An act to add Section 6726 to the Government Code, relating to Space Day.

LEGISLATIVE COUNSEL'S DIGEST

SB 1138, as amended, Hueso. Space Day.

Existing law requires the Governor to proclaim certain days each year for specified reasons. Existing law also designates particular days each year as having special significance in public schools and educational institutions, and encourages those entities to conduct suitable commemorative exercises on those dates.

This bill would require the Governor to proclaim the first Friday in May of each year to be Space Day, and designate that date as having special significance in public schools and educational institutions. The bill would require the Governor to encourage public schools and educational institutions to conduct suitable commemorative exercises on that date. The bill would additionally require the Governor to *direct the Department of General Services to turn off nonessential lights on the State Capitol Building on Space Day, as specified*, to encourage every resident, business, and public entity to dim or turn off their lights between 9 p.m. and 10 p.m. on Space Day.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 6726 is added to the Government Code,  
2 to read:
