CHAPTER _____

An act to amend Sections 33130, 34167.5, 34171, 34177, 34177.5, 34179, 34180, 34191.4, and 34191.5 of the Health and Safety Code, relating to redevelopment.

LEGISLATIVE COUNSEL'S DIGEST

SB 1129, Steinberg. Redevelopment: successor agencies to redevelopment agencies.

(1) Existing law dissolved redevelopment agencies and community development agencies as of February 1, 2012, and provides for the designation of successor agencies to wind down the affairs of the dissolved redevelopment agencies, subject to review by oversight boards, and to, among other things, make payments due for enforceable obligations and to perform obligations required pursuant to any enforceable obligation. Existing law requires the Department of Finance to issue a finding of completion to a successor agency upon confirmation by the county auditor-controller that specified payments have been fully made by the successor agency. Existing law prohibits a successor agency from entering into contracts with, incurring obligations or making commitments to, any entity, as specified; or from amending or modifying existing agreements, obligations, or commitments with any entity, for any purpose. Existing law defines “enforceable obligation” for these purposes to generally exclude any agreements, contracts, or arrangements between the city, county, or city and county that created the redevelopment agency and the former redevelopment agency.

This bill would authorize a successor agency, if the successor agency has received a finding of completion, to enter into, or amend existing, contracts and agreements, or otherwise administer projects in connection with enforceable obligations, if the contract, agreement, or project will not commit new property tax funds or otherwise adversely affect the flow of specified tax revenues or payments to the taxing agencies, as specified.

The bill would specifically include within the definition of “enforceable obligation” an agreement entered into by the redevelopment agency prior to June 30, 2011, if the agreement

relates to state highway infrastructure improvements to which the redevelopment agency committed funds pursuant to specified law.

(2) Existing law requires that loan agreements entered into between the redevelopment agency and the city, county, or city and county that created the redevelopment agency be deemed enforceable obligations if the oversight board makes a specific finding. Existing law requires that, if the loan is an enforceable obligation, the accumulated interest on the remaining principal amount of the loan be recalculated from origination at that interest rate earned by funds deposited into the Local Agency Investment Fund and requires the loan to be repaid in accordance with a defined schedule at an interest rate not to exceed that interest rate.

This bill would revise those provisions to provide that any accumulated interest on the remaining principal balance of the loan be recalculated from origination using the interest rate earned by funds deposited into the Local Agency Investment Fund in effect on the date of loan origination, and as adjusted quarterly thereafter and that the remaining balance of the loan and the accumulated interest be repaid in accordance with a defined schedule at an interest rate not to exceed that interest rate as the rate is adjusted on a quarterly basis. This bill would state the Legislature's intent that these revisions be clarifying.

(3) Existing law requires a successor agency to prepare a recognized obligation payment schedule, which sets forth the minimum payment amounts and due dates of payments required by enforceable obligations for each 6-month fiscal period, that is required to be submitted to, and approved by, the oversight board, and submitted to other entities, including the Department of Finance. Existing law requires the Department of Finance to make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than 45 days after the Recognized Obligation Payment Schedule is submitted.

This bill would require the rejection of an enforceable obligation from a recognized obligation payment schedule for a successor agency that has received a finding of completion from the department to be submitted to the oversight board for review and approval, and would provide that the determination of the oversight board is final and conclusive without further review by the department.

(4) Existing law provides that, if an enforceable obligation provides for an irrevocable commitment of property tax revenue and the allocation of those revenues is expected to occur over time, the successor agency may petition the Department of Finance to provide written confirmation that its determination of the enforceable obligation as approved in a Recognized Obligation Payment Schedule is final and conclusive, and reflects the department's approval of subsequent payments made pursuant to the enforceable obligation.

This bill would require the Department of Finance to provide that written confirmation within 45 days.

(5) Existing law requires a city, county, or city and county that wishes to retain any properties or other assets for future redevelopment activities, funded from its own funds and under its own auspices, to reach a compensation agreement with the other taxing entities to provide payments to them in proportion to their shares of the base property tax for the value of the property retained, as specified.

This bill would specify that these provisions do not apply to the disposition of properties pursuant to a long-range property management plan.

(6) Existing law requires the disposition of assets and properties of the former redevelopment agency as directed by the oversight board, as specified, and suspends these requirements until the Department of Finance has approved a long-range property management plan, as specified. Upon approval of a long-range property management plan, the plan governs and supersedes, all other provisions relating to the disposition and use of the real property assets of the former redevelopment agency. Existing law requires the property of a former redevelopment agency to be disposed of according to law if the department has not approved a long-range property management plan by January 1, 2016.

This bill would prohibit the department from requiring compensation agreements as part of the approval of a long-range property management plan and would specify the criteria the department may consider in approving a long-range property management plan. The bill would require the department to approve long-range property management plans as expeditiously as possible. This bill would also provide that actions relating to the disposition

of property after approval of a long-range property management plan do not require review by the department.

(7) Existing law requires the Controller to review the activities of redevelopment agencies in the state to determine whether an asset transfer has occurred after January 1, 2011, between the city or county, or city and county that created a redevelopment agency or any other public agency, and the redevelopment agency.

This bill would require the review to be completed no later than January 1, 2016.

(8) Existing law prohibits an agency or community officer or employee who is required to participate in the formulation of, or to approve plans or policies for, the redevelopment of a project area from acquiring any interest in any property included within a project area within the community.

This bill would provide that an agency or community officer or employee is not prohibited from acquiring an interest in property within a former redevelopment project area of a dissolved redevelopment agency, as specified.

(9) Existing law requires each successor agency to have an oversight board composed of 7 members and requires each member to be appointed by a specified authority.

This bill would allow each appointing authority to appoint an alternate representative to serve on the oversight board as may be necessary. This bill would provide that the alternative representative has the same participatory and voting rights as all other attending members of the oversight board, and would require the successor agency to promptly notify the Department of Finance regarding the appointment of any alternate representative.

(10) This bill would incorporate additional changes to Section 34180 of the Health and Safety Code proposed by SB 1404 that would become operative only if this bill and SB 1404 are both chaptered and this bill is chaptered last.

(11) This bill would incorporate additional changes to Section 34191.4 of the Health and Safety Code proposed by AB 2493 that would become operative only if this bill and AB 2493 are both chaptered and this bill is chaptered last.

The people of the State of California do enact as follows:

SECTION 1. Section 33130 of the Health and Safety Code is amended to read:

33130. (a) No agency or community officer or employee who in the course of his or her duties is required to participate in the formulation of, or to approve plans or policies for, the redevelopment of a project area shall acquire any interest in any property included within a project area within the community. If any such officer or employee owns or has any direct or indirect financial interest in property included within a project area, that officer or employee shall immediately make a written disclosure of that financial interest to the agency and the legislative body and the disclosure shall be entered on the minutes of the agency and the legislative body. Failure to make the disclosure required by this subdivision constitutes misconduct in office.

(b) Subdivision (a) does not prohibit any agency or community officer or employee from acquiring an interest in property within a former redevelopment project area of a redevelopment agency dissolved pursuant to Part 1.85 (commencing with Section 34170).

(c) Subdivision (a) does not prohibit any agency or community officer or employee from acquiring an interest in property within the project area for the purpose of participating as an owner or reentering into business pursuant to this part if that officer or employee has owned a substantially equal interest as that being acquired for the three years immediately preceding the selection of the project area.

(d) A rental agreement or lease of property which meets all of the following conditions is not an interest in property for purposes of subdivision (a):

(1) The rental or lease agreement contains terms that are substantially equivalent to the terms of a rental or lease agreement available to any member of the general public for comparable property in the project area.

(2) The rental or lease agreement includes a provision which prohibits any subletting, sublease, or other assignment at a rate in excess of the rate in the original rental or lease agreement.

(3) The property which is subject to the rental or lease agreement is used in the pursuit of the principal business, occupation, or profession of the officer or employee.

(4) The agency or community officer or employee who obtains the rental or lease agreement immediately makes a written disclosure of that fact to the agency and the legislative body.

SEC. 2. Section 34167.5 of the Health and Safety Code is amended to read:

34167.5. Commencing on the effective date of the act adding this part, the Controller shall review the activities of redevelopment agencies in the state to determine whether an asset transfer has occurred after January 1, 2011, between the city or county, or city and county that created a redevelopment agency or any other public agency, and the redevelopment agency. The review required by this section shall be completed no later than January 1, 2016. If such an asset transfer did occur during that period and the government agency that received the assets is not contractually committed to a third party for the expenditure or encumbrance of those assets, to the extent not prohibited by state and federal law, the Controller shall order the available assets to be returned to the redevelopment agency or, on or after October 1, 2011, to the successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170). Upon receiving that order from the Controller, an affected local agency shall, as soon as practicable, reverse the transfer and return the applicable assets to the redevelopment agency or, on or after October 1, 2011, to the successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170). The Legislature hereby finds that a transfer of assets by a redevelopment agency during the period covered in this section is deemed not to be in the furtherance of the Community Redevelopment Law and is thereby unauthorized.

SEC. 3. Section 34171 of the Health and Safety Code is amended to read:

34171. The following terms shall have the following meanings:

(a) “Administrative budget” means the budget for administrative costs of the successor agencies as provided in Section 34177.

(b) “Administrative cost allowance” means an amount that, subject to the approval of the oversight board, is payable from property tax revenues of up to 5 percent of the property tax allocated to the successor agency on the Recognized Obligation Payment Schedule covering the period January 1, 2012, through June 30, 2012, and up to 3 percent of the property tax allocated to

the Redevelopment Obligation Retirement Fund money that is allocated to the successor agency for each fiscal year thereafter; provided, however, that the amount shall not be less than two hundred fifty thousand dollars (\$250,000), unless the oversight board reduces this amount, for any fiscal year or such lesser amount as agreed to by the successor agency. However, the allowance amount shall exclude, and shall not apply to, any administrative costs that can be paid from bond proceeds or from sources other than property tax. Administrative cost allowances shall exclude any litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition. Employee costs associated with work on specific project implementation activities, including, but not limited to, construction inspection, project management, or actual construction, shall be considered project-specific costs and shall not constitute administrative costs.

(c) “Designated local authority” shall mean a public entity formed pursuant to subdivision (d) of Section 34173.

(d) (1) “Enforceable obligation” means any of the following:

(A) Bonds, as defined by Section 33602 and bonds issued pursuant to Chapter 10.5 (commencing with Section 5850) of Division 6 of Title 1 of the Government Code, including the required debt service, reserve set-asides, and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the former redevelopment agency. A reserve may be held when required by the bond indenture or when the next property tax allocation will be insufficient to pay all obligations due under the provisions of the bond for the next payment due in the following half of the calendar year.

(B) Loans of moneys borrowed by the redevelopment agency for a lawful purpose, to the extent they are legally required to be repaid pursuant to a required repayment schedule or other mandatory loan terms.

(C) Payments required by the federal government, preexisting obligations to the state or obligations imposed by state law, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183, or legally enforceable payments required in connection with the agencies’ employees, including, but not limited to, pension payments, pension obligation

debt service, unemployment payments, or other obligations conferred through a collective bargaining agreement. Costs incurred to fulfill collective bargaining agreements for layoffs or terminations of city employees who performed work directly on behalf of the former redevelopment agency shall be considered enforceable obligations payable from property tax funds. The obligations to employees specified in this subparagraph shall remain enforceable obligations payable from property tax funds for any employee to whom those obligations apply if that employee is transferred to the entity assuming the housing functions of the former redevelopment agency pursuant to Section 34176. The successor agency or designated local authority shall enter into an agreement with the housing entity to reimburse it for any costs of the employee obligations.

(D) Judgments or settlements entered by a competent court of law or binding arbitration decisions against the former redevelopment agency, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183. Along with the successor agency, the oversight board shall have the authority and standing to appeal any judgment or to set aside any settlement or arbitration decision.

(E) Any legally binding and enforceable agreement or contract that is not otherwise void as violating the debt limit or public policy. However, nothing in this act shall prohibit either the successor agency, with the approval or at the direction of the oversight board, or the oversight board itself from terminating any existing agreements or contracts and providing any necessary and required compensation or remediation for such termination. Titles of or headings used on or in a document shall not be relevant in determining the existence of an enforceable obligation.

(F) Contracts or agreements necessary for the administration or operation of the successor agency, in accordance with this part, including, but not limited to, agreements concerning litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition, and agreements to purchase or rent office space, equipment and supplies, and pay-related expenses pursuant to Section 33127 and for carrying insurance pursuant to Section 33134.

(G) Amounts borrowed from, or payments owing to, the Low and Moderate Income Housing Fund of a redevelopment agency,

which had been deferred as of the effective date of the act adding this part; provided, however, that the repayment schedule is approved by the oversight board. Repayments shall be transferred to the Low and Moderate Income Housing Asset Fund established pursuant to subdivision (d) of Section 34176 as a housing asset and shall be used in a manner consistent with the affordable housing requirements of the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(2) For purposes of this part, “enforceable obligation” does not include any agreements, contracts, or arrangements between the city, county, or city and county that created the redevelopment agency and the former redevelopment agency. However, written agreements entered into (A) at the time of issuance, but in no event later than December 31, 2010, of indebtedness obligations, and (B) solely for the purpose of securing or repaying those indebtedness obligations may be deemed enforceable obligations for purposes of this part. Notwithstanding this paragraph, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created it, within two years of the date of creation of the redevelopment agency, may be deemed to be enforceable obligations. Notwithstanding this paragraph, an agreement entered into by the redevelopment agency prior to June 30, 2011, is an enforceable obligation if the agreement relates to state highway infrastructure improvements to which the redevelopment agency committed funds pursuant to Section 33445.

(3) Contracts or agreements between the former redevelopment agency and other public agencies, to perform services or provide funding for governmental or private services or capital projects outside of redevelopment project areas that do not provide benefit to the redevelopment project and thus were not properly authorized under Part 1 (commencing with Section 33000) shall be deemed void on the effective date of this part; provided, however, that such contracts or agreements for the provision of housing properly authorized under Part 1 (commencing with Section 33000) shall not be deemed void.

(e) “Indebtedness obligations” means bonds, notes, certificates of participation, or other evidence of indebtedness, issued or delivered by the redevelopment agency, or by a joint exercise of powers authority created by the redevelopment agency, to third-party investors or bondholders to finance or refinance

redevelopment projects undertaken by the redevelopment agency in compliance with the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(f) “Oversight board” shall mean each entity established pursuant to Section 34179.

(g) “Recognized obligation” means an obligation listed in the Recognized Obligation Payment Schedule.

(h) “Recognized Obligation Payment Schedule” means the document setting forth the minimum payment amounts and due dates of payments required by enforceable obligations for each six-month fiscal period as provided in subdivision (m) of Section 34177.

(i) “School entity” means any entity defined as such in subdivision (f) of Section 95 of the Revenue and Taxation Code.

(j) “Successor agency” means the successor entity to the former redevelopment agency as described in Section 34173.

(k) “Taxing entities” means cities, counties, a city and county, special districts, and school entities, as defined in subdivision (f) of Section 95 of the Revenue and Taxation Code, that receive passthrough payments and distributions of property taxes pursuant to the provisions of this part.

(l) “Property taxes” include all property tax revenues, including those from unitary and supplemental and roll corrections applicable to tax increment.

(m) “Department” means the Department of Finance unless the context clearly refers to another state agency.

(n) “Sponsoring entity” means the city, county, or city and county, or other entity that authorized the creation of each redevelopment agency.

(o) “Final judicial determination” means a final judicial determination made by any state court that is not appealed, or by a court of appellate jurisdiction that is not further appealed, in an action by any party.

(p) From July 1, 2014, to July 1, 2018, inclusive, “housing entity administrative cost allowance” means an amount of up to 1 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund on behalf of the successor agency for each applicable fiscal year, but not less than one hundred fifty thousand dollars (\$150,000) per fiscal year.

(1) If a local housing authority assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176, then the housing entity administrative cost allowance shall be listed by the successor agency on the Recognized Obligation Payment Schedule. Upon approval of the Recognized Obligation Payment Schedule by the oversight board and the department, the housing entity administrative cost allowance shall be remitted by the successor agency on each January 2 and July 1 to the local housing authority that assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176.

(2) If there are insufficient moneys in the Redevelopment Obligations Retirement Fund in a given fiscal year to make the payment authorized by this subdivision, the unfunded amount may be listed on each subsequent Recognized Obligation Payment Schedule until it has been paid in full. In these cases the five-year time limit on the payments shall not apply.

SEC. 4. Section 34177 of the Health and Safety Code is amended to read:

34177. Successor agencies are required to do all of the following:

(a) Continue to make payments due for enforceable obligations.

(1) On and after February 1, 2012, and until a Recognized Obligation Payment Schedule becomes operative, only payments required pursuant to an enforceable obligations payment schedule shall be made. The initial enforceable obligation payment schedule shall be the last schedule adopted by the redevelopment agency under Section 34169. However, payments associated with obligations excluded from the definition of enforceable obligations by paragraph (2) of subdivision (d) of Section 34171 shall be excluded from the enforceable obligations payment schedule and be removed from the last schedule adopted by the redevelopment agency under Section 34169 prior to the successor agency adopting it as its enforceable obligations payment schedule pursuant to this subdivision. The enforceable obligation payment schedule may be amended by the successor agency at any public meeting and shall be subject to the approval of the oversight board as soon as the board has sufficient members to form a quorum. In recognition of the fact that the timing of the California Supreme Court's ruling

in the case *California Redevelopment Association v. Matosantos* (2011) 53 Cal.4th 231 delayed the preparation by successor agencies and the approval by oversight boards of the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule, a successor agency may amend the Enforceable Obligation Payment Schedule to authorize the continued payment of enforceable obligations until the time that the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule has been approved by the oversight board and by the Department of Finance. The successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the Department of Finance and the auditor-controller.

(2) The Department of Finance and the Controller shall each have the authority to require any documents associated with the enforceable obligations to be provided to them in a manner of their choosing. Any taxing entity, the department, and the Controller shall each have standing to file a judicial action to prevent a violation under this part and to obtain injunctive or other appropriate relief.

(3) Commencing on the date the Recognized Obligation Payment Schedule is valid pursuant to subdivision (1), only those payments listed in the Recognized Obligation Payment Schedule may be made by the successor agency from the funds specified in the Recognized Obligation Payment Schedule. In addition, after it becomes valid, the Recognized Obligation Payment Schedule shall supersede the Statement of Indebtedness, which shall no longer be prepared nor have any effect under the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(4) Nothing in the act adding this part is to be construed as preventing a successor agency, with the prior approval of the oversight board, as described in Section 34179, from making payments for enforceable obligations from sources other than those listed in the Recognized Obligation Payment Schedule.

(5) From February 1, 2012, to July 1, 2012, a successor agency shall have no authority and is hereby prohibited from accelerating payment or making any lump-sum payments that are intended to prepay loans unless such accelerated repayments were required prior to the effective date of this part.

(b) Maintain reserves in the amount required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(c) Perform obligations required pursuant to any enforceable obligation.

(d) Remit unencumbered balances of redevelopment agency funds to the county auditor-controller for distribution to the taxing entities, including, but not limited to, the unencumbered balance of the Low and Moderate Income Housing Fund of a former redevelopment agency. In making the distribution, the county auditor-controller shall utilize the same methodology for allocation and distribution of property tax revenues provided in Section 34188.

(e) Dispose of assets and properties of the former redevelopment agency as directed by the oversight board; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of certain assets pursuant to subdivision (a) of Section 34181. The disposal is to be done expeditiously and in a manner aimed at maximizing value. Proceeds from asset sales and related funds that are no longer needed for approved development projects or to otherwise wind down the affairs of the agency, each as determined by the oversight board, shall be transferred to the county auditor-controller for distribution as property tax proceeds under Section 34188. The requirements of this subdivision shall not apply to a successor agency that has been issued a finding of completion by the Department of Finance pursuant to Section 34179.7.

(f) Enforce all former redevelopment agency rights for the benefit of the taxing entities, including, but not limited to, continuing to collect loans, rents, and other revenues that were due to the redevelopment agency.

(g) Effectuate transfer of housing functions and assets to the appropriate entity designated pursuant to Section 34176.

(h) Expeditiously wind down the affairs of the redevelopment agency pursuant to the provisions of this part and in accordance with the direction of the oversight board.

(i) Continue to oversee development of properties until the contracted work has been completed or the contractual obligations of the former redevelopment agency can be transferred to other parties. Bond proceeds shall be used for the purposes for which

bonds were sold unless the purposes can no longer be achieved, in which case, the proceeds may be used to defease the bonds.

(j) Prepare a proposed administrative budget and submit it to the oversight board for its approval. The proposed administrative budget shall include all of the following:

(1) Estimated amounts for successor agency administrative costs for the upcoming six-month fiscal period.

(2) Proposed sources of payment for the costs identified in paragraph (1).

(3) Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

(k) Provide administrative cost estimates, from its approved administrative budget that are to be paid from property tax revenues deposited in the Redevelopment Property Tax Trust Fund, to the county auditor-controller for each six-month fiscal period.

(l) (1) Before each six-month fiscal period, prepare a Recognized Obligation Payment Schedule in accordance with the requirements of this paragraph. For each recognized obligation, the Recognized Obligation Payment Schedule shall identify one or more of the following sources of payment:

(A) Low and Moderate Income Housing Fund.

(B) Bond proceeds.

(C) Reserve balances.

(D) Administrative cost allowance.

(E) The Redevelopment Property Tax Trust Fund, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation or by the provisions of this part.

(F) Other revenue sources, including rents, concessions, asset sale proceeds, interest earnings, and any other revenues derived from the former redevelopment agency, as approved by the oversight board in accordance with this part.

(2) A Recognized Obligation Payment Schedule shall not be deemed valid unless all of the following conditions have been met:

(A) A Recognized Obligation Payment Schedule is prepared by the successor agency for the enforceable obligations of the former redevelopment agency. The initial schedule shall project the dates and amounts of scheduled payments for each enforceable obligation for the remainder of the time period during which the redevelopment agency would have been authorized to obligate

property tax increment had the redevelopment agency not been dissolved.

(B) The Recognized Obligation Payment Schedule is submitted to and duly approved by the oversight board. The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the Recognized Obligation Payment Schedule to the oversight board for approval.

(C) A copy of the approved Recognized Obligation Payment Schedule is submitted to the county auditor-controller, the Controller's office, and the Department of Finance, and is posted on the successor agency's Internet Web site.

(3) The Recognized Obligation Payment Schedule shall be forward looking to the next six months. The first Recognized Obligation Payment Schedule shall be submitted to the Controller's office and the Department of Finance by April 15, 2012, for the period of January 1, 2012, to June 30, 2012, inclusive. This Recognized Obligation Payment Schedule shall include all payments made by the former redevelopment agency between January 1, 2012, through January 31, 2012, and shall include all payments proposed to be made by the successor agency from February 1, 2012, through June 30, 2012. Former redevelopment agency enforceable obligation payments due, and reasonable or necessary administrative costs due or incurred, prior to January 1, 2012, shall be made from property tax revenues received in the spring of 2011 property tax distribution, and from other revenues and balances transferred to the successor agency.

(m) The Recognized Obligation Payment Schedule for the period of January 1, 2013, to June 30, 2013, shall be submitted by the successor agency, after approval by the oversight board, no later than September 1, 2012. Commencing with the Recognized Obligation Payment Schedule covering the period July 1, 2013, through December 31, 2013, successor agencies shall submit an oversight board-approved Recognized Obligation Payment Schedule to the Department of Finance and to the county auditor-controller no fewer than 90 days before the date of property tax distribution. The Department of Finance shall make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than 45

days after the Recognized Obligation Payment Schedule is submitted. Within five business days of the department's determination, a successor agency may request additional review by the department and an opportunity to meet and confer on disputed items. The meet and confer period may vary; an untimely submittal of a Recognized Obligation Payment Schedule may result in a meet and confer period of less than 30 days. The department shall notify the successor agency and the county auditor-controllers as to the outcome of its review at least 15 days before the date of property tax distribution.

(1) The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the Department of Finance electronically, and the successor agency shall complete the Recognized Obligation Payment Schedule in the manner provided for by the department. A successor agency shall be in noncompliance with this paragraph if it only submits to the department an electronic message or a letter stating that the oversight board has approved a Recognized Obligation Payment Schedule.

(2) If a successor agency does not submit a Recognized Obligation Payment Schedule by the deadlines provided in this subdivision, the city, county, or city and county that created the redevelopment agency shall be subject to a civil penalty equal to ten thousand dollars (\$10,000) per day for every day the schedule is not submitted to the department. The civil penalty shall be paid to the county auditor-controller for allocation to the taxing entities under Section 34183. If a successor agency fails to submit a Recognized Obligation Payment Schedule by the deadline, any creditor of the successor agency or the Department of Finance or any affected taxing entity shall have standing to and may request a writ of mandate to require the successor agency to immediately perform this duty. Those actions may be filed only in the County of Sacramento and shall have priority over other civil matters. Additionally, if an agency does not submit a Recognized Obligation Payment Schedule within 10 days of the deadline, the maximum administrative cost allowance for that period shall be reduced by 25 percent.

(3) If a successor agency fails to submit to the department an oversight board-approved Recognized Obligation Payment Schedule that complies with all requirements of this subdivision

within five business days of the date upon which the Recognized Obligation Payment Schedule is to be used to determine the amount of property tax allocations, the department may determine if any amount should be withheld by the county auditor-controller for payments for enforceable obligations from distribution to taxing entities, pending approval of a Recognized Obligation Payment Schedule. The county auditor-controller shall distribute the portion of any of the sums withheld pursuant to this paragraph to the affected taxing entities in accordance with paragraph (4) of subdivision (a) of Section 34183 upon notice by the department that a portion of the withheld balances are in excess of the amount of enforceable obligations. The county auditor-controller shall distribute withheld funds to the successor agency only in accordance with a Recognized Obligation Payment Schedule approved by the department. County auditor-controllers shall lack the authority to withhold any other amounts from the allocations provided for under Section 34183 or 34188 unless required by a court order.

(4) (A) The Recognized Obligation Payment Schedule payments required pursuant to this subdivision may be scheduled beyond the existing Recognized Obligation Payment Schedule cycle upon a showing that a lender requires cash on hand beyond the Recognized Obligation Payment Schedule cycle.

(B) When a payment is shown to be due during the Recognized Obligation Payment Schedule period, but an invoice or other billing document has not yet been received, the successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the department and the auditor-controller.

(C) A Recognized Obligation Payment Schedule may also include appropriation of moneys from bonds subject to passage during the Recognized Obligation Payment Schedule cycle when an enforceable obligation requires the agency to issue the bonds and use the proceeds to pay for project expenditures.

(5) Prior to the rejection of an enforceable obligation from a recognized obligation payment schedule for a successor agency that has received a finding of completion from the Department of Finance under Section 34179.7, the Department of Finance shall submit the proposed rejection to the oversight board for review

and approval, whose determination shall be final and conclusive without further review by the Department of Finance.

(n) Cause a postaudit of the financial transactions and records of the successor agency to be made at least annually by a certified public accountant.

SEC. 5. Section 34177.5 of the Health and Safety Code is amended to read:

34177.5. (a) In addition to the powers granted to each successor agency, and notwithstanding anything in the act adding this part, including, but not limited to, Sections 34162 and 34189, a successor agency shall have the authority, rights, and powers of the redevelopment agency to which it succeeded solely for the following purposes:

(1) For the purpose of issuing bonds or incurring other indebtedness to refund the bonds or other indebtedness of its former redevelopment agency or of the successor agency to provide savings to the successor agency, provided that (A) the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (B) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves, and to pay related costs of issuance. If the foregoing conditions are satisfied, the initial principal amount of the refunding bonds or other indebtedness may be greater than the outstanding principal amount of the bonds or other indebtedness to be refunded. The successor agency may pledge to the refunding bonds or other indebtedness the revenues pledged to the bonds or other indebtedness being refunded, and that pledge, when made in connection with the issuance of such refunding bonds or other indebtedness, shall have the same lien priority as the pledge of the bonds or other obligations to be refunded, and shall be valid, binding, and enforceable in accordance with its terms.

(2) For the purpose of issuing bonds or other indebtedness to finance debt service spikes, including balloon maturities, provided that (A) the existing indebtedness is not accelerated, except to the extent necessary to achieve substantially level debt service, and

(B) the principal amount of the bonds or other indebtedness shall not exceed the amount required to finance the debt service spikes, including establishing customary debt service reserves and paying related costs of issuance.

(3) For the purpose of amending an existing enforceable obligation under which the successor agency is obligated to reimburse a political subdivision of the state for the payment of debt service on a bond or other obligation of the political subdivision, or to pay all or a portion of the debt service on the bond or other obligation of the political subdivision to provide savings to the successor agency, provided that (A) the enforceable obligation is amended in connection with a refunding of the bonds or other obligations of the political subdivision so that the enforceable obligation will apply to the refunding bonds or other refunding indebtedness of the political subdivision, (B) the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (C) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves and to pay related costs of issuance. The pledge set forth in that amended enforceable obligation, when made in connection with the execution of the amendment of the enforceable obligation, shall have the same lien priority as the pledge in the enforceable obligation prior to its amendment and shall be valid, binding, and enforceable in accordance with its terms.

(4) For the purpose of issuing bonds or incurring other indebtedness to make payments under enforceable obligations when the enforceable obligations include the irrevocable pledge of property tax increment, formerly tax increment revenues prior to the effective date of this part, or other funds and the obligation to issue bonds secured by that pledge. The successor agency may pledge to the bonds or other indebtedness the property tax revenues and other funds described in the enforceable obligation, and that pledge, when made in connection with the issuance of the bonds or the incurring of other indebtedness, shall be valid, binding, and

enforceable in accordance with its terms. This paragraph shall not be deemed to authorize a successor agency to increase the amount of property tax revenues pledged under an enforceable obligation or to pledge any property tax revenue not already pledged pursuant to an enforceable obligation. This paragraph does not constitute a change in, but is declaratory of, the existing law.

(b) The refunding bonds authorized under this section may be issued under the authority of Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code, and the refunding bonds may be sold at public or private sale, or to a joint powers authority pursuant to the Marks-Roos Local Bond Pooling Act of 1985 (Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code).

(c) (1) Prior to incurring any bonds or other indebtedness pursuant to this section, the successor agency may subordinate to the bonds or other indebtedness the amount required to be paid to an affected taxing entity pursuant to paragraph (1) of subdivision (a) of Section 34183, provided that the affected taxing entity has approved the subordinations pursuant to this subdivision.

(2) At the time the successor agency requests an affected taxing entity to subordinate the amount to be paid to it, the successor agency shall provide the affected taxing entity with substantial evidence that sufficient funds will be available to pay both the debt service on the bonds or other indebtedness and the payments required by paragraph (1) of subdivision (a) of Section 34183, when due.

(3) Within 45 days after receipt of the agency's request, the affected taxing entity shall approve or disapprove the request for subordination. An affected taxing entity may disapprove a request for subordination only if it finds, based upon substantial evidence, that the successor agency will not be able to pay the debt service payments and the amount required to be paid to the affected taxing entity. If the affected taxing entity does not act within 45 days after receipt of the agency's request, the request to subordinate shall be deemed approved and shall be final and conclusive.

(d) An action may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of bonds or other obligations authorized by this section, the pledge of revenues to

those bonds or other obligations authorized by this section, the legality and validity of all proceedings theretofore taken and, as provided in the resolution of the legislative body of the successor agency authorizing the bonds or other obligations authorized by this section, proposed to be taken for the authorization, execution, issuance, sale, and delivery of the bonds or other obligations authorized by this section, and for the payment of debt service on the bonds or the payment of amounts under other obligations authorized by this section. Subdivision (c) of Section 33501 shall not apply to any such action. The Department of Finance shall be notified of the filing of any action as an affected party.

(e) Notwithstanding any other law, including, but not limited to, Section 33501, an action to challenge the issuance of bonds, the incurrence of indebtedness, the amendment of an enforceable obligation, or the execution of a financing agreement by a successor agency shall be brought within 30 days after the date on which the oversight board approves the resolution of the successor agency approving the issuance of bonds, the incurrence of indebtedness, the amendment of an enforceable obligation, or the execution of a financing agreement authorized under this section.

(f) The actions authorized in this section shall be subject to the approval of the oversight board, as provided in Section 34180. Additionally, an oversight board may direct the successor agency to commence any of the transactions described in subdivision (a) so long as the successor agency is able to recover its related costs in connection with the transaction. After a successor agency, with approval of the oversight board, issues any bonds, incurs any indebtedness, or executes an amended enforceable obligation pursuant to subdivision (a), the oversight board shall not unilaterally approve any amendments to or early termination of the bonds, indebtedness, or enforceable obligation. If, under the authority granted to it by subdivision (h) of Section 34179, the Department of Finance either reviews and approves or fails to request review within five business days of an oversight board approval of an action authorized by this section, the scheduled payments on the bonds or other indebtedness shall be listed in the Recognized Obligation Payment Schedule and shall not be subject to further review and approval by the department or the Controller. The department may extend its review time to 60 days for actions

authorized in this section and may seek the assistance of the Treasurer in evaluating proposed actions under this section.

(g) Any bonds, indebtedness, or amended enforceable obligation authorized by this section shall be considered indebtedness incurred by the dissolved redevelopment agency, with the same legal effect as if the bonds, indebtedness, financing agreement, or amended enforceable obligation had been issued, incurred, or entered into prior to June 29, 2011, in full conformity with the applicable provisions of the Community Redevelopment Law that existed prior to that date, shall be included in the successor agency's Recognized Obligation Payment Schedule, and shall be secured by a pledge of, and lien on, and shall be repaid from moneys deposited from time to time in the Redevelopment Property Tax Trust Fund established pursuant to subdivision (c) of Section 34172, as provided in paragraph (2) of subdivision (a) of Section 34183. Property tax revenues pledged to any bonds, indebtedness, or amended enforceable obligations authorized by this section are taxes allocated to the successor agency pursuant to subdivision (b) of Section 33670 and Section 16 of Article XVI of the California Constitution.

(h) The successor agency shall make diligent efforts to ensure that the lowest long-term cost financing is obtained. The financing shall not provide for any bullets or spikes and shall not use variable rates. The successor agency shall make use of an independent financial advisor in developing financing proposals and shall make the work products of the financial advisor available to the Department of Finance at its request.

(i) If an enforceable obligation provides for an irrevocable commitment of property tax revenue and where allocation of such revenues is expected to occur over time, the successor agency may petition the Department of Finance to provide written confirmation within 45 days that its determination of such enforceable obligation as approved in a Recognized Obligation Payment Schedule is final and conclusive, and reflects the department's approval of subsequent payments made pursuant to the enforceable obligation. If the confirmation is granted, then the department's review of such payments in future Recognized Obligation Payment Schedules shall be limited to confirming that they are required by the prior enforceable obligation.

(j) The successor agency may request that the department provide a written determination to waive the two-year statute of limitations on an action to review the validity of the adoption or amendment of a redevelopment plan pursuant to subdivision (c) of Section 33500 or on any findings or determinations made by the agency pursuant to subdivision (d) of Section 33500. The department at its discretion may provide a waiver if it determines it is necessary for the agency to fulfill an enforceable obligation.

SEC. 6. Section 34179 of the Health and Safety Code is amended to read:

34179. (a) Each successor agency shall have an oversight board composed of seven members. The members shall elect one of their members as the chairperson and shall report the name of the chairperson and other members to the Department of Finance on or before May 1, 2012. Members shall be selected as follows:

(1) One member appointed by the county board of supervisors.

(2) One member appointed by the mayor for the city that formed the redevelopment agency.

(3) (A) One member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is of the type of special district that is eligible to receive property tax revenues pursuant to Section 34188.

(B) On or after the effective date of this subparagraph, the county auditor-controller may determine which is the largest special district for purposes of this section.

(4) One member appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.

(6) One member of the public appointed by the county board of supervisors.

(7) One member representing the employees of the former redevelopment agency appointed by the mayor or chair of the board of supervisors, as the case may be, from the recognized employee organization representing the largest number of former

redevelopment agency employees employed by the successor agency at that time. In the case where city or county employees performed administrative duties of the former redevelopment agency, the appointment shall be made from the recognized employee organization representing those employees. If a recognized employee organization does not exist for either the employees of the former redevelopment agency or the city or county employees performing administrative duties of the former redevelopment agency, the appointment shall be made from among the employees of the successor agency. In voting to approve a contract as an enforceable obligation, a member appointed pursuant to this paragraph shall not be deemed to be interested in the contract by virtue of being an employee of the successor agency or community for purposes of Section 1090 of the Government Code.

(8) If the county or a joint powers agency formed the redevelopment agency, then the largest city by acreage in the territorial jurisdiction of the former redevelopment agency may select one member. If there are no cities with territory in a project area of the redevelopment agency, the county superintendent of education may appoint an additional member to represent the public.

(9) If there are no special districts of the type that are eligible to receive property tax pursuant to Section 34188, within the territorial jurisdiction of the former redevelopment agency, then the county may appoint one member to represent the public.

(10) If a redevelopment agency was formed by an entity that is both a charter city and a county, the oversight board shall be composed of seven members selected as follows: three members appointed by the mayor of the city, if that appointment is subject to confirmation by the county board of supervisors, one member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is the type of special district that is eligible to receive property tax revenues pursuant to Section 34188, one member appointed by the county superintendent of education to represent schools, one member appointed by the Chancellor of the California Community Colleges to represent community college districts, and one member representing employees of the former redevelopment agency appointed by the mayor of the city if that appointment is subject to confirmation by the county board of

supervisors, to represent the largest number of former redevelopment agency employees employed by the successor agency at that time.

(11) Each appointing authority identified in this subdivision may, but is not required to, appoint an alternate representative to serve on the oversight board as may be necessary to attend any meeting of the oversight board in the event that the appointing authority's primary representative is unable to attend any meeting for any reason. If the alternate representative attends any meeting in place of the primary representative, the alternative representative shall have the same participatory and voting rights as all other attending members of the oversight board. The successor agency shall promptly notify the department regarding the appointment of any alternate representative to the oversight board.

(b) The Governor may appoint individuals to fill any oversight board member position described in subdivision (a) that has not been filled by May 15, 2012, or any member position that remains vacant for more than 60 days.

(c) The oversight board may direct the staff of the successor agency to perform work in furtherance of the oversight board's duties and responsibilities under this part. The successor agency shall pay for all of the costs of meetings of the oversight board and may include such costs in its administrative budget. Oversight board members shall serve without compensation or reimbursement for expenses.

(d) Oversight board members are protected by the immunities applicable to public entities and public employees governed by Part 1 (commencing with Section 810) and Part 2 (commencing with Section 814) of Division 3.6 of Title 1 of the Government Code.

(e) A majority of the total membership of the oversight board shall constitute a quorum for the transaction of business. A majority vote of the total membership of the oversight board is required for the oversight board to take action. The oversight board shall be deemed to be a local entity for purposes of the Ralph M. Brown Act, the California Public Records Act, and the Political Reform Act of 1974. All actions taken by the oversight board shall be adopted by resolution.

(f) All notices required by law for proposed oversight board actions shall also be posted on the successor agency's Internet Web site or the oversight board's Internet Web site.

(g) Each member of an oversight board shall serve at the pleasure of the entity that appointed such member.

(h) The Department of Finance may review an oversight board action taken pursuant to this part. Written notice and information about all actions taken by an oversight board shall be provided to the department by electronic means and in a manner of the department's choosing. An action shall become effective five business days after notice in the manner specified by the department is provided unless the department requests a review. Each oversight board shall designate an official to whom the department may make those requests and who shall provide the department with the telephone number and email contact information for the purpose of communicating with the department pursuant to this subdivision. Except as otherwise provided in this part, in the event that the department requests a review of a given oversight board action, it shall have 40 days from the date of its request to approve the oversight board action or return it to the oversight board for reconsideration and the oversight board action shall not be effective until approved by the department. In the event that the department returns the oversight board action to the oversight board for reconsideration, the oversight board shall resubmit the modified action for department approval and the modified oversight board action shall not become effective until approved by the department. If the department reviews a Recognized Obligation Payment Schedule, the department may eliminate or modify any item on that schedule prior to its approval. The county auditor-controller shall reflect the actions of the department in determining the amount of property tax revenues to allocate to the successor agency. The department shall provide notice to the successor agency and the county auditor-controller as to the reasons for its actions. To the extent that an oversight board continues to dispute a determination with the department, one or more future recognized obligation schedules may reflect any resolution of that dispute. The department may also agree to an amendment to a Recognized Obligation Payment Schedule to reflect a resolution of a disputed item; however, this shall not affect

a past allocation of property tax or create a liability for any affected taxing entity.

(i) Oversight boards shall have fiduciary responsibilities to holders of enforceable obligations and the taxing entities that benefit from distributions of property tax and other revenues pursuant to Section 34188. Further, the provisions of Division 4 (commencing with Section 1000) of the Government Code shall apply to oversight boards. Notwithstanding Section 1099 of the Government Code, or any other law, any individual may simultaneously be appointed to up to five oversight boards and may hold an office in a city, county, city and county, special district, school district, or community college district.

(j) Commencing on and after July 1, 2016, in each county where more than one oversight board was created by operation of the act adding this part, there shall be only one oversight board appointed as follows:

(1) One member may be appointed by the county board of supervisors.

(2) One member may be appointed by the city selection committee established pursuant to Section 50270 of the Government Code. In a city and county, the mayor may appoint one member.

(3) One member may be appointed by the independent special district selection committee established pursuant to Section 56332 of the Government Code, for the types of special districts that are eligible to receive property tax revenues pursuant to Section 34188.

(4) One member may be appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member may be appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.

(6) One member of the public may be appointed by the county board of supervisors.

(7) One member may be appointed by the recognized employee organization representing the largest number of successor agency employees in the county.

(k) The Governor may appoint individuals to fill any oversight board member position described in subdivision (j) that has not been filled by July 15, 2016, or any member position that remains vacant for more than 60 days.

(l) Commencing on and after July 1, 2016, in each county where only one oversight board was created by operation of the act adding this part, then there will be no change to the composition of that oversight board as a result of the operation of subdivision (b).

(m) Any oversight board for a given successor agency shall cease to exist when all of the indebtedness of the dissolved redevelopment agency has been repaid.

(n) An oversight board may direct a successor agency to provide additional legal or financial advice than what was given by agency staff.

(o) An oversight board is authorized to contract with the county or other public or private agencies for administrative support.

(p) On matters within the purview of the oversight board, decisions made by the oversight board supersede those made by the successor agency or the staff of the successor agency.

SEC. 7. Section 34180 of the Health and Safety Code is amended to read:

34180. All of the following successor agency actions shall first be approved by the oversight board:

(a) The establishment of new repayment terms for outstanding loans where the terms have not been specified prior to the date of this part. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1).

(b) The issuance of bonds or other indebtedness or the pledge or agreement for the pledge of property tax revenues (formerly tax increment prior to the effective date of this part) pursuant to subdivision (a) of Section 34177.5.

(c) Setting aside of amounts in reserves as required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(d) Merging of project areas.

(e) Continuing the acceptance of federal or state grants, or other forms of financial assistance from either public or private sources,

if that assistance is conditioned upon the provision of matching funds, by the successor entity as successor to the former redevelopment agency, in an amount greater than 5 percent.

(f) (1) If a city, county, or city and county wishes to retain any properties or other assets for future redevelopment activities, funded from its own funds and under its own auspices, it must reach a compensation agreement with the other taxing entities to provide payments to them in proportion to their shares of the base property tax, as determined pursuant to Section 34188, for the value of the property retained.

(2) If no other agreement is reached on valuation of the retained assets, the value will be the fair market value as of the 2011 property tax lien date as determined by an independent appraiser approved by the oversight board.

(3) This subdivision does not apply to the disposition of properties pursuant to a long-range property management plan.

(g) Establishment of the Recognized Obligation Payment Schedule.

(h) A request by the successor agency to enter into an agreement with the city, county, or city and county that formed the redevelopment agency that it is succeeding. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1). Any actions to reestablish any other agreements that are in furtherance of enforceable obligations, with the city, county, or city and county that formed the redevelopment agency are invalid until they are included in an approved and valid Recognized Obligation Payment Schedule.

(i) A request by a successor agency or taxing entity to pledge, or to enter into an agreement for the pledge of, property tax revenues pursuant to subdivision (b) of Section 34178.

(j) Any document submitted by a successor agency to an oversight board for approval by any provision of this part shall also be submitted to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the document to the oversight board.

SEC. 7.5. Section 34180 of the Health and Safety Code is amended to read:

34180. All of the following successor agency actions shall first be approved by the oversight board:

(a) The establishment of new repayment terms for outstanding loans where the terms have not been specified prior to the date of this part. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1).

(b) The issuance of bonds or other indebtedness or the pledge or agreement for the pledge of property tax revenues (formerly tax increment prior to the effective date of this part) pursuant to Section 33333.7 and subdivision (a) of Section 34177.5.

(c) Setting aside of amounts in reserves as required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(d) Merging of project areas.

(e) Continuing the acceptance of federal or state grants, or other forms of financial assistance from either public or private sources, if that assistance is conditioned upon the provision of matching funds, by the successor entity as successor to the former redevelopment agency, in an amount greater than 5 percent.

(f) (1) If a city, county, or city and county wishes to retain any properties or other assets for future redevelopment activities, funded from its own funds and under its own auspices, it must reach a compensation agreement with the other taxing entities to provide payments to them in proportion to their shares of the base property tax, as determined pursuant to Section 34188, for the value of the property retained.

(2) If no other agreement is reached on valuation of the retained assets, the value will be the fair market value as of the 2011 property tax lien date as determined by an independent appraiser approved by the oversight board.

(3) This subdivision does not apply to the disposition of properties pursuant to a long-range property management plan.

(g) Establishment of the Recognized Obligation Payment Schedule.

(h) A request by the successor agency to enter into an agreement with the city, county, or city and county that formed the redevelopment agency that it is succeeding. An oversight board

shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1). Any actions to reestablish any other agreements that are in furtherance of enforceable obligations, with the city, county, or city and county that formed the redevelopment agency are invalid until they are included in an approved and valid Recognized Obligation Payment Schedule.

(i) A request by a successor agency or taxing entity to pledge, or to enter into an agreement for the pledge of, property tax revenues pursuant to subdivision (b) of Section 34178.

(j) Any document submitted by a successor agency to an oversight board for approval by any provision of this part shall also be submitted to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the document to the oversight board.

SEC. 8. Section 34191.4 of the Health and Safety Code is amended to read:

34191.4. The following provisions shall apply to any successor agency that has been issued a finding of completion by the Department of Finance:

(a) All real property and interests in real property identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5 shall be transferred to the Community Redevelopment Property Trust Fund of the successor agency upon approval by the Department of Finance of the long-range property management plan submitted by the successor agency pursuant to subdivision (b) of Section 34191.5 unless that property is subject to the requirements of any existing enforceable obligation.

(b) (1) Notwithstanding subdivision (d) of Section 34171, upon application by the successor agency and approval by the oversight board, loans made to a redevelopment agency by the city, county, or city and county that created the redevelopment agency shall be deemed to be enforceable obligations provided that the oversight board makes a finding that the loans were for legitimate redevelopment purposes.

(2) If the oversight board finds that a loan is an enforceable obligation, the accumulated interest on the remaining principal balance of the loan shall be recalculated from origination using

the interest rate earned by funds deposited into the Local Agency Investment Fund in effect on the date of loan origination, and as adjusted quarterly thereafter. The remaining balance of the loan and the accumulated interest shall be repaid to the city, county, or city and county in accordance with a defined schedule over a reasonable term of years at an interest rate not to exceed the interest rate earned by funds deposited into the Local Agency Investment Fund as the rate is adjusted on a quarterly basis. The annual loan repayments provided for in the recognized obligation payment schedules shall be subject to all of the following limitations:

(A) Loan repayments shall not be made prior to the 2013–14 fiscal year. Beginning in the 2013–14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this subdivision and paragraph (7) of subdivision (e) of Section 34176 combined shall be equal to one-half of the increase between the amount distributed to the taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012–13 base year, provided, however, that calculation of the amount distributed to taxing entities during the 2012–13 base year shall not include any amounts distributed to taxing entities pursuant to the due diligence review process established in Sections 34179.5 to 34179.8, inclusive. Loan or deferral repayments made pursuant to this subdivision shall be second in priority to amounts to be repaid pursuant to paragraph (7) of subdivision (e) of Section 34176.

(B) Repayments received by the city, county, or city and county that formed the redevelopment agency shall first be used to retire any outstanding amounts borrowed and owed to the Low and Moderate Income Housing Fund of the former redevelopment agency for purposes of the Supplemental Educational Revenue Augmentation Fund and shall be distributed to the Low and Moderate Income Housing Asset Fund established by subdivision (d) of Section 34176.

(C) Twenty percent of any loan repayment shall be deducted from the loan repayment amount and shall be transferred to the Low and Moderate Income Housing Asset Fund, after all outstanding loans from the Low and Moderate Income Housing Fund for purposes of the Supplemental Educational Revenue Augmentation Fund have been paid.

(3) It is the intent of the Legislature that the amendments to this subdivision made by the act adding this paragraph be clarifying.

(c) (1) Bond proceeds derived from bonds issued on or before December 31, 2010, shall be used for the purposes for which the bonds were sold.

(2) (A) Notwithstanding Section 34177.3 or any other conflicting provision of law, bond proceeds in excess of the amounts needed to satisfy approved enforceable obligations shall thereafter be expended in a manner consistent with the original bond covenants. Enforceable obligations may be satisfied by the creation of reserves for projects that are the subject of the enforceable obligation and that are consistent with the contractual obligations for those projects, or by expending funds to complete the projects. An expenditure made pursuant to this paragraph shall constitute the creation of excess bond proceeds obligations to be paid from the excess proceeds. Excess bond proceeds obligations shall be listed separately on the Recognized Obligation Payment Schedule submitted by the successor agency.

(B) If remaining bond proceeds cannot be spent in a manner consistent with the bond covenants pursuant to subparagraph (A), the proceeds shall be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

(d) Notwithstanding subdivision (b) of Section 34163, if a successor agency has received a finding of completion, the successor agency may enter into, or amend existing, contracts and agreements, or otherwise administer projects in connection with enforceable obligations approved pursuant to subdivision (m) of Section 34177, including the substitution of private developer capital in a disposition and development agreement that has been deemed an enforceable obligation, if the contract, agreement, or project will not commit new property tax funds, and will not otherwise reduce property tax revenues or payments made pursuant to paragraph (4) of subdivision (a) of Section 34183 to the taxing agencies.

SEC. 8.5. Section 34191.4 of the Health and Safety Code is amended to read:

34191.4. The following provisions shall apply to any successor agency that has been issued a finding of completion by the Department of Finance:

(a) All real property and interests in real property identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5 shall be transferred to the Community Redevelopment Property Trust Fund of the successor agency upon approval by the Department of Finance of the long-range property management plan submitted by the successor agency pursuant to subdivision (b) of Section 34191.5 unless that property is subject to the requirements of any existing enforceable obligation.

(b) (1) Notwithstanding subdivision (d) of Section 34171, upon application by the successor agency and approval by the oversight board, loans made to a redevelopment agency by the city, county, or city and county that created the redevelopment agency shall be deemed to be enforceable obligations provided that the oversight board makes a finding that the loans were for legitimate redevelopment purposes.

(2) If the oversight board finds that a loan is an enforceable obligation, the accumulated interest on the remaining principal balance of the loan shall be recalculated from origination using the interest rate earned by funds deposited into the Local Agency Investment Fund in effect on the date of loan origination, and as adjusted quarterly thereafter. The remaining principal balance of the loan and the accumulated interest shall be repaid to the city, county, or city and county in accordance with a defined schedule over a reasonable term of years at an interest rate not to exceed the interest rate earned by funds deposited into the Local Agency Investment Fund as the rate is adjusted on a quarterly basis. The annual loan repayments provided for in the recognized obligation payment schedules shall be subject to all of the following limitations:

(A) Loan repayments shall not be made prior to the 2013–14 fiscal year. Beginning in the 2013–14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this subdivision and paragraph (7) of subdivision (e) of Section 34176 combined shall be equal to one-half of the increase between the amount distributed to the taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012–13 base year, provided, however, that calculation of the amount distributed to taxing entities during the 2012–13 base year shall not include any amounts

distributed to taxing entities pursuant to the due diligence review process established in Sections 34179.5 to 34179.8, inclusive. Loan or deferral repayments made pursuant to this subdivision shall be second in priority to amounts to be repaid pursuant to paragraph (7) of subdivision (e) of Section 34176.

(B) Repayments received by the city, county, or city and county that formed the redevelopment agency shall first be used to retire any outstanding amounts borrowed and owed to the Low and Moderate Income Housing Fund of the former redevelopment agency for purposes of the Supplemental Educational Revenue Augmentation Fund and shall be distributed to the Low and Moderate Income Housing Asset Fund established by subdivision (d) of Section 34176.

(C) Twenty percent of any loan repayment shall be deducted from the loan repayment amount and shall be transferred to the Low and Moderate Income Housing Asset Fund, after all outstanding loans from the Low and Moderate Income Housing Fund for purposes of the Supplemental Educational Revenue Augmentation Fund have been paid.

(3) It is the intent of the Legislature that the amendments to this subdivision made by the act adding this paragraph be clarifying.

(c) (1) Bond proceeds derived from bonds issued on or before June 28, 2011, shall be used for the purposes for which the bonds were sold.

(2) Notwithstanding Section 34177.3 or any other conflicting provision of law, bond proceeds derived from bonds issued on or before December 31, 2010, in excess of the amounts needed to satisfy approved enforceable obligations shall thereafter be expended in a manner consistent with the original bond covenants. Enforceable obligations may be satisfied by the creation of reserves for projects that are the subject of the enforceable obligation and that are consistent with the contractual obligations for those projects, or by expending funds to complete the projects. An expenditure made pursuant to this paragraph shall constitute the creation of excess bond proceeds obligations to be paid from the excess proceeds. Excess bond proceeds obligations shall be listed separately on the Recognized Obligation Payment Schedule submitted by the successor agency.

(3) (A) Bond proceeds derived from bonds issued between January 1, 2011, and June 28, 2011, shall only be used for projects

which meet the following criteria, as determined by a resolution issued by the oversight board:

(i) The project shall be consistent with the applicable regional sustainable communities strategy or alternative planning strategy adopted pursuant to Section 65080 of the Government Code that the State Air Resources Board has determined would, if implemented, achieve the greenhouse gas emission reduction targets established by the board or, if a sustainable communities strategy is not required for a region by law, a regional transportation plan that includes programs and policies to reduce greenhouse gas emissions.

(ii) Two or more significant planning or implementation actions shall have occurred on or before December 31, 2010. The term “significant planning and implementation actions” means any of the following:

(I) An action approved by the governing body of the city, county, city and county, the board of the former redevelopment agency, or the planning commission directly related to the planning or implementation of the project.

(II) The project is included within an approved city, county, city and county, or redevelopment agency planning document, including, but not limited to, a redevelopment agency five-year implementation plan, capital improvement plan, master plan, or other planning document.

(III) The expenditure by the city, county, city and county, or project sponsor, of more than twenty-five thousand dollars (\$25,000) on planning related activities for the project within one fiscal year, or fifty thousand dollars (\$50,000) in total, over multiple fiscal years.

(iii) Documentation dated on or before December 31, 2010, shall be provided indicating the intention to finance all or a portion of the project with the future issuance of long-term debt, or documentation showing that the issuance of long-term redevelopment agency debt was being planned on or before December 31, 2010.

(iv) Each construction contract over one hundred thousand dollars (\$100,000) shall include a provision that prevailing wage will be paid by the contractor and all of that contractor’s subcontractors.

(v) For each construction contract over two hundred fifty thousand dollars (\$250,000), the successor agency shall require prospective contractors to submit a standardized questionnaire and financial statements as part of their bid package, to establish the contractor's financial ability and experience in performing large construction projects.

(B) Any city, county, or city and county that funded an eligible project, meeting the criteria listed in clauses (i) to (iii), inclusive, of subparagraph (A) with funds other than redevelopment funds, between June 28, 2011, and the effective date of the act adding this paragraph, shall be eligible to be reimbursed utilizing 2011 bond proceeds, if the project meets the purpose for which the bonds were issued.

(C) Any successor agency requesting the use of bond proceeds derived from bonds issued between January 1, 2011, and June 28, 2011, in accordance with subparagraphs (A) and (B), shall place that request on its Recognized Obligation Payment Schedule. The successor agency shall place each project on a separate Recognized Obligation Payment Schedule line item. The successor agency shall detail in the resolution adopting the Recognized Obligation Payment Schedule how each project will meet the requirement in subparagraphs (A) and (B), and all documentation showing how the project meets those criteria shall be attached to the resolution. The resolution adopting the Recognized Obligation Payment Schedule, including the supporting documentation, shall be forwarded to the department for review and approval or denial. Pursuant to subdivision (h) of Section 34179, the department may review and deny any action by the oversight board.

(4) If remaining bond proceeds derived from bonds issued on or before December 31, 2010, cannot be spent in a manner consistent with the bond covenants pursuant to paragraph (2), or if bond proceeds derived from bonds issued between January 1, 2011, and June 28, 2011, cannot be used for projects that met the requirements in subparagraphs (A) and (B) of paragraph (3), the proceeds shall be used to defease all or a portion of the bonds or to purchase all or a portion of those same outstanding bonds on the open market for cancellation. If only if a portion of the bonds proceeds will be used, the successor agency shall defease or purchase bonds for cancellation in a manner that maximizes fiscal savings.

(d) Notwithstanding subdivision (b) of Section 34163, if a successor agency has received a finding of completion, the successor agency may enter into, or amend existing, contracts and agreements, or otherwise administer projects in connection with enforceable obligations approved pursuant to subdivision (m) of Section 34177, including the substitution of private developer capital in a disposition and development agreement that has been deemed an enforceable obligation, if the contract, agreement, or project will not commit new property tax funds, and will not otherwise reduce property tax revenues or payments made pursuant to paragraph (4) of subdivision (a) of Section 34183 to the taxing agencies.

SEC. 9. Section 34191.5 of the Health and Safety Code is amended to read:

(b) The successor agency shall prepare a long-range property management plan that addresses the disposition and use of the real properties of the former redevelopment agency. The report shall be submitted to the oversight board and the Department of Finance for approval no later than six months following the issuance to the successor agency of the finding of completion.

Permissible uses include the retention of the property for governmental use pursuant to subdivision (a) of Section 34181, the retention of the property for future development, the sale of the property, or the use of the property to fulfill an enforceable obligation. The plan shall separately identify and list properties in the trust dedicated to governmental use purposes and properties retained for purposes of fulfilling an enforceable obligation. With respect to the use or disposition of all other properties, all of the following shall apply:

(A) (i) If the plan directs the use or liquidation of the property for a project identified in an approved redevelopment plan, the property shall transfer to the city, county, or city and county.

(ii) For purposes of this subparagraph, the term "identified in an approved redevelopment plan" includes properties listed in a community plan or a five-year implementation plan.

(B) If the plan directs the liquidation of the property or the use of revenues generated from the property, such as lease or parking revenues, for any purpose other than to fulfill an enforceable obligation or other than that specified in subparagraph (A), the proceeds from the sale shall be distributed as property tax to the taxing entities.

(C) Property shall not be transferred to a successor agency, city, county, or city and county, unless the long-range property management plan has been approved by the oversight board and the Department of Finance.

(d) The department shall not require a compensation agreement or agreements as described in subdivision (f) of Section 34180 as part of the approval of a long-range property management plan.

(e) The department shall only consider whether the long-range property management plan makes a good faith effort to address the requirements set forth in subdivision (c).

(f) The department shall approve long-range property management plans as expeditiously as possible.

(g) Actions relating to the disposition of property after approval of a long-range property management plan shall not require review by the department.
