

Assembly Bill No. 186

CHAPTER 640

An act to add Section 115.6 to the Business and Professions Code, relating to professions and vocations, and making an appropriation therefor.

[Approved by Governor September 27, 2014. Filed with Secretary of State September 27, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

AB 186, Maienschein. Professions and vocations: military spouses: temporary licenses.

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law provides for the issuance of reciprocal licenses in certain fields where the applicant, among other requirements, has a license to practice within that field in another jurisdiction, as specified. Existing law requires that the licensing fees imposed by certain boards within the department be deposited in funds that are continuously appropriated. Existing law requires a board within the department to expedite the licensure process for an applicant who holds a current license in another jurisdiction in the same profession or vocation and who supplies satisfactory evidence of being married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active duty military orders.

This bill would, in addition to the expedited licensure provisions described above, establish a temporary licensure process for specified licensed professions for an applicant who holds a current, active, and unrestricted license in another jurisdiction, as specified, and who supplies satisfactory evidence of being married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active duty military orders. The bill would require a temporary license issued pursuant to these provisions to expire 12 months after issuance, upon issuance of an expedited license, or upon denial of the application for expedited licensure by the board, whichever occurs first.

This bill would also require an applicant seeking a temporary license as a civil engineer, geotechnical engineer, structural engineer, land surveyor, professional geologist, professional geophysicist, certified engineering geologist, or certified hydrogeologist to successfully pass the appropriate California-specific examination or examinations required for licensure in those respective professions by the Board for Professional Engineers, Land Surveyors, and Geologists.

Because the bill would authorize the expenditure of continuously appropriated funds for a new purpose, the bill would make an appropriation.
Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 115.6 is added to the Business and Professions Code, to read:

115.6. (a) A board within the department shall, after appropriate investigation, issue the following eligible temporary licenses to an applicant if he or she meets the requirements set forth in subdivision (c):

- (1) Registered nurse license by the Board of Registered Nursing.
- (2) Vocational nurse license issued by the Board of Vocational Nursing and Psychiatric Technicians of the State of California.
- (3) Psychiatric technician license issued by the Board of Vocational Nursing and Psychiatric Technicians of the State of California.
- (4) Speech-language pathologist license issued by the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board.
- (5) Audiologist license issued by the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board.
- (6) Veterinarian license issued by the Veterinary Medical Board.
- (7) All licenses issued by the Board for Professional Engineers, Land Surveyors, and Geologists.
- (8) All licenses issued by the Medical Board of California.

(b) The board may conduct an investigation of an applicant for purposes of denying or revoking a temporary license issued pursuant to this section. This investigation may include a criminal background check.

(c) An applicant seeking a temporary license pursuant to this section shall meet the following requirements:

- (1) The applicant shall supply evidence satisfactory to the board that the applicant is married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in this state under official active duty military orders.
- (2) The applicant shall hold a current, active, and unrestricted license that confers upon him or her the authority to practice, in another state, district, or territory of the United States, the profession or vocation for which he or she seeks a temporary license from the board.
- (3) The applicant shall submit an application to the board that shall include a signed affidavit attesting to the fact that he or she meets all of the requirements for the temporary license and that the information submitted in the application is accurate, to the best of his or her knowledge. The application shall also include written verification from the applicant's original licensing jurisdiction stating that the applicant's license is in good standing in that jurisdiction.

(4) The applicant shall not have committed an act in any jurisdiction that would have constituted grounds for denial, suspension, or revocation of the license under this code at the time the act was committed. A violation of this paragraph may be grounds for the denial or revocation of a temporary license issued by the board.

(5) The applicant shall not have been disciplined by a licensing entity in another jurisdiction and shall not be the subject of an unresolved complaint, review procedure, or disciplinary proceeding conducted by a licensing entity in another jurisdiction.

(6) The applicant shall, upon request by a board, furnish a full set of fingerprints for purposes of conducting a criminal background check.

(d) A board may adopt regulations necessary to administer this section.

(e) A temporary license issued pursuant to this section may be immediately terminated upon a finding that the temporary licenseholder failed to meet any of the requirements described in subdivision (c) or provided substantively inaccurate information that would affect his or her eligibility for temporary licensure. Upon termination of the temporary license, the board shall issue a notice of termination that shall require the temporary licenseholder to immediately cease the practice of the licensed profession upon receipt.

(f) An applicant seeking a temporary license as a civil engineer, geotechnical engineer, structural engineer, land surveyor, professional geologist, professional geophysicist, certified engineering geologist, or certified hydrogeologist pursuant to this section shall successfully pass the appropriate California-specific examination or examinations required for licensure in those respective professions by the Board for Professional Engineers, Land Surveyors, and Geologists.

(g) A temporary license issued pursuant to this section shall expire 12 months after issuance, upon issuance of an expedited license pursuant to Section 115.5, or upon denial of the application for expedited licensure by the board, whichever occurs first.
