

**ASSEMBLY BILL**

**No. 2652**

---

**Introduced by Assembly Member Eggman**

February 19, 2016

---

An act to amend Section 94858 of the Education Code, relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 2652, as introduced, Eggman. California Private Postsecondary Education Act of 2009: applicability.

Under existing law, the segments of postsecondary education in this state include the University of California, the California State University, the California Community Colleges, independent institutions of higher education, and private postsecondary educational institutions.

Existing law, the California Private Postsecondary Education Act of 2009, provides, among other things, for student protections and regulatory oversight of private postsecondary institutions in the state. The act is enforced by the Bureau for Private Postsecondary Education within the Department of Consumer Affairs. The act exempts specified institutions from its provisions, does not apply to private postsecondary educational institutions that do not maintain a physical presence in the state, and is repealed on January 1, 2017.

This bill would instead, to the extent authorized by federal law, apply the act to a private entity that offers postsecondary education to the public in this state for an institutional charge.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
