CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1285

Introduced by Assembly Member Fong

February 22, 2013

An act to amend Section 69435 of the Education Code, relating to student financial aid.

LEGISLATIVE COUNSEL'S DIGEST

AB 1285, as amended, Fong. Student financial aid: Cal Grant Program.

Existing law, the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program (Cal Grant Program), establishes the Cal Grant A and B Entitlement awards, the California Community College Transfer Cal Grant Entitlement awards, the Competitive Cal Grant A and B awards, the Cal Grant C awards, and the Cal Grant T awards under the administration of the Student Aid Commission, and establishes eligibility requirements and maximum levels for awards under these programs for participating students attending qualifying institutions, as defined. Under the Cal Grant Program, the maximum Cal Grant B award for a student attending the University of California or the California State University equals the mandatory systemwide fees in the segment attended by the student, plus the award for access costs, and the maximum Cal Grant B award for a student attending a nonpublic institution equals the amount of the tuition award, as prescribed, plus the award for access costs,

except that in the first year of enrollment in a qualifying institution, the maximum award is only for the amount of the access award.

With respect to Cal Grant B Entitlement awards, existing law requires that the award be used only for tuition, student fees, and access costs, as defined, in a for-credit instructional program that is not less than one academic year in length. Existing law requires that no more than 2% of new Cal Grant B recipients enrolling for the first time in an institution of postsecondary education are eligible for payments for tuition or fees, or both, in their first academic year of attendance.

This bill would delete the 2% limit for receipt of payments for tuition or fees, or both, for new Cal Grant B ~~Entitlement award~~ *Entitlement award* recipients in their first academic year of attendance at an institution of postsecondary education, and instead provide that, for the ~~2014–15~~ *2015–16*, ~~2015–16~~ *2016–17*, and ~~2016–17~~ *2017–18* academic years, respectively, 25%, 50%, and 75% of the Cal Grant B Entitlement award recipients would be eligible for payments for tuition or fees, or both, in their first academic year of attendance at an institution of postsecondary education. The bill would further provide that, commencing with the ~~2017–18~~ *2018–19* academic year, and each academic year thereafter, all new Cal Grant B recipients enrolling for the first time in an institution of postsecondary education would be eligible for payments for tuition or fees, or both, in their first academic year of attendance. *This bill would require that the institution not supplant any of its institutional need-based grants with funds provided for Cal Grant B awards, and maintain the funding amounts for these grants at a level that, at a minimum, is equal to the level maintained for undergraduate students during the 2013–14 academic year, in order for the students enrolled in the institution to remain eligible to receive a Cal Grant B award. This bill would become operative on July 1, 2015.*
