An act to amend Section ~~7525~~ 7541.1 of the Business and Professions Code, relating to private investigators.

LEGISLATIVE COUNSEL'S DIGEST

AB 2632, as amended, Olsen. Private ~~Investigators~~. *Investigators: experience for licensure.*

Existing law, the Private Investigator Act, provides for the licensure and regulation of private investigators by the Bureau of Security and Investigative Services within the Department of Consumer Affairs and requires the Director of Consumer Affairs to administer and enforce the act. Existing law requires an ~~application~~ *applicant* for licensure under that act to ~~be on a form prescribed by the director and requires the application to be accompanied by an application fee.~~ *take an examination. Existing law requires an applicant for examination to have experience in certain activities performed in connection with investigations, as specified, and only if the activities are performed by persons who are employed or managed in certain capacities, including, among others, persons trained as investigators and employed by a public defender to conduct investigations.*

This bill would ~~make a nonsubstantive change to that provision.~~ *include, under the above-mentioned experience required to take the licensure examination, persons trained as investigative reporters whose experience is comprised of primary investigations, as defined, and who*

meet an additional specified requirement. The bill would also define terms for these purposes.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
 State-mandated local program: no.
