems for the trial courts, as described in paragraph (2) of subdivision (a). SEC. 22. Section 68106 of the Government Code is amended to read:

68106. (a) (1) In making appropriations for the support of the trial courts, the Legislature recognizes the importance of increased revenues from litigants and lawyers, including increased revenues from civil filing fees. It is therefore the intent of the Legislature that courts give the highest priority to keeping courtrooms open for civil and criminal proceedings. It is also the intent of the Legislature that, to the extent practicable, in the allocation of resources by and for trial courts, access to court services for civil litigants be preserved, budget cuts not fall disproportionately on civil cases, and the right to trial by jury be preserved.

(2) Furthermore, it is the intent of the Legislature in enacting the Budget Act of 2010, which includes increases in civil and criminal court fees and penalties, that trial courts remain open to the public on all days except judicial holidays, Saturdays, and Sundays, and except as authorized pursuant to Section 68115.

(b) (1) A trial court shall provide written notification to the public by conspicuous posting within or about its facilities, on its public Internet Web site, and by electronic distribution to individuals who have subscribed to the court’s electronic distribution service, and to the Judicial Council, not less than 60 days prior to closing any courtroom, or closing or reducing the hours of clerks’ offices during regular business hours on any day except judicial holidays, Saturdays, and Sundays, and except as authorized pursuant to Section 68115. The notification shall include the scope of the closure or reduction in hours, and the financial constraints or other reasons that make the closure or reduction necessary.

(2) (A) The notification required pursuant to paragraph (1) shall include information on how the public may provide written comments during the 60-day period on the court’s plan for closing a courtroom, or closing or reducing the hours of clerks’ offices. The court shall review and consider all public comments received. If the court plan for closing a courtroom, or closing or reducing the hours of clerks’ offices, changes as a result of the comments received or for any other reason, the court shall immediately provide notice to the public by posting a revised notice within or about its
facilities, on its public Internet Web site, and by electronic distribution to
individuals who have subscribed to the court’s electronic distribution service,
and to the Judicial Council. Any change in the court’s plan pursuant to this
paragraph shall not require notification beyond the initial 60-day period.

(B) This paragraph shall not be construed to obligate courts to provide
responses to the comments received.

(3) Within 15 days of receipt of a notice from a trial court, the Judicial
Council shall conspicuously post on its Internet Web site and provide the
chairs and vice chairs of the Committees on Judiciary, the Chair of the
Assembly Committee on Budget, and the Chair of the Senate Committee
on Budget and Fiscal Review a copy of any notice received pursuant to this
subdivision. The Legislature intends to review the information obtained
pursuant to this section to ensure that California trial courts remain open
and accessible to the public.

(c) Nothing in this section is intended to affect, limit, or otherwise
interfere with regular court management decisionmaking, including calendar
management and scheduling decisions.

SEC. 23. Section 68502.5 of the Government Code is amended to read:
68502.5. (a) The Judicial Council may, as part of its trial court budget

Director of the Courts. The trial court budget process may include, but is
not limited to, the following:

(1) The receipt of budget requests from the trial courts.

(2) The review of the trial courts’ budget requests and evaluate them
against performance criteria established by the Judicial Council by which
a court’s performance, level of coordination, and efficiency can be measured.

(3) The annual adoption of the projected cost in the subsequent fiscal
year of court operations as defined in Section 77003 for each trial court.
This estimation shall serve as a basis for recommended court budgets, which
shall be developed for comparison purposes and to delineate funding
responsibilities.

(4) The annual approval of a schedule for the allocation of moneys to
individual courts and an overall trial court budget for forwarding to the
Governor for inclusion in the Governor’s proposed State Budget. The
schedule shall be based on the performance criteria established pursuant to
paragraph (2), on a minimum standard established by the Judicial Council
for the operation and staffing of all trial court operations, and on any other
factors as determined by the Judicial Council. This minimum standard shall
be modeled on court operations using all reasonable and available measures
to increase court efficiency. The schedule of allocations shall assure that
all trial courts receive funding for the minimum operating and staffing
standards before funding operating and staffing requests above the minimum
standards, and shall include incentives and rewards for any trial court’s
implementation of efficiencies and cost saving measures.

(5) The reallocation of funds during the course of the fiscal year to ensure
equal access to the trial courts by the public, to improve trial court operations,
and to meet trial court emergencies. Neither the state nor the counties shall have any obligation to replace moneys appropriated for trial courts and reallocated pursuant to this paragraph.

(10) From time to time, a review of the level of fees charged by the courts for various services and prepare recommended adjustments for forwarding to the Legislature.

(b) Courts and counties shall establish procedures to allow for the sharing of information as it relates to approved budget proposals and expenditures that impact the respective court and county budgets. The procedures shall include, upon the request of a court or county, that a respective court or county shall provide the requesting court or county a copy of its approved budget and, to the extent possible, approved program expenditure component information and a description of budget changes that are anticipated to have an impact on the requesting court or county. The Judicial Council shall provide to the Legislature on December 31, 2001, and yearly thereafter, budget expenditure data at the program component level for each court.

(c) (1) The Judicial Council shall retain the ultimate responsibility to adopt a budget and allocate funding for the trial courts and perform the other activities listed in subdivision (a) that best assure their ability to carry out their functions, promote implementation of statewide policies, and promote the immediate implementation of efficiencies and cost saving measures in court operations, in order to guarantee equal access to the courts.

(2) (A) When setting the allocations for trial courts, the Judicial Council shall set a preliminary allocation in July of each fiscal year based on an estimate or an actual amount of available trial court resources in that fiscal year. In January of each fiscal year, after review of available trial court resources, the Judicial Council shall finalize allocations to trial courts.

(B) Upon preliminary determination of the allocations to trial courts pursuant to subparagraph (A), the Judicial Council shall set aside 2 percent
of the total funds appropriated in Program 45.10 of Item 0250-101-0932 of the annual Budget Act and these funds shall remain in the Trial Court Trust Fund. These funds shall be administered by the Judicial Council and be allocated to trial courts for unforeseen emergencies, unanticipated expenses for existing programs, or unavoidable funding shortfalls. Unavoidable funding shortfall requests for up to 1.5 percent of these funds shall be submitted by the trial courts to the Judicial Council no later than October 1 of each year. The Judicial Council shall, by October 31 of each year, review and evaluate all requests submitted, select trial courts to receive funds, and notify those selected trial courts. By March 15 of each year, the Judicial Council shall distribute the remaining funds if there has been a request from a trial court for unforeseen emergencies or unanticipated expenses that has been reviewed, evaluated, and approved. Any unexpended funds shall be distributed to the trial courts on a prorated basis.

(C) The Judicial Council shall, no later than April 15 of each year, report to the Legislature, pursuant to Section 9795 of the Government Code, and to the Department of Finance all requests and allocations made pursuant to subparagraph (B).

necessary as a result of the realignment of superior court security funding
enacted in Assembly Bill 118 (Chapter 40 of the Statutes of 2011), in which
the Trial Court Security Account was established in Section 30025 to fund
court security. As such, this article supersedes and replaces Function 8 of
Rule 10.810 of the California Rules of Court. Although realignment changed
the source of funding for court security, this article is not intended to, nor
should it, result in reduced court security service delivery, increased
obligations on sheriffs or counties, or other significant programmatic changes
that would not otherwise have occurred absent realignment.

SEC. 28. Section 69921 of the Government Code is amended to read:

69921. For purposes of this article:

Notwithstanding any other law, the presiding judge or his or her designee may provide that a court attendant take charge of a jury, as provided in Sections 613 and 614 of the Code of Civil Procedure. SEC. 33. Section 69925 of the Government Code is amended to read:

The meeting shall occur within five business days of any party requesting that meeting.

(d) If the meeting described in subdivision (c) does not result in a recommended resolution to the dispute, the presiding judge of the court, the sheriff, or the chair of the board of supervisors may request the assistance of the Administrative Director of the Courts, the President of the California State Sheriffs’ Association, and the President of the California State Association of Counties. Within 10 business days of the request, the representatives of the superior court, the sheriff, and the county involved in the dispute shall meet to discuss the dispute with the Administrative Office of the Courts, the California State Sheriffs’ Association, and the California State Association of Counties. The representatives of the superior court, the sheriff, and the county attending the meeting shall have the authority to negotiate a resolution on behalf of their respective principals. 5. Provide a process for an appeal of the decision issued under paragraph (4). The appeal shall be heard in a court of appeal district other than the one in which the county, the superior court, and the sheriff are located.

(f) The terms of a memorandum of understanding shall remain in effect, to the extent consistent with this article, and the sheriff shall continue to provide court security as required by this article, until the parties enter into a new memorandum of understanding.

(b) The fee for a first copy to any court, party, or other person who does not simultaneously purchase the original shall be twenty cents ($0.20) for each 100 words, and for each additional copy, purchased at the same time, fifteen cents ($0.15) for each 100 words.

(c) Notwithstanding subdivisions (a) and (b), if a trial court had established transcription fees that were in effect on January 1, 2012 based on an estimate or assumption as to the number of words or folios on a typical transcript page, those transcription fees shall be the transcription fees for proceedings in those trial courts, and the policy or practice for determining transcription fees in those trial courts shall not be unilaterally changed.

The total bonded indebtedness shall not exceed that amount for which fine and fee revenues may fully satisfy the debt service.

(e) The Judicial Council shall collect and make available upon request information regarding the moneys deposited in the Immediate and Critical Needs Account resulting from new and increased fees, assessments, and penalties authorized by the act that added this section.
(f) (1) The Judicial Council shall make recommendations to the State Public Works Board before it undertakes projects based on its determination that the need for a project is most immediate and critical using the then most recent version of the Prioritization Methodology for Trial Court Capital-Outlay Projects originally adopted on August 26, 2006, subject to the availability of funds in the Immediate and Critical Needs Account. Any such recommendation shall be accompanied by a certification that there are sufficient funds in the Immediate and Critical Needs Account. The State Public Works Board shall establish the scope and cost for each individual project.

(2) The Legislature finds that there may not be enough resources to pay for the cost of the projects identified as immediate and critical needs by the Judicial Council pursuant to its Prioritization Methodology for Trial Court Capital-Outlay Projects originally adopted on August 26, 2006, even after considering any bonded indebtedness that may be issued relying at least in part on those resources. Therefore, in choosing which projects shall be recommended to the State Public Works Board to be funded from the Immediate and Critical Needs Account, the Judicial Council shall consider and apply, as appropriate, the following factors, among others:

(A) Any economic opportunity that exists for a project.

(B) The effect on available resources of using alternative methods of project delivery as provided by Section 70391.5.

(3) Nothing in paragraph (2) shall authorize the Judicial Council to exceed the resources provided by the Immediate and Critical Needs Account, together with other available resources, in undertaking projects identified as immediate and critical needs.

(4) As used in paragraph (2), “economic opportunity” includes, but is not limited to, free or reduced costs of land for new construction, viable financing partnerships with, or fund contributions by, other government entities or private parties that result in lower project delivery costs, cost savings resulting from adaptive reuse of existing facilities, operational efficiencies from consolidation of court calendars and operations, operational savings from sharing of facilities by more than one court, and building operational cost savings from consolidation of facilities.

(5) The Judicial Council shall not consider and apply an economic opportunity unless it is reasonably assured that the economic opportunity is viable and will be realized. If a project is selected for funding based on an economic opportunity that is withdrawn after the project is approved, the Judicial Council may cancel the project.

(g) Notwithstanding any law, the Controller may use the funds in the Immediate and Critical Needs Account of the State Court Facilities Construction Fund for cashflow loans to the General Fund as provided in Sections 16310 and 16381.

The annual budget request shall include the following components:

1. Commencing with the 2006–07 fiscal year, annual General Fund appropriations to support the trial courts shall be comprised of both of the following:

(2) In addition to the moneys to be applied pursuant to subdivision (b), the Judicial Council may identify and request additional funding for the trial courts for costs resulting from the implementation of statutory changes that result in either an increased level of service or a new activity that directly affects the programmatic or operational needs of the courts.

(b) The Judicial Council shall allocate the funding from the Trial Court Trust Fund to the trial courts in a manner that best ensures the ability of the courts to carry out their functions, promotes implementation of statewide policies, and promotes the immediate implementation of efficiencies and cost-saving measures in court operations, in order to guarantee access to justice to citizens of the state.

The Administrative Director of the Courts shall establish budget procedures and an annual schedule of budget development and management consistent with these rules.

(2) The trial court policies and procedures shall specify the process for a court to transfer existing funds between or among the budgeted program components to reflect changes in the court’s planned operation or to correct technical errors. The Administrative Office of the Courts shall respond to the request for approval or denial to the affected court, in writing, with copies provided to the Department of Finance, the Legislative Analyst’s
Office, the Legislature’s budget committees, and the court’s affected labor
organizations.

In order to qualify for the program an offender need not be confined in an institution under the jurisdiction of the Department of Corrections and Rehabilitation. Under this program, one day of participation in an alternative custody program shall be in lieu of one day of incarceration in the state prison. Participants in the program shall receive any sentence reduction credits that they would have received had they served their sentence in the state prison, and shall be subject to denial and loss of credit pursuant to subdivision (a) of Section 2932. The department may enter into contracts with county agencies, not-for-profit organizations, for-profit organizations, and others in order to promote alternative custody placements.

(b) As used in this section, an alternative custody program shall include, but not be limited to, the following:

1. Confinement to a residential home during the hours designated by the department.
2. Confinement to a residential drug or treatment program during the hours designated by the department.
3. Confinement to a transitional care facility that offers appropriate services.

(c) Except as provided by subdivision (d), female inmates sentenced to state prison for a determinate term of imprisonment pursuant to Section 1170, and only those persons, shall be eligible to participate in the alternative custody program authorized by this section.

5. The person has a history, within the last 10 years, of escape from a facility while under juvenile or adult custody, including, but not limited to, any detention facility, camp, jail, or state prison facility.

The devices shall not be used to eavesdrop or record any conversation, except a conversation between the participant and the person supervising the participant, in which case the recording of such a conversation is to be used solely for the purposes of voice identification.

(f) (1) In order to implement alternative custody for the population specified in subdivision (c), the department shall create, and the participant shall agree to and fully participate in, an individualized treatment and rehabilitation plan. When available and appropriate for the individualized treatment and rehabilitation plan, the department shall prioritize the use of evidence-based programs and services that will aid in the successful reentry into society while she takes part in alternative custody. Case management services shall be provided to support rehabilitation and to track the progress and individualized treatment plan compliance of the inmate.

In addition, the participant shall admit any peace officer designated by the secretary or his or her designee into the participant’s residence at any time for purposes of verifying the participant’s compliance with the conditions of her detention. Prior to participation in the alternative custody program, all participants shall agree in writing to these terms and conditions.

(3) The secretary or his or her designee may immediately retake the participant into custody to serve the balance of her sentence if the electronic monitoring or supervising devices are unable for any reason to properly perform their function at the designated place of detention, if the participant fails to remain within the place of detention as stipulated in the agreement, or if the participant for any other reason no longer meets the established criteria under this section.

(h) Whenever a peace officer supervising a participant has reasonable suspicion to believe that the participant is not complying with the rules or conditions of the program, or that the electronic monitoring devices are unable to function properly in the designated place of confinement, the
peace officer may, under general or specific authorization of the secretary or his or her designee, and without a warrant of arrest, retake the participant into custody to complete the remainder of the original sentence.

(i) Nothing in this section shall be construed to require the secretary or his or her designee to allow an inmate to participate in this program if it appears from the record that the inmate has not satisfactorily complied with reasonable rules and regulations while in custody. An inmate shall be eligible for participation in an alternative custody program only if the secretary or his or her designee concludes that the inmate meets the criteria for program participation established under this section and that the inmate’s participation is consistent with any reasonable rules and regulations prescribed by the secretary.

(1) The rules and regulations and administrative policies of the program shall be written and shall be given or made available to the participant upon assignment to the alternative custody program.

(2) The secretary or his or her designee shall have the sole discretion concerning whether to permit program participation as an alternative to custody in state prison. A risk and needs assessment shall be completed on each inmate to assist in the determination of eligibility for participation and the type of alternative custody.

(j) The secretary or his or her designee shall permit program participants to seek and retain employment in the community, attend psychological counseling sessions or educational or vocational training classes, participate in life skills or parenting training, utilize substance abuse treatment services, or seek medical and dental assistance based upon the participant’s individualized treatment and release plan. Article 5. Supportive Housing Program for Mentally Ill Parolees

2985. It is the intent of the Legislature in enacting this article to provide evidence-based, comprehensive mental health and supportive services, including housing subsidies, to parolees who suffer from mental illness and are at risk of homelessness, in order to successfully reintegrate the parolees into the community, increase public safety, and reduce state costs of recidivism. It is further the intent of the Legislature to supplement existing parole outpatient clinic services by providing services to individuals who suffer from a severe mental illness, as defined in Section 5600.3 of the Welfare and Institutions Code, and who require services that cannot be provided by parole outpatient clinics, including services provided pursuant to Section 5806 of the Welfare and Institutions Code.

2985.1. For purposes of this article, the following definitions shall apply:

(2) First priority for the program shall be given to the lowest functioning offenders in prison, as identified by the department, who are likely to become homeless upon release.

(3) For purposes of this subdivision, a person is “likely to become homeless upon release” if he or she has a history of “homelessness” as that term is used in Section 11302(a) of Title 42 of the United States Code and if he or she satisfies both of the following criteria:

2985.3. (a) Each provider shall offer services, in accordance with Section 5806 of the Welfare and Institutions Code, to obtain and maintain health and housing stability while participants are on parole, to enable the parolee to comply with the terms of parole, and to augment mental health treatment provided to other parolees. (4) Assist in obtaining identification for the participant, if necessary.

(5) Assist in applying for any benefits for which the participant is eligible.

(c) (1) To facilitate the transition of participants identified prior to release into the community and participants identified during parole into supportive housing, each provider shall, on an ongoing basis, not less than quarterly, assess each participant’s needs and include in each participant’s assessment
a plan to foster independence and a residence in permanent housing once parole is complete.

(2) Upon referral to the provider, the provider shall work to transition participants from the department’s rental assistance to other mainstream rental assistance benefits if those benefits are necessary to enable the participant to remain in stable housing, and shall prioritize transitioning participants to these benefits in a manner that allows participants to remain housed, when possible, without moving. Mainstream rental assistance benefits may include, but are not limited to, federal Housing Choice Voucher assistance, Department of Housing and Urban Development-Veterans Affairs Supportive Housing vouchers, or other rental assistance programs.

(3) The participant’s parole discharge plan and the assessments shall consider the need for and prioritize linkage to county mental health services and housing opportunities that are supported by the Mental Health Services Act, the Mental Health Services Act Housing Program, or other funding sources that finance permanent supportive housing for persons with mental illness, so that the participant may continue to achieve all recovery goals of the program and remain permanently housed once the term of parole ends.

(4) The number of participants who successfully completed parole and transitioned to county mental health programs.

(b) The department shall prepare an analysis of the costs of the supportive housing program in comparison to the cost savings to the state as a result of reduced recidivism rates by participants using the information provided pursuant to subdivision (a). This analysis shall exclude from consideration any federal funds provided for services while the participant is on parole in
order to ensure that the analysis accurately reflects only the costs to the state for the services provided to participants.

(c) The department shall annually submit, on or before February 1, the information collected pursuant to subdivision (a) and the analysis prepared pursuant to subdivision (b) to the chairs of the Joint Legislative Budget Committee, the Senate Committee on Budget and Fiscal Review, the Assembly Committee on Budget, the Senate and Assembly Committees on Public Safety, the Senate Committee on Transportation and Housing, and the Assembly Committee on Housing and Community Development.

(A) A conviction of escape, of aiding another person to escape, or of an attempt to escape from a jail or prison.

(B) The presence of an active detainer from a law enforcement agency, unless the detainer is based solely upon warrants issued for failure to appear on misdemeanor Vehicle Code violations.

(3) It is probable the inmate’s conduct in a community facility will be adverse to herself or other participants in the program, as determined by the Secretary of the Department of Corrections and Rehabilitation or as evidenced by any of the following:

(A) The inmate’s removal from a community program which resulted from violation of state laws, rules, or regulations governing Department of Corrections and Rehabilitation’s inmates.

(B) A finding of the inmate’s guilt of a serious rule violation, as defined by the Secretary of the Department of Corrections and Rehabilitation, which resulted in a credit loss on one occasion of 91 or more days or in a credit loss on more than one occasion of 31 days or more and the credit has not been restored.

(C) A current written opinion of a staff physician or psychiatrist that the inmate’s medical or psychiatric condition is likely to cause an adverse effect upon the inmate or upon other persons if the inmate is placed in the program.

(c) The Secretary of the Department of Corrections and Rehabilitation shall consider the placement of the following inmates in the community treatment program on a case-by-case basis:

(1) An inmate convicted of the unlawful sale or possession for sale, manufacture, or transportation of controlled substances, as defined in Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code, if large scale for profit as defined by the department, provided that an inmate convicted pursuant to Section 11358 or 11359 of the Health and Safety Code shall be admitted to the program pursuant to subdivision (a).

(2) An inmate with a United States Immigration and Customs Enforcement hold.

(d) A charged offense that did not result in a conviction shall not be used to exclude an applicant from the program.

(e) Nothing in this section shall be interpreted to limit the discretion of the Secretary of the Department of Corrections and Rehabilitation to deny or approve placement when subdivision (b) does not apply.

(f) The Department of Corrections and Rehabilitation shall determine if the applicant meets the requirements of this section within 30 days of the
parent’s application to the program. The department shall establish an appeal procedure for the applicant to appeal an adverse decision by the department.

That agreement shall make provision for the support of a person so committed or transferred by the county from which he or she is committed. When that agreement is in effect, commitments may be made by the court and support of a person so committed shall be a charge upon the county from which he or she is committed.

(b) This section shall become operative on July 1, 2015.

restitution fines against the minor or adult. The balance of any award shall
be forwarded to the minor or adult committed to the Division of Juvenile
Facilities after full payment of all outstanding restitution orders and
restitution fines subject to subdivision (e). The Division of Juvenile Facilities
shall make all reasonable efforts to notify the victims of the crime for which
the minor or adult was committed concerning the pending payment of any
compensatory or punitive damages. This subdivision shall apply to cases

cannot be located, after one year from the date of discharge, absconding
from the Division of Juvenile Facilities supervision, or escape, the Division
of Juvenile Facilities shall apply the trust account balance to any unsatisfied
victim restitution order or fine owed by that ward. If the victim restitution
order or fine has been satisfied, the remainder of the ward’s trust account
balance, if any, shall be transferred to the Benefit Fund to be expended
pursuant to Section 1752.5. If the victim to whom a particular ward owes
restitution cannot be located, the moneys shall be transferred to the Benefit
Fund to be expended pursuant to Section 1752.5.

This section shall not apply to persons committed to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, by a juvenile court prior to July 1, 2012, pursuant to subdivision (b).

SEC. 110. Section 1771 of the Welfare and Institutions Code is amended to read:

1771. (a) Every person convicted of a felony and committed to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, shall be discharged when he or she attains 25 years of age, unless an order for further detention has been made by the committing court pursuant to Article 6 (commencing with Section 1800) or unless a petition is filed under Article 5 (commencing with Section 1780). In the event that a petition under Article 5 (commencing with Section 1780) is filed, the division shall retain control until the final disposition of the proceeding under Article 5 (commencing with Section 1780).

(b) Notwithstanding subdivision (a), on and after July 1, 2012, every person committed by a juvenile court to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities, who is found to be a person described in Section 602 by reason of the violation of any of the offenses listed in subdivision (b) or paragraph (2) of subdivision (d) of Section 707, or subdivision (c) of Section 290.008 of the Penal Code, shall be discharged upon the expiration of a two-year period of control, or when the person attains 23 years of age, whichever occurs later, unless an order for further detention has been made by the committing court pursuant to Article 6 (commencing with Section 1800). SEC. 111. Section 1800 of the Welfare and Institutions Code is amended to read:
1800. (a) Whenever the Division of Juvenile Facilities determines that the discharge of a person from the control of the division at the time required by Section 1766, 1769, 1770, or 1771, as applicable, would be physically dangerous to the public because of the person’s mental or physical deficiency, disorder, or abnormality that causes the person to have serious difficulty controlling his or her dangerous behavior, the division, through the Director of the Division of Juvenile Justice, shall request the prosecuting attorney to petition the committing court for an order directing that the person remain subject to the control of the division beyond that time. The petition shall be filed at least 90 days before the time of discharge otherwise required. The petition shall be accompanied by a written statement of the facts upon which the division bases its opinion that discharge from control of the division at the time stated would be physically dangerous to the public, but the petition may not be dismissed and an order may not be denied merely because of technical defects in the application.

(b) The prosecuting attorney shall promptly notify the Division of Juvenile Facilities of a decision not to file a petition.

SEC. 112. Section 1800.5 of the Welfare and Institutions Code is amended to read:

1800.5. Notwithstanding any other provision of law, the Board of Parole Hearings may request the Director of the Division of Juvenile Justice to review any case in which the Division of Juvenile Facilities has not made a request to the prosecuting attorney pursuant to Section 1800 and the board finds that the ward would be physically dangerous to the public because of the ward’s mental or physical deficiency, disorder, or abnormality that causes the person to have serious difficulty controlling his or her dangerous behavior. Upon the board’s request, a mental health professional designated by the director shall review the case and thereafter may affirm the finding or order additional assessment of the ward. If, after review, the mental health designee affirms the initial finding, concludes that a subsequent assessment does not demonstrate that a ward is subject to extended detention pursuant to Section 1800, or fails to respond to a request from the board within the timeframe mandated by this section, the board thereafter may request the prosecuting attorney to petition the committing court for an order directing that the person remain subject to the control of the division pursuant to Section 1800 if the board continues to find that the ward would be physically dangerous to the public because of the ward’s mental or physical deficiency, disorder, or abnormality that causes the person to have serious difficulty controlling his or her dangerous behavior. The board’s request to the prosecuting attorney shall be accompanied by a copy of the ward’s file and any documentation upon which the board bases its opinion, and shall include any documentation of the division’s review and recommendations made pursuant to this section. Any request for review pursuant to this section shall be submitted to the director not less than 120 days before the date of final discharge, and the review shall be completed and transmitted to the board not more than 15 days after the request has been received.

3050. (a) Prior to July 1, 2012, upon conviction of a defendant of a misdemeanor or infraction or following revocation of probation previously granted for a misdemeanor or infraction, whether or not sentence has been imposed, if it appears to the judge that the defendant may be addicted or by reason of repeated use of narcotics may be in imminent danger of becoming addicted to narcotics, such judge shall adjourn the proceedings or suspend the imposition or execution of the sentence, certify the defendant to the superior court and order the district attorney to file a petition for a commitment of the defendant to the Secretary of the Department of Corrections and Rehabilitation for confinement in the narcotic detention, treatment and rehabilitation facility.

(b) Upon the filing of such a petition, the superior court shall order the defendant to be examined by one physician. At the request of the defendant, the court shall order the defendant to be examined by a second physician. At least one day before the time of the examination as fixed by the court order, a copy of the petition and order for examination shall be personally delivered to the defendant. A written report of the examination by the physician or physicians shall be delivered to the court, and if the report is to the effect that the person is not addicted nor in imminent danger of addiction, it shall so certify and return the defendant to the court which certified such defendant to the superior court for such further proceedings as the judge of such court deems warranted. If the report is to the effect that the defendant is addicted or is by reason of the repeated use of narcotics in imminent danger of addiction, further proceedings shall be conducted in compliance with Sections 3104, 3105, 3106, and 3107.

(1) If, after a hearing, the judge finds that the defendant is a narcotic addict, or is by reason of the repeated use of narcotics in imminent danger of becoming addicted thereto, and is not ineligible for the program under the application of Section 3052, he or she shall make an order committing such defendant to the custody of the Secretary of the Department of Corrections and Rehabilitation for confinement in the facility until such time as he or she is discharged pursuant to Article 5 (commencing with Section 3200), except as this chapter permits earlier discharge. If, upon the hearing, the judge shall find that the defendant is not a narcotic addict and is not in imminent danger of becoming addicted to narcotics, the judge shall so certify and return the defendant to the court which certified the defendant to the superior court for such further proceedings as the judge of the court which certified the defendant to the superior court deems warranted.

(2) If a person committed pursuant to this section is dissatisfied with the order of commitment, he or she may within 10 days after the making of such order, file a written demand for a jury trial in compliance with Section 3108.

(c) Commencing July 1, 2012, no new commitments may be made pursuant to this section.
SEC. 115. Section 3051 of the Welfare and Institutions Code is amended to read:

3051. (a) Prior to July 1, 2012, upon conviction of a defendant for a felony, or following revocation of probation previously granted for a felony, and upon imposition of sentence, if it appears to the judge that the defendant may be addicted or by reason of repeated use of narcotics may be in imminent danger of becoming addicted to narcotics the judge shall suspend the execution of the sentence and order the district attorney to file a petition for commitment of the defendant to the Secretary of the Department of Corrections and Rehabilitation for confinement in the narcotic detention, treatment, and rehabilitation facility unless, in the opinion of the judge, the defendant’s record and probation report indicate such a pattern of criminality that he or she does not constitute a fit subject for commitment under this section.

(b) Upon the filing of the petition, the court shall order the defendant to be examined by one physician. However, the examination may be waived by a defendant if the defendant has been examined in accordance with Section 1203.03 of the Penal Code and that examination encompassed whether defendant is addicted or is in imminent danger of addiction, and if the defendant is represented by counsel and competent to understand the effect of the waiver. In cases where a physician’s report is waived by the defendant, the Department of Corrections and Rehabilitation may perform an evaluation and provide a report as to the defendant’s addiction or imminent danger of addiction. If the Department of Corrections and Rehabilitation determines that the defendant is not addicted or in imminent danger of addiction, the defendant shall be returned to the sentencing court for resentencing. The examination may also be waived upon stipulation by the defendant, his or her attorney, the prosecutor, and the court that the defendant is addicted or is in imminent danger of addiction. If a physician’s report is prepared, at the request of the defendant, the court shall order the defendant to be examined by a second physician. At least one day before the time of the examination as fixed by the court order, a copy of the petition and order for examination shall be personally delivered to the defendant. A written report of the examination by the physician or physicians shall be delivered to the court, and if the report is to the effect that the person is not addicted nor in imminent danger of addiction, it shall so certify and return the defendant to the department of the superior court that directed the filing of the petition for the ordering of the execution of the sentence. The court may, unless otherwise prohibited by law, modify the sentence or suspend the imposition of the sentence. If the report is to the effect that the defendant is addicted or is by reason of the repeated use of narcotics in imminent danger of addiction, further proceedings shall be conducted in compliance with Sections 3104, 3105, 3106, and 3107.

(1) If, after a hearing, the judge finds that the defendant is a narcotic addict, or is by reason of the repeated use of narcotics in imminent danger of becoming addicted to narcotics, the judge shall make an order committing the person to the custody of the Secretary of the Department of Corrections...
and Rehabilitation for confinement in the facility until a time that he or she is discharged pursuant to Article 5 (commencing with Section 3200), except as this chapter permits earlier discharge. If, upon the hearing, the judge finds that the defendant is not a narcotic addict and is not in imminent danger of becoming addicted to narcotics, the judge shall so certify and return the defendant to the department of the superior court that directed the filing of the petition for the ordering of execution of sentence. The court may, unless otherwise prohibited by law, modify the sentence or suspend the imposition of the sentence.

(2) If a person committed pursuant to this section is dissatisfied with the order of commitment, he or she may, within 10 days after the making of the order, file a written demand for a jury trial in compliance with Section 3108.

(c) A psychologist licensed pursuant to Chapter 6.6 (commencing with Section 2900) of Division 2 of the Business and Professions Code may perform the examination specified in this section and Section 3050. This section does not expand the scope of practice of psychologists as set forth in Section 2903 of the Business and Professions Code nor does this section allow a psychologist to perform any activity that would otherwise require a physician’s and surgeon’s license.

(d) Commencing July 1, 2012, no new commitments may be made pursuant to this section.

SEC. 116. Section 3100 of the Welfare and Institutions Code is amended to read:

As used in this article the term “person” includes any person who is released on probation by any court of this state.

(b) Commencing July 1, 2012, no new commitments may be made pursuant to this section.

SEC. 117. Section 3100.6 of the Welfare and Institutions Code is amended to read:

3100.6. (a) Prior to July 1, 2012, any peace officer or health officer who has reasonable cause to believe that a person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use may take the person, for his best interest and protection, to the county hospital or other suitable medical institution designated by the board of supervisors of the county.

(b) Upon written application of the peace officer or health officer, the physician or superintendent in charge of the designated hospital or institution may admit the person believed to be addicted to the use of narcotics or in
imminent danger of becoming addicted to their use. The application shall state the circumstances under which the person’s condition was called to the officer’s attention, shall state the date, time, and place of taking the person into custody and shall state the facts upon which the officer has reasonable cause to believe that the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use. The application shall be signed by the officer, and a copy of the application shall be presented to the person prior to his admittance to the hospital or institution.

(c) Within 24 hours of admittance, a physician shall conduct an examination to determine whether the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use and may provide the person with medical aid as necessary to ease any symptoms of withdrawal from the use of narcotics.

(1) If, after examination, the physician does not believe that the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use, the physician shall immediately report his or her belief to the physician or superintendent in charge of the hospital or institution, who shall discharge the person immediately.

(2) If, after examination, the physician believes that further examination is necessary to determine whether the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of addiction to their use, the physician shall prepare an affidavit which states that the physician has examined the person and has that belief. The physician or superintendent in charge of the hospital or institution thereupon shall have the power to detain the person for not more than an additional 48 hours for further examination.

(3) If, after such further examination, the physician does not believe that the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use, the physician shall immediately report his or her belief to the physician or superintendent in charge of the hospital or institution, who shall discharge the person immediately.

(d) If, after such examination, or further examination, the physician believes that the person is addicted to the use of narcotics or by reason of the repeated use of narcotics is in imminent danger of becoming addicted to their use, the physician shall prepare an affidavit which states that the physician has examined the person and has that belief, and which states the time and date of admission to the hospital or institution and the time and date of the examination and, if appropriate, the further examination. The physician or superintendent in charge of the hospital or institution thereupon shall report such belief to the district attorney, who may petition the superior court for a commitment of the person to the Secretary of the Department of Corrections and Rehabilitation for confinement in the narcotic detention and rehabilitation facility.
(e) Unless the petition of the district attorney, accompanied by the affidavit of the examining physician, is filed in the superior court within 72 hours after admittance to the hospital or institution, excluding Saturdays, Sundays and judicial holidays, the physician or superintendent in charge shall discharge the person immediately.

(f) No evidence of violations of Sections 11350, 11357, and 11550 of the Health and Safety Code found during the examination authorized by this section shall be admissible in any criminal proceeding against the person.

SEC. 118. Section 3201 of the Welfare and Institutions Code is amended to read:

3201. (a) Except as otherwise provided in subdivisions (b) and (c) of this section, if a person committed pursuant to this chapter has not been discharged from the program prior to expiration of 16 months, the Secretary of the Department of Corrections and Rehabilitation shall, on the expiration of such period, return him or her to the court from which he or she was committed, which court shall discharge him or her from the program and order him or her returned to the court in which criminal proceedings were adjourned, or the imposition of sentence suspended, prior to his or her commitment or certification to the superior court.

(b) Any other provision of this chapter notwithstanding, in any case in which a person was committed pursuant to Article 3 (commencing with Section 3100), such person shall be discharged no later than 12 months after his or her commitment.

(c) Prior to July 1, 2012, any person committed pursuant to Article 2 (commencing with Section 3050), whose execution of sentence in accordance with the provisions of Section 1170 of the Penal Code was suspended pending a commitment pursuant to Section 3051, who has spent, pursuant to this chapter, a period of time in confinement or in custody, excluding any time spent on outpatient status, equal to that which he or she would have otherwise spent in state prison had sentence been executed, including application of good behavior and participation credit provisions of Article 2.5 (commencing with Section 2930) of Chapter 7 of Title 1 of Part 3 of the Penal Code, shall, upon reaching such accumulation of time, be released on parole under the jurisdiction of the Board of Parole Hearings subject to all of the conditions imposed by the authority and subject to the provisions of Article 1 (commencing with Section 3000) of Chapter 8 of Title 1 of Part 3 of the Penal Code. A person on parole who violates the rules, regulations or conditions imposed by the authority shall be subject to being retaken and returned to the California Rehabilitation Center as prescribed in such rules, regulations, or conditions and in accordance with the provisions of Sections 3151 and 3152. At the termination of this period of parole supervision or of custody in the California Rehabilitation Center, or on July 1, 2013, whichever occurs sooner, the person shall be returned by the Secretary of the Department of Corrections and Rehabilitation to the court from which such person was committed, which court shall discharge him or her from
the program and order him or her returned to the court which suspended execution of such person’s sentence to state prison. However, if the person is serving a term of revocation or is obtaining substance abuse treatment on July 1, 2013, that person shall complete the term or treatment in the California Rehabilitation Center and shall thereafter be discharged from the program and the secretary shall order him or her returned to the court that suspended execution of the person’s sentence to state prison. That court, notwithstanding any other provision of law, shall suspend or terminate further proceedings in the interest of justice, modify the sentence in the same manner as if the commitment had been recalled pursuant to subdivision (d) of Section 1170 of the Penal Code, or order execution of the suspended sentence. Upon the ordering of the execution of such sentence, the term imposed shall be deemed to have been served in full.

Except as otherwise provided in the preceding paragraph, or as otherwise provided in Section 3200, the period of commitment, including outpatient status, for persons committed pursuant to Section 3051, which commitment is subsequent to a criminal conviction for which execution of sentence to state prison is suspended, shall equal the term imposed under Section 1170 of the Penal Code, notwithstanding good time and participation credit provisions of Article 2.5 (commencing with Section 2930) of Chapter 7 of Title 1 of Part 3 of such code. Prior to July 1, 2012, upon reaching such period of time, such person shall be released on parole under the jurisdiction of the Board of Parole Hearings subject to all of the conditions imposed by the authority and subject to the provisions of Article 1 (commencing with Section 3000) of Chapter 8 of Title 1 of Part 3 of the Penal Code. A person on parole who violates the rules, regulations, or conditions imposed by the authority shall be subject to being retaken and returned to the California Rehabilitation Center as prescribed in such rules, regulations, or conditions and in accordance with the provisions of Sections 3151 and 3152. At the termination of this period of parole supervision or of custody in the California Rehabilitation Center or on July 1, 2013, whichever occurs sooner, the person shall be returned by the Secretary of the Department of Corrections and Rehabilitation to the court from which he or she was committed, which court shall discharge such person from the program and order him or her returned to the court which suspended execution of the person’s sentence to state prison. However, if the person is serving a term of revocation or is obtaining substance abuse treatment on July 1, 2013, that person shall complete the term or treatment in the California Rehabilitation Center and shall thereafter be discharged from the program and the secretary shall order him or her returned to the court that suspended execution of the person’s sentence to state prison. That court, notwithstanding any other provision of law, shall suspend or terminate further proceedings in the interest of justice, modify the sentence in the same manner as if the commitment had been recalled pursuant to subdivision (d) of Section 1170 of the Penal Code, or order execution of the suspended sentence. Upon the ordering of the execution of such sentence, the term imposed shall be deemed to have been served in full.
Nothing in this section shall preclude a person who has been discharged from the program from being recommitted under the program prior to July 1, 2012, irrespective of the periods of time of any previous commitments.

(d) Beginning July 1, 2012, no person committed pursuant to Article 2 (commencing with Section 3050) or persons committed pursuant to Section 3501 and discharged from the California Rehabilitation Center shall be placed on a period of parole. Following discharge from the California Rehabilitation Center, the person shall be returned by the Secretary of the Department of Corrections and Rehabilitation to the court from which he or she was committed, which court shall discharge the person from the program and order him or her returned to the court that suspended execution of the person’s sentence to state prison.

(e) Beginning July 1, 2013, any person on parole pursuant to this section that is not serving a term of revocation or in custody of the Department of Corrections and Rehabilitation shall be discharged from parole and ordered to return to the court that suspended execution of the person’s sentence for further proceedings consistent with this section.
