An act to amend Sections 980 and 1196 of the Penal Code, relating to criminal procedure.

LEGISLATIVE COUNSEL'S DIGEST

SB 1630, as amended, Polanco. Criminal procedure: bench warrants.

(1) Existing law requires a clerk, or judge or justice, to issue a bench warrant on application of the prosecuting attorney whenever the defendant fails to appear in court as required by law or does not appear for judgment when his or her personal appearance is necessary.

This bill requires the clerk, or judge or justice, to issue the bench warrant without application of the prosecuting attorney, and to ~~notify the Department of Justice~~ *require the appropriate agency* to enter each bench warrant issued on a *private surety-bonded* felony case into the national warrant system (National Crime Information Center (NCIC)). Because the bill would increase the duties of the clerk, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the

creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
