AMENDED IN SENATE JULY 16, 2015

AMENDED IN ASSEMBLY APRIL 27, 2015

AMENDED IN ASSEMBLY MARCH 26, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 552

Introduced by Assembly Member O'Donnell

February 23, 2015

An act to add Section 7203 to the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 552, as amended, O'Donnell. Public works contracts: damages.

Existing law prescribes requirements for contracts between private parties and public entities, as defined.

This bill ~~would~~ *would, among other things*, provide that a public works contract entered into on or after January 1, 2016, that contains a clause expressly requiring a contractor to be responsible for delay damages, as defined, is not enforceable unless the delay damages have been liquidated to a set amount and identified in the public works contract. The bill would also make findings and declarations related to public contracts.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. (a) The Legislature finds and declares that, as a
2 matter of public policy, it is in the best interest of California
3 taxpayers to ensure uniformity in the bidding and contracting
4 process for public works construction projects within the State of
5 California.

6 (b) The Legislature further finds and declares that contractually
7 imposing undefined and unlimited risk associated with delays in
8 completion of public works on to public works construction
9 contractors increases public works construction costs.

10 (c) It is therefore in the best interest of California taxpayers and
11 public works construction contractors for the Legislature to
12 establish clear guidelines for imposing delay damages in a public
13 works contract.

14 SEC. 2. Section 7203 is added to the Public Contract Code, to
15 read:

16 7203. (a) A public works contract entered into on or after
17 January 1, 2016, that contains a clause that expressly requires a
18 contractor to be responsible for delay damages is not enforceable
19 unless the delay damages have been liquidated to a set amount and
20 identified in the public works contract.

21 (b) "Delay damages" as used in this section, means damages
22 incurred by the public agency for each day after the date on which
23 the work was to be completed by the contractor pursuant to the
24 public works contract. Delay damages shall not include damages
25 incurred by a public agency after the filing of a notice of
26 completion or, in the absence of a notice of completion, the
27 acceptance by the public agency of the public work as complete.

28 (c) "Public agency" shall include the state, the Regents of the
29 University of California, a city, charter city, county, charter county,
30 district, public authority, municipal utility, and any other political
31 subdivision or public corporation of the state.

32 (d) This section shall not be construed to limit a right or remedy
33 that the public agency has to enforce the express terms of the public
34 works contract, except for *a clause that expressly requires a*
35 *contractor to be liable for delay damages.*

36 (e) *This section shall not be construed to preclude a public*
37 *agency from including more than one clause for delay damages*
38 *for specified portions of work when the delay damages have been*

- 1 *liquidated to a set amount for each individual clause and identified*
- 2 *in the public works contract.*

O
