

ASSEMBLY BILL

No. 2793

Introduced by Assembly Member Jones

February 19, 2016

An act to amend Section 53091 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 2793, as introduced, Jones. Local government: building and zoning.

Existing law requires each local agency to comply with all applicable building and zoning ordinances of the county or city in which the territory of the local agency is situated. Existing law provides that each local agency and each school district whose school buildings are subject to inspection by a county or city are subject to the payment of any applicable fees, but requires that those fees not exceed the amount charged to nongovernmental agencies for the same services or permits.

This bill would make a nonsubstantive change to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
