

Introduced by Senator Sher

February 25, 2000

An act to add Section 326 to the Public Utilities Code, relating to public utilities.

LEGISLATIVE COUNSEL'S DIGEST

SB 2167, as introduced, Sher. Public utilities: electric deregulation.

Existing law provides for the restructuring of California's electric power industry so that the price for the generation of electricity is determined by a competitive market.

This bill would provide that the Public Utilities Commission may issue decisions to facilitate competition in the production, transmission, and distribution of electricity.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 326 is added to the Public
2 Utilities Code, to read:
3 326. Notwithstanding any other provision of law, the
4 commission may issue decisions to facilitate competition
5 in the production, transmission, and distribution of
6 electricity.
