ASSEMBLY BILL**No. 1263**

Introduced by Assembly Member Yee

February 22, 2005

An act to add Section 7350.1 to the Business and Professions Code, relating to barbering and cosmetology.

LEGISLATIVE COUNSEL'S DIGEST

AB 1263, as amended, Yee. Barbering and cosmetology: equipment.

Under existing law, the Barbering and Cosmetology Act, the State Board of Barbering and Cosmetology licenses and regulates persons engaged in the practice of barbering and cosmetology, and makes a violation of the act a misdemeanor. Existing law requires an establishment in which cosmetology is practiced to be licensed by the board.

This bill would require the board to adopt regulations on or before ~~January 1, 2007~~ *July 1, 2006*, that set forth standards and requirements for the use of pedicure equipment. The bill would require these standards to be kept current with specified state and federal agency standards. The bill would also require the board to establish penalties,

including remediation requirements, for violations of these regulations.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
