

ASSEMBLY BILL

No. 922

Introduced by Assembly Member Gallagher

February 26, 2015

An act relating to economic development.

LEGISLATIVE COUNSEL'S DIGEST

AB 922, as introduced, Gallagher. Economic development.

Existing law provides for various economic development programs that foster community sustainability and for community and economic development initiatives throughout the state.

This bill would express the intent of the Legislature to develop a new economic program that would operate in areas with high unemployment.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to develop a new
- 2 economic program that would operate in areas with high
- 3 unemployment.
