An act to add Sections 4142 and 4143 to the Welfare and Institutions Code, relating to mental health.

LEGISLATIVE COUNSEL'S DIGEST

AB 1340, as amended, Achadjian. State Hospital Employees Act.

Existing law ~~provides for~~ *establishes* state hospitals for the care, treatment, and education of mentally disordered persons. These hospitals are under the jurisdiction of the State Department of State Hospitals, which is authorized by existing law to adopt regulations regarding the conduct and management of these facilities. Existing law requires each state hospital to develop an incident reporting procedure that can be used to, at a minimum, develop reports of patient assaults on employees and assist the hospital in identifying risks of patient assaults on employees.

This bill would require ~~each state hospital~~ *each hospital*, beginning July 1, 2015, to establish and maintain an enhanced treatment unit as part of its facilities. The bill would also require any case of assault by a patient of a state hospital, as specified, to be immediately referred to the local district attorney, and if, after the referral, the local district attorney declines to prosecute, or the patient is found incompetent to stand trial or not guilty by reason of insanity, the *bill would require the patient is required* to be placed in the enhanced treatment unit of the hospital until the patient is deemed safe to return to the regular population of the hospital.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
