

AMENDED IN ASSEMBLY APRIL 15, 2013

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 12

Introduced by Assembly Member Cooley

December 3, 2012

An act to amend Section 11349.1.5 of the Government Code, relating to state government.

LEGISLATIVE COUNSEL’S DIGEST

AB 12, as amended, Cooley. State government: Administrative Procedure Act: standardized regulatory impact analyses.

The Administrative Procedure Act governs the procedures for the adoption, amendment, or repeal of regulations by state agencies and for the review of those regulatory actions by the Office of Administrative Law. Existing law requires each state agency to prepare a standardized regulatory impact analysis, as specified, with respect to the adoption, amendment, or repeal of a major regulation, as defined, that is proposed on or after November 1, 2013. Existing law requires the Department of Finance and the office, from time to time, to review the standardized regulatory impact analyses for adherence to regulations adopted by the department.

This bill would instead require the Department of Finance and the office to annually review the standardized regulatory impact analyses for adherence to the regulations adopted by the department.

Existing law requires, on or before November 1, 2015, the office to submit to the Senate and Assembly Committees on Governmental Organization a report describing the extent to which submitted standardized regulatory impact analyses for proposed major regulations adhere to the regulations adopted by the department.

This bill would *instead* require the ~~report to office to annually prepare that report for the Senate Committee on Governmental Organization and the Assembly Committee on Accountability and Administrative Review and include any recommendations from the office~~ for actions the Legislature might consider for improving state agency performance and compliance in the creation of the standardized regulatory impact analyses. This bill would *also* require the office to notify the Legislature of noncompliance by a state agency and to post the report and the notice of noncompliance on the office's Internet Web site.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
