LEGISLATIVE COUNSEL'S DIGEST

AB 2218, as introduced, Burke. Gambling: licenses.

Existing law, the Gambling Control Act, provides for the licensure and regulation of various legalized gambling activities and establishments by the California Gambling Control Commission and the investigation and enforcement of those activities and establishments by the Department of Justice. Existing law requires every person who is required to hold a state license to obtain the license prior to engaging in the activity or occupying the position with respect to which the license is required, except as specified. Existing law also requires every person who, by order of the commission, is required to apply for a gambling license or a finding of suitability to file an application within 45 calendar days after receipt of the order.

This bill would instead require the application described above to be filed within 60 calendar days after receipt of an order of the commission.
